This one girl told me that I don't really believe in anything. When I was young I went to church because my parents made me. I couldn't understand the preacher because he spoke Polish and I could never understand the Bible. I told her I couldn't understand my preacher either. But I read the story in the Bible about the man who died on the cross and it made me want to help him. People who don't do the gospel they're saying I don't have to or I don't want to. What they're falling into is spiritual death. That's a faith that's not living or growing. When talking to them sometimes you see they're on cloud nine not in reality doing everything and nothing. What this reminds me of is the prodigal son spending all his money on whores. He wasn't doing the gospel and saving his treasure up in heaven where his heart ought to be. I don't see what all the contention is about. If they're saved into life eternal it's going to be by those who do the gospel of our Lord Jesus Christ slain from the foundation of the world. You know there is only one right way to do it. So get yourself a bag that grows not old and let's see how you do out there. Have mercy on the poor. Temper your faith. Carry on. Doing the gospel shows the Bible is to be mainly used for defense of the children of the cross. People are thinking that the poor or homeless people aren't Christ-like. But because that sort of suffering is a cross it makes them Christ-like. That's also what the church shows. How the preachers don't accuse any but defend by saying you are forgiven by the Godhead. It says in the Bible God adds glory to the parts that have none. That's what he's doing by defending the poor basically saying they're loved. When anybody says anything and I have to reply I give respect to him who has the right. Jesus. Know that being human is the first quality of being Christ-like. But also for the animals they are living breathing beings. If that's not Christ-like I don't know what is. Following these guides you will be tempering yourself into right actions. What does being self-righteous have to do with love. Guiding people to what's right in a loving way gives you soul. It builds your soul to be of love. That's not self-righteous it's not parental. It's loving. Those demons and devils have been practicing their evil for like 150 million years. If you don't think you're going to have to study and do works accordingly to beat them you're wrong. The thing that makes mass assembly generate low prices and large volume is simplicity. When I see everybody just sitting around and complicating everything I know exactly what's going on.
