TESTIMONIALS David Rabjohns Founder CEO at MotiveQuest George s passion ideas and involvement with MotiveQuest has been game changing for us From jumpstarting our sales and marketing plans and team to productizing our business and procedures Red Rocket has had an immediate and meaningful impact from day one I highly recommend Red Rocket If you want to grow strap on the Red Rocket Tyler Spalding Founder CEO at StyleSeek Red Rocket has been a great investor for our business and vocal champion of our brand As a proven entrepreneur himself George has provided valuable insights and recommendations on how to best build my business Red Rocket would be a great partner in helping build your business Seth Rosenberg SVP at Camping World Red Rocket helped us do a high level assessment of our e commerce efforts and assisted with the development of a digital strategy and marketing plan Red Rocket identified some immediate opportunities which we are implementing I am pleased to recommend Red Rocket for your e commerce and digital marketing needs Andrew Hoog Founder and CEO at viaForensics As viaForensics experienced significant growth we recognized the need for an experienced advisor with start up chops who could help us refine critical steps in our transition from a service company to a product based company Red Rocket s expertise in growth planning including organizational structure financial modeling and competitive analysis were instrumental in refining our strategy He helped facilitate key decisions the management team needed to make in order to take the company to the next level We are very pleased with Red Rocket s contributions to viaForensics and highly recommend his services to other start ups facing similar growth Jerry Freeman Founder CEO at PaletteApp Red Rocket has been a key instigator in helping raise funds for PaletteApp They have helped me tremendously in realizing what an investor wants to see and how best to present it George has great experience and understanding of how to fund and launch a new company We feel fortunate that he has thrown his hat into our arena Scott Skinger CEO at TrainSignal Red Rocket helped us in a variety of ways from financial modeling to introductions to lenders Their biggest win was helping us do preliminary investigative research on one of our competitors that ultimately sparked a dialog that lead to the 23 6MM sale of our business to that company We couldn t be

more happy with Red Rocket s involvement with our business Overall a great advisor to have in your corner **Handbook of Research on Smart Territories and Entrepreneurial Ecosystems for Social Innovation and Sustainable Growth**

Palma-Ruiz, Jesús Manuel, Saiz-Álvarez, José Manuel, Herrero-Crespo, Ángel, 2019-12-27 With the rise of information and communication technologies in today s world many regions have begun to adapt into more resource efficient communities Integrating technology into a region s use of resources also known as smart territories is becoming a trending topic of research Understanding the relationship between these innovative techniques and how they impact social innovation is vital when analyzing the sustainable growth of highly populated regions The Handbook of Research on Smart Territories and Entrepreneurial Ecosystems for Social Innovation and Sustainable Growth is a pivotal reference source that provides vital research on the global practices and initiatives of smart territories as well as their impact on sustainable development in different communities While highlighting topics such as waste management social innovation and digital optimization this publication is ideally designed for civil engineers urban planners policymakers economists administrators social scientists business executives researchers educators and students seeking current research on the development of smart territories and entrepreneurship in various environments De Gruyter Handbook of Digital Entrepreneurship Wadid Lamine, Sarah

Jack, Alain Fayolle, David B. Audretsch, 2024-06-04 Far reaching technological developments are making a deep impact on societies and economic environments worldwide With the emergence of new digital infrastructures such as artificial intelligence fintech data analytics robotics and nanotech new creative industries still in a state of flux have arisen while others have disappeared at least in their traditional form The intermixing of traditional and new technologies has led to a redrawing of boundaries and an extension of the limits of entrepreneurship out towards industries with hitherto high barriers to entry due to regulatory technological or structural factors These external enablers have led to a democratization of entrepreneurship and a lessening of the obstacles to starting up a company by reducing or eliminating the difficulties inherent in the entrepreneurial phenomenon in its classical configuration such as high resource intensity uncertainty limited time or information asymmetry The De Gruyter Handbook of Digital Entrepreneurship examines the impact of these technological disruptions not only using the existing paradigms but also by re examining our very conception of the entrepreneurial phenomenon in terms of its evolving nature and shifting contours The contributions to this handbook promote the emergence of new theories and conceptions of the entrepreneurial opportunity and process that more fully reflect the realities of the new environment we are living in They will benefit both academics aiming to familiarize themselves with the state of research and theory within topics and subtopics in digital entrepreneurship as well as practicing entrepreneurs and managers aiming to acquaint themselves with leading edge practices and insights in digital entrepreneurship Handbook of Research on Sustaining SMEs and Entrepreneurial Innovation in the Post-COVID-19 Era

