Systematic Theology, Volume 1, Fourth Edition James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary

Systematic Theology, Volume 2, Second Edition James Leo Garrett Jr., 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the

biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary **Systematic Theology, Volume 2, Second Edition** James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary **The Mission of the Triune God** Adam Dodds, 2017-07-31 Lesslie Newbigin was arguably the greatest missionary thinker of the twentieth century After a successful missionary career in south India Newbigin pioneered missionary engagement with the secular West and resurgent Islam He

also led the way in arguing that the Church's mission can only be understood in light of the doctrine of the Trinity. Over fifty years ago Newbigin called for the further development of missionary thinking grounded in the Triune being of God. This work is in response to that call. Adam Dodds provides the first in-depth study of Newbigin's trinitarian theology of mission. Dodds constructs a systematic account of the central features of the mission of the Triune God: the Triune being of God, the mission of the Son, the mission of the Holy Spirit, and the mission of the church. This book contributes to our understanding of the work of Lesslie Newbigin, offers a systematic theological account of the mission of the Triune God, and contributes to the retrieval of Christian mission from the theological margins back to a place of central importance to Christian theology.

Spirit-empowered Christianity in the Twenty-first Century Vinson Synan, 2011. What does a re-vision of the Charismatic Pentecostal Spirit-empowered movement look like in the coming years of this millennium? The first century of this revival seems to attest that the Lord raised up the holiness and Pentecostal movements not only to be custodians of these distinctive truths but the perpetuators of them as well. If any generation ceases to accentuate this emphasis, the movement likely will forfeit the right to be recognized as such. When the Pentecostal message is preached, published, and proclaimed through triumphant song, an atmosphere is sustained for people to experience anew and again the reality of salvation, holiness, charismata, wholeness, and hope. Such a revival will be biblically based, rationally sound, traditionally accurate, and experientially real. Spirit-empowered Christianity in the 21st Century is an authoritative compilation of the presentations from thirty leaders in the Charismatic Pentecostal movement given at the Empowered 21 Conference in Tulsa, OK, in April 2010. These chapters share emerging insights on how the next generation will handle the profound issues facing Christians within the Charismatic Pentecostal movement in the 21st century. For example, one portion covers the topic of the 21st-century renewal, while another discusses how we can protect our Charismatic distinctive. Another portion will highlight Charismatic adaptations for reaching this present age, discussing issues of social and economic justice, prosperity, and suffering, challenges to urban ministry, the future of the next generation, Oneness Pentecostalism, and missiological aims in North America.

The Extent of the Atonement David L. Allen, 2016-06-01. The extent of Christ's atoning work on the cross is one of the most divisive issues in evangelical Christianity. In *The Extent of the Atonement: A Historical and Critical Review*, David L. Allen makes a biblical, historical, theological, and practical case for a universal atonement. Through a comprehensive historical survey, Allen contends that universal atonement has always been the majority view of Christians, and that even among Calvinist theologians there is a considerable range of views. Marshalling evidence from Scripture and history and critiquing arguments for a limited atonement, Allen affirms that an unlimited atonement is the best understanding of Christ's saving work. He concludes by showing that an unlimited atonement provides the best foundation for evangelism, missions, and preaching.

The Jesus People Movement Richard A. Bustraan, 2014-02-13. Who would have imagined that the hippies, those long-haired, psychedelia-influenced youth of the 1960s, would have initiated a spiritual revolution that has

transformed American Christianity If you are unfamiliar with the 1960s the counterculture the hippie movement and the Jesus People then this book will transport you to that era and introduce you to the generation and the decade that turned American culture upside down If you have read other books on the Jesus People this account will take you by surprise A refreshingly different narrative that unveils a storyline and characters not commonly known to have been associated with the movement this book argues that the Jesus People though often trivialized and stigmatized as a group of lost and vulnerable youth who strayed from the Fundamentalism of their childhood helped American Christianity negotiate a way forward in a post 1960s culture It examines the narrative of the Holy Spirit and the phenomenon called Pentecostalism Although utterly central the Jesus People s Pentecostalism has never been examined and their story has been omitted from the historiography of Pentecostalism This account uniquely redresses this omission All His Jewels Linda Cruz,2007 **The Power of**

