Questioning History West Front Wwi:

Questioning History Joe Regenbogen, 2020-10-06 Since the days of the Ancient Greeks history has been perceived as the academic study of the past Unfortunately it has generally been taught as a litany of rigid boring facts intended to be accepted rather than questioned This has been reinforced for decades by weighty textbooks that overwhelm the reader with mind numbing details presented in a chronological sequence The end result is that students see little relevance of what they learn in history class to the real world and many simply struggle to stay awake Compared to other subjects taught at the secondary level history is frequently judged to be the most boring This is largely because it is viewed as an intellectually lifeless subject that presents few opportunities for active engagement Questioning History is a book built around 16 essential questions designed to challenge this common assumption Each question is broad open ended and subject to vigorous debate By examining the historical background behind each question and by analyzing the ways in which the question can be answered the reader will come away with a deeper understanding of the past and a new appreciation for history as a cognitively dynamic subject In addition by using each chapter as a platform for engaging discussions and Socratic seminars the reader will be able to refine the decision making skills necessary for effective citizenship in a democratic society Depending on the classroom or the setting in which it is being used Questioning History can either take the place of the more traditional textbook or at least be used as a supplement to make it come more alive The best way to learn and to appreciate a subject is through active engagement Questioning History provides a shot of adrenalin to the study of history World War I Nicola Barber, 2014-11-01 Why was the First World War so devastating and how had Europe become so divided into armed camps How did it affect people on both sides of the conflict and why are its consequences still felt today This book seeks to relate the overall events and chronology of the war and shows its impact on everyday lives **New Perspectives on the First World War** Mandy Link, Matthew M. Stith, 2024-04-05 Taken collectively the chapters in New Perspectives on the First World War Beyond No Man s Land not only illuminate pieces of the Great War that remain in the shadow of the broader narratives but also and more importantly foster new perspectives pose distinct questions and suggest fresh directions from which future work might emerge Transnational approaches the cultural and environmental history of war and gender s ubiquitous but heretofore marginalized role in the larger conflict together merit fresh research and careful new interpretation **The Literary Digest History of the World War: Western front**, 1919 This collection is a general military and diplomatic history of the First World War from June 1914 to May 1920 Military affairs are the foremost issue with political and diplomatic events relevant to the war intertwined The work includes short biographies of important military leaders **First World War Trenches: 5 Minute History** Andrew Robertshaw, 2014-04-07 How much can you really find out about the Trenches of the First World War in five minutes This handy little history book will surpass all your expectations and leave you well versed on all you wish to know and maybe even a little bit more Was it always muddy Was every minute

spent under fire How did they get around What food was eaten And how did they build them anyway Jam packed with facts stats and first hand accounts of the action all woven together in an accessible way by an expert in the field this 5 Minute History is a valuable addition to anyone s bookshelf ready to be delved into at a moment s notice **Library of Congress Subject Headings** Library of Congress,Library of Congress. Subject Cataloging Division,Library of Congress. Office for Subject Cataloging Policy,2013 **The Literary Digest History of the World War** Francis Whiting Halsey,1919 This collection is a general military and diplomatic history of the First World War from June 1914 to May 1920 Military affairs are the foremost issue with political and diplomatic events relevant to the war intertwined The work includes short biographies of important military leaders **CliffsNotes AP European History with CD-ROM** Michael J. Romano,2010-10-04 Reviews and hands on test practice with accompanying CD **A Complete History of the World War** William Dunseath Eaton,Harry C. Read,1919 **The Literary Digest History of the World War** ,1919 History Christopher Lane,2004 This revision guide for Key Stage 3 history contains in depth course coverage and advice on how to get the best results in the national test It has progress check questions and exam practice questions *AQA GCSE History: Understanding the Modern World* David Ferriby,Dave Martin,Ben Walsh,2016-04-18 Create a stimulating well paced teaching route through the 2016 GCSE History specification using this tailor made series that draws on a legacy of market leading history textbooks and the individual subject specialisms of the author team to inspire student success Motivate your students to deepen their subject knowledge through an engaging and thought provoking narrative that makes historical concepts accessible and interesting to today s learners Embed progressive skills development in every lesson with carefully designed Focus Tasks that encourage students to question analyse and interpret key topics Take students historical understanding to the next level by using a wealth of original contemporary source material to encourage wider reflection on different periods Help your students achieve their potential at GCSE with revision tips and practice questions geared towards the changed assessment model plus useful advice to aid exam preparation Confidently navigate the new AQA specification using the expert insight of experienced authors and teachers with examining experience This single core text contains all four period studies and the following wider world depth studies Conflict and tension 1894 1918 Conflict and tension 1918 1939 Conflict and tension between East and West 1945 1972 Conflict and tension in Asia 1950 1975 **Harper's Pictorial Library of the World War** Albert Bushnell Hart,1920 *Questions Set at the Examinations* ,1920 *Questions set at the examinations* College Entrance Examination Board,1920 **History of the World War** Frank H.
