*Helping Skills for Working with College Students* Monica Galloway Burke, Jill

Duba Sauerheber, Aaron W. Hughey, Karl Laves, 2016-06-17 A primary role of student affairs professionals is to help college students dealing with developmental transitions and coping with emotional difficulties. Becoming an effective helping professional requires the complex integration of intrapersonal, interpersonal, and professional awareness and knowledge. For graduate students preparing to become student affairs practitioners, this textbook provides the skills necessary to facilitate the helping process and understand how to respond to student concerns and crises, including how to make referrals to appropriate campus or community resources. Focusing on counseling concepts and applications essential for effective student affairs practice, this book develops the conceptual frameworks, basic counseling skills, interventions, and techniques that are necessary for student affairs practitioners to be effective, compliant, and ethical in their helping and advising roles. Rich in pedagogical features, this textbook includes questions for reflection, theory to practice exercises, case studies, and examples from the field.

Introduction to Counselling Skills Richard Nelson-Jones, 2008-11-18 This book is a superb reference for counselling skills trainers and students. It presents practical key skills that are described and discussed clearly and concisely. Dr Margaret E. Smith, Programme Leader, University of Derby. This Third Edition interestingly adds two relevant sub-themes to its impressive range of subject matter. The text offers a sound, practical, and accessible introduction that serves to ground the purpose, application, and practice of counselling skills. Gerry Skelton, Social Work and Counselling educator, trainer, and practitioner. Introduction to Counselling Skills Third Edition is designed to help readers acquire and develop the counselling skills key to effective helping relationships using an easy-to-follow three-stage model. Richard Nelson-Jones details each stage in the helping process using examples to demonstrate counselling skills in a variety of contexts. Showing how skills work in practice and the diversity of issues they can help to address, this book covers what counselling skills are: improving listening skills, assessing feelings, thinking and communication, improving thinking skills, and communication skills, conducting sessions, ethical issues. For the Third Edition, Introduction to Counselling Skills has been fully updated, adding new material on relaxation techniques and managing crises. Combining a clear explanation of skills with a host of practical activities, this is the ideal text for introductory courses in counselling skills, counselling, and other professional areas including health care, management, education, and social work. Richard Nelson-Jones is a Fellow of the British Psychological Society and of the BACP. He divides his time between London and Chiang Mai, Thailand.