Pentecost Martin Salter,2012-03-16 Two thousand years ago a Jewish fisherman stood up before a crowd of thousands to explain an extraordinary event A bewildered crowd had heard the wonders of God being declared in their own languages Peter s explanation This was the fulfillment of the promise of the prophet Joel a promise that in the last days people would prophesy see dreams and visions and perform signs and wonders That extraordinary day and that extraordinary promise have shaped the church over the last two thousand years The question before us is what does it mean for us today This book seeks to address and answer some of those questions by examining carefully the verses in question Acts 2 17 21 and their wider context and purpose **African Christian Theology** Samuel Waje Kunhiyop,2023-10-30 God is eternal but the questions

we ask about him are always rooted in our own culture Thus our understanding of theology is also rooted in our culture Dr Samuel Kunhiyop is deeply aware of this and so has produced African Christian Theology as a companion book to his African Christian Ethics In this book Dr Kunhiyop addresses many of the same issues mentioned in Western systematic theologies but also addresses issues that are not mentioned in those books including the spirit world ancestors and the power of blessings and curses This book thus constitutes an excellent introduction to systematic theology in relation to the traditional African world view and to the Bible 1 Peter Scot McKnight,2011-03-01 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same

powerful impact it had when it was first written Authentic Fire Michael L. Brown,2015-07-07 In response to Pastor John MacArthur s call for a collective war against charismatics Dr Michael Brown has called for unity in Jesus based on a return to the truth of the Scriptures in the fullness of the Spirit As a charismatic biblical scholar and theologian Dr Brown responds to Pastor MacArthur s charges making a biblical case for the continuation of the New Testament gifts of the Spirit and demonstrating the unique contribution to missions theology and worship made by the charismatic Church worldwide He calls for an appreciation of the unique strengths and weaknesses of both cessationists and charismatics inviting readers to experience God afresh and he demonstrates how charismatic leaders have been addressing abuses within their own movement for decades Dr Brown speaks on behalf of millions who are not adequately trained to express in writing their own encounters with the supernatural power of God David Ravenhill I thank God for this biblically robust pastorally sensitive historicallyinformed and graciously articulated account of the work of the Holy Spirit in the church of Jesus Christ Sam Storms Dr Michael Brown s Authentic Fire puts the brakes on John MacArthur s crusade against charismatics with irrefutable logic extraordinary insight Christ like graciousness and an undisputable handling of Scripture Frank Viola Michael Brown writes with clarity and courtesy as he confronts one of the most explosive issues among all those who uphold the Bible as the plumb line of truth David Shibley *The Cambridge Companion to Miracles* Graham H. Twelftree,2011-04-14 This book is a comparative study of miracles in the major world religions and explores the value of miracles in religious belief **The Seed of Abraham** Michael M. C. Reardon,Pesach Wolicki,2025-06-25 The inspiration for this volume emerged from years of friendship dialogue and collaboration between a Jewish rabbi and Christian professor Historically Jewish Christian relations has been a fraught sphere of inquiry Despite sharing a set of Scriptures the relationship between Christians and Jews has been marked by distrust misunderstandings and exaggerated theological differences which taken together appear to create an indissoluble wedge between the two faiths This volume brings the two faiths into fruitful and productive dialogue by unearthing recondite yet highly significant features shared between them Beyond being an academic exercise the aspiration undergirding this project is to bridge the gap between Jews and Christians and by doing so chart a path forward toward rapprochement reconciliation and Jewish Christian unity The Christian Story Gabriel Fackre,1996 An original work in systematic theology The Christian Story rises from and strives to be a resource to the life and witness of the church and its leadership In addition to covering the standard teachings of Christianity the doctrines of God creation the fall covenant Christ salvation church and consummation Volume 1 presents Fackre s introduction to systematic theology This revised third edition develops in more detail the doctrine of the Trinity takes up the issues of religious pluralism and Jewish Christian dialogue and offers a perspective on angelology New appendices discuss inclusive language and describe the surge of writing in the field of systematic theology Pentecostalism Emmanuel Kingsley Larbi,2001 NIVAC Bundle 8: General Epistles, Revelation George H. Asamoah-Gyadu, 2004-10-01 This volume examines Pentecostal charismatic renewal in an African context Ghanaian Pentecostalism in its modern charismatic form has become the most visible expression of renewal within indigenous Christianity The book first articulates the contribution of the older African initiated churches AICs to local Christianity arguing that in spite of a present decline the AICs have left an enduring theological imprint on indigenous Christian expression Furthermore it accounts for the rise of the new independent churches the charismatic ministries These have been proliferating across the West Africa sub region since the late 1970s In addition to this the book explores how the emphases of the new Ghanaian charismatics internationalism transformation prosperity healing and deliverance provide useful insights into the nature of modern African Pentecostal spirituality
