## Question Of Jerusalem:

**The Jerusalem Question and Its Resolution** Rû Lapîdôt, Moshe Hirsch, 1994 It is a universally accepted truism that Jerusalem is a unique city It stirs up strong emotions among adherents of various religions as it is the centre of three religions and it is subject of conflicting national aspirations of two peoples The diverse attitudes and wishes associated with the city are expressed inter alia in certain documents This collection is meant to present to the reader the most important of these documents This it is hoped will help to understand the difficulties and may assist in the search for solutions There may be differences of opinion over historical facts and the documents may be subject to differing interpretations Convenient access to the relevant documents is a prerequisite for any attempt to understand the problem and seek solutions The collection includes documents concerning the status of Jerusalem from the point of view of Israel's law and administration as well as documents from the Arab world and from the international sphere The editors have focused on official documents and in particular on those that have had a practical influence on the status of the city or are likely to do so in the future The collection will assist students and scholars who seek to understand the special status of Jerusalem as well as politicians and diplomats who are responsible for ensuring its welfare and prosperity

**40 Questions About the Historical Jesus** C. Marvin Pate, 2015-04-27 Answers to critical questions regarding the study of the Jesus of history and the Christ of faith The conclusions of the quest for the historical Jesus which casts the majority of Christ's life as a myth are a stark contrast to the orthodox view of Christ as presented in the Bible Pate demonstrates that a critical analysis of the gospel text along with historical and cultural methods of investigation actually point toward an orthodox view of Christ This work argues that the canonical Gospels are the most trustworthy information we have about the gospel writers as well as the life and ministry of Jesus including his death visit to hades resurrection and ascension Readers will be encouraged by the reliability of the Gospel writers the reality of Jesus humanity and deity and the inferiority of the apocryphal gospels

segregated housing or areas of uneven service provision or parallel national electoral districts of competing educational jurisdictions In particular the city s large number of holy sites and restricted religious compounds create enclaves that continually threaten to undermine the Israeli state s authority and control over the city This lack of congruity between political control and the actual spatial organization and everyday use of the city leaves many areas of occupied East Jerusalem in a kind of twilight zone where citizenship property rights and the enforcement of the rule of law are ambiguously applied Michael Dumper plots a history of Jerusalem that examines this intersecting and multileveled matrix and in so doing is able to portray the constraints on Israeli control over the city and the resilience of Palestinian enclaves after forty five years of Israeli occupation Adding to this complex mix is the role of numerous external influences religious political financial and cultural so that the city is also a crucible for broader contestation While the Palestinians may not return to their previous preeminence in the city neither will Israel be able to assert a total and irreversible dominance His conclusion is that the city will not only have to be shared but that the sharing will be based upon these many borders and the interplay between history geography and religion

*Studies in Canonical Criticism* Robert W. Wall, 2020-04-16 As one of the leading figures in New Testament studies Robert W Wall has continually focused on the function of the New Testament as a canonical or authoritative collection of writings reflecting not only the content and essence of the Church s emerging faith but also the life to that community of followers of Jesus who eventually became widely known as Christians In the vein of his defining work *The New Testament as Canon A Reader in Canonical Criticism* Wall now reflects upon his more recent body of study Always emphasizing canonical conversation Wall had collected and revised some of his most important essays of the last two decades including *Unity of Luke and Acts* 2010 *The Unifying Theology of the Catholic Epistles* 2003 13 and *Images of Church in John s Revelation* 2015 Completed by a new essay on the canonical approach to the Paratext of Hebrews and with vital introductory notes for each chapter that highlight both Wall s revisions and his response to critical reception this book is yet one more asset in Wall s continuing pursuit of the canonical function of the church s Scriptures

*Radical Christianity in Palestine and Israel* Samuel J. Kuruvilla, 2013-03-27 Christianity arose from the lands of biblical Palestine and regardless of its twentieth century associations with the Arab Israeli conflict to Christians around the world it remains first and foremost the birthplace of Christianity Nevertheless the size of the Christian population among Palestinians today living

in Israel and the Palestinian territories is now relatively insignificant In Radical Christianity in the Middle East Samuel J Kuruvilla argues that Christian Palestinians often employ politically astute as well as theologically radical means in their efforts to prove relevant as a minority community within Israeli and Palestinian societies Examining the political background of the gradual collapse of secular Arab Nationalism to be replaced by Islamic liberation movements he reveals a trend within the Christian Palestinian Church which saw increasing politicisation in the 1980s and 1990s In the face of often restrictive Israeli policies such as land confiscation along with the First Intifada there was a drive towards setting up inter Church and faith activism with the goal of Palestinian liberation Kuruvilla charts the development of a theology of Christian liberation in particular through the work of Palestinian Anglican cleric Naim Stifan Ateek and Palestinian Lutheran Pastor Mitri Raheb From its roots in 1960s Latin America liberation theology has been adapted and contextualised within the specific situation within Israel and Palestine to produce a framework that emphasises peace and reconciliation while recognising the importance of resistance and national unity Theology has impacted Christian perceptions of Palestinians struggle with Israel the idea of a land promised to the sons of Abraham and the moral responsibilities that come with this are pitted against Israeli oppression of both Christian and Muslim inhabitants of the Holy Land and their desire for independence and justice Through this comprehensive study of the often overlooked theological political and practical position of Christians in Palestine Kuruvilla provides a new and insightful perspective on one of the most written about conflicts

House of Commons,1920      Stacie E. Goddard,2009-11-04 This book challenges the conventional wisdom that territorial conflicts in Jerusalem and Northern Ireland were inevitable Stacie Goddard s research shows that it was radical political rhetoric and not ancient hatreds that rendered these territories indivisible preventing negotiation and compromise and leading to violence and war      Framing the Friday Sermon to Shape Opinion Philip Odeh Madanat,2019-03-25 The book investigates the intricate relationship between Friday sermon and the worshippers opinion in Jordan The author examines the religious sphere in Jordan in an attempt to unravel the apparent and hidden actors who produce and intake Friday sermon in an ostensibly westernized yet profoundly religious society It fills a major gap in literature on how Islamist movements and groups use and produce the Friday sermon and its sociopolitical context Covering the period before during and after the Arab Spring the book also challenges the lack of field investigation on framing and agenda setting The state Islamist groups and the media all vie to usurp the loyalty of the worshipper through the Friday sermon
