Renegade Women Eric R Dursteler, 2011-06-15 This book uses the stories of early modern women in the Mediterranean who left their birthplaces families and religions to reveal the complex space women of the period occupied socially and politically In the narrow sense the word renegade as used in the early modern Mediterranean referred to a Christian who had abandoned his or her religion to become a Muslim With *Renegade Women* Eric R Dursteler deftly redefines and broadens the term to include anyone who crossed the era's and region's religious political social and gender boundaries Drawing on archival research he relates three tales of women whose lives afford great insight into both the specific experiences and condition of females in and the broader cultural and societal practices and mores of the early Mediterranean Through Beatrice Michiel of Venice who fled an overbearing husband to join her renegade brother in Constantinople and took the name Fatima Hatun Dursteler discusses how women could convert and relocate in order to raise their personal and familial status In the parallel tales of the Christian Elena Civallesi and the Muslim Mihale Atorovic who both entered a Venetian convent to avoid unwanted arranged marriages he finds courageous young women who used the frontier between Ottoman and Venetian states to exercise a surprising degree of agency over their lives And in the actions of four Muslim women of the Greek island of Milos Aiss her sisters Emin and Catig and their mother Maria who together left their home for Corfu and converted from Islam to Christianity to escape Aiss's emotionally and financially neglectful husband Dursteler unveils how a woman's attempt to control her own life ignited an international firestorm that threatened Venetian Ottoman relations A truly fascinating narrative of female instrumentality *Renegade Women* illuminates the nexus of identity and conversion in the early modern Mediterranean through global and local lenses Scholars of the period will find this to be a richly informative and thoroughly engrossing read

Masquerade Mark M. Hull, Vera Moynes, 2017-05-18 Phyllis Ursula James Nora O Mara R is n N Mheara Like her name the life of Rosaleen James changed many times as she followed a convoluted path from abandoned child to foster daughter of an aristocratic British family to traitor during World War II to her emergence as a full Irish woman afterward In *Masquerade* authors Mark M Hull and Vera Moynes tell James s story as it unfolds against the backdrop of the most important events of the twentieth century James s life both real and imagined makes for an incredible but true story By altering her identity to suit the situation James manipulated almost everyone she encountered the German intelligence service the Nazi propaganda broadcasting service British intelligence and various Irish cultural groups She was in a liaison with Irish writer Francis Stuart and with him provided a voice for Nazi radio programs aimed at neutral Ireland served as the pseudo Irish expert for German espionage missions and participated in the failed almost comical effort to recruit Irish prisoners of war to join the Nazis against Great Britain quite a series of performances considering her only contact with Ireland had been a weeklong visit in 1937 Immediately after the war James was wanted by British intelligence as a renegade traitor but her case was quickly squelched by the British government Drawing on an assumed wartime persona she became fluent in Irish Gaelic and organized a number of conferences for which she won grants from the Irish government James garnered wider attention in 1992 with her autobiography published in Gaelic in which she claimed that the Holocaust was a myth a belief she maintained until her death in 2013 In documenting James s life of deception Hull and Moynes masterfully analyze how an intellectually gifted child turned traitor to her country and convincingly rebranded herself as an Irish patriot and intellectual while denying historical reality The story of Rosaleen James reminds us that reality may be much less or more than what meets the eye and ear
