

## **CLASSIFICATIONS OF MENTAL RETARDATION**

**Professionals classify the children with mental retardation into three groups:**

- Mild**
- Moderate**
- Severe/Profound**

**Educators have assigned prognostic meaning to these labels by referring to persons with mild mental retardation as “educable” and persons with moderate mental retardation as trainable,. Individual with severe/profound mental retardation will require care and supervision all of their lives. Their major problems concerned the maintenance of critical life functions and the development of self care skills whenever possible**
