RENEW YOUR MIND Edward D. Andrews, 2020-07-31 The subject of **RENEW YOUR MIND**: childhood abuse and trauma was exceedingly difficult for me to talk about for decades and is still a struggle today. Even today I feel a bit embarrassed to talk about the things that I survived. But it needs to be done for the sake of helping others to survive and overcome childhood abuse and trauma. The scope of **RENEW YOUR MIND** will go into many of the traumatic events but will not go into details because that is not necessary. The reader does need to appreciate the level of suffering so they can appreciate how much the human can survive. The aim of **RENEW YOUR MIND** is to help the reader to experience the depths of my pain that will make you cringe one moment and then cry the next. The aim of this book is to help any reader to know that they too can survive and overcome the abuses and trauma be it in their childhood or as an adult even if they are currently within it. **RENEW YOUR MIND** will be the most biblical, most transformative Christian living book outside of the Bible itself. Regardless of your life struggles, you will discover both spiritual and personal growth. **RENEW YOUR MIND** closes the book with chapter 6's how serious the sin of child abuse is and its far reaching consequences; chapter 7's the truth about sexual assault; and chapter 8's sexual abuse need not be a lifetime of pain.

Tame Your Thoughts Max Lucado, 2025-08-12 **NOW A NEW YORK TIMES BESTSELLER** When was the last time you awakened to a swirl of anxious, out of control thoughts? Perhaps you were overwhelmed with the weight of worry, the fear of failing, or the grip of guilt. The way we think directly impacts our joy and peace. In **Tame Your Thoughts**, Max Lucado provides three biblical and practical tools to renew your mind and transform your life. Our thoughts have consequences. Most people would agree that positive thoughts generate positive actions. Negative thoughts activate negative behavior. But do we understand that we can manage our lives by managing our thoughts? Not only does neuroscience back this concept, but the idea is also embedded throughout Scripture. Do not be conformed to this world.