Baporikar, Neeta, 2021-02-05 A multidimensional approach to entrepreneurship especially in the post COVID 19 era will have

an important influence on the state of business and government especially when considering the effects of technological development innovation globalization and nationalization policies that need to be adopted for inclusive sustainable growth as well as the enhanced and efficient utilization of global resources That means there is likely to be a shift in how entrepreneurship development and entrepreneurial opportunities will be perceived developed and resourced The question is how to sustain SMEs and entrepreneurial innovation in the post COVID 19 era Thus comprehensive research and knowledge on designing policies and approaches to ensure the sustainability of SMEs and entrepreneurial innovation in post pandemic times are essential to sustain stimulate and foster SMEs entrepreneurship and entrepreneurial innovations The Handbook of Research on Sustaining SMEs and Entrepreneurial Innovation in the Post COVID 19 Era provides research dedicated to entrepreneurship with a special emphasis on the sustainability of SMEs and entrepreneurial innovations in the post COVID 19 era It provides discussion and the exchange of information on principles strategies models techniques methodologies and applications of entrepreneurship in the post COVID 19 era in the field of public and private organizations The chapters communicate the latest developments and thinking on the entrepreneurship subject worldwide by drawing on the latest developments ideas research and best practice to examine the implications of the changes taking place due to COVID 19 This book is ideally intended for entrepreneurs global organizations small and medium sized enterprises managers executives government officials policymakers researchers academicians and students who are interested in learning about designing or implementing policies that are more effective in the post pandemic era *Entrepreneur's Launchpad* Dr Poornima Charantimath, 2025-01-18 *Entrepreneur's Launchpad Basics to Brilliance* is a dynamic guide for aspiring entrepreneurs professionals leaders and anyone seeking to embrace an entrepreneurial mindset to drive socioeconomic and environmental transformation Through activitybased and experiential learning this book takes readers from idea to startup success fostering Emotional Intelligence Creativity and Innovation along the way Packed with practical strategies realworld case studies and actionable tools it covers everything from crafting a business plan to scaling a venture Whether you're launching a startup or enhancing an existing career *Entrepreneur's Launchpad* equips you to turn ideas into impactful solutions and thrive in today's fastevolving world *The Entrepreneur's Growth Startup Handbook* David N. Feldman, 2013-08-07 An accessible guide to handling the unforeseeable consequences of becoming an entrepreneur in today and tomorrow's economy The spirit of an entrepreneur is often characterized as one of unbridled passion and a sense of fearlessness But what about the consequences of choosing to become an entrepreneur The occupational hazards associated with this endeavor range from maintaining focus balancing work with your personal life and finding good partners to burnout and boredom Despite the abundance of entrepreneurial guides written few focus on the essential aspect of dealing with the unexpected personal and professional costs of starting and financing a business This new book will help you answer these tough questions Engaging and informative this book skillfully examines what usually goes wrong on the road to entrepreneurship revealing what

business owners regret and what you can do to address these issues Along the way it provides an overview of the personality traits and qualities that make success in entrepreneurship more likely and also explores how the weight of wearing the entrepreneurial hat can affect you Covers the seven principal obstacles that can arise at any level in the entrepreneurial game Filled with the valuable insights of an author who has experience as an entrepreneur and as a corporate attorney representing hundreds of entrepreneurs over his twenty six year legal career Touches on issues associated with everything from the nerve wrecking start up phase to the disenchanted later stages when success does not necessarily guarantee personal or professional contentment If you re looking for a better way to manage and minimize some of the most prominent problems you ll face as an entrepreneur look no further than this book

**Music Business Handbook and Career Guide**

David Baskerville,Tim Baskerville,Timothy Baskerville,Serona Elton,2022-11-14 This powerhouse best selling text remains the most comprehensive up to date guide to the music industry The breadth of coverage that Music Business Handbook and Career Guide Thirteenth Edition offers surpasses any other resource available

De Gruyter Handbook of Business Families

Michael Carney,Marleen Dieleman,2023-01-30 The management field increasingly recognizes that most firms in the world are family firms and that these entities operate differently from the non family firms on which most of our current management theories are based The De Gruyter Handbook of Business Families brings together work from leading academics who explore emerging research themes relevant to business families particularly drawing in new insights from adjacent disciplines that can advance the family business field The handbook challenges the traditional notion of the single firm single family that has characterized most early research on family business Recognizing that families may simultaneously own or control multiple businesses as well as substantial wealth beyond these firms in the form of financial and non financial assets this handbook focuses on business families rather than the narrower construct of family business The contributions in this handbook explore the relatively neglected dynamics between individuals with family ties that shape the interaction between family and business business families with multiple businesses how business families adopt formal rules and processes around their joint activities and the institutionalization of wealth and business families in society The De Gruyter Handbook of Business Families fills a gap in the family business research literature and is an essential reference work for researchers and graduate level students in the area of business families
