Fidelity and Casualty Company of New York,1911      **True Latter-Day Saints' Herald** ,1929 The family magazine of the  
Reorganized Church of Jesus Christ of Latter Day Saints      **The Morning Star and Free Baptist** ,1905      The  
Hermeneutical Spirit Amos Yong,2017-11-06 In the contemporary biblical studies climate proposals regarding the theological  
interpretation of Scripture are contested particularly but not only because they privilege encourage and foster ecclesial or  
other forms of normative commitments as part and parcel of the hermeneutical horizon through which scriptural texts are  
read and understood Within this context confessional approaches have been emerging including some from within the  
nascent pentecostal theological tradition This volume builds on the author s previous work in theological method to suggest a  
pentecostal perspective on theological interpretation that is rooted in the conviction that all Christian reading of sacred  
Scripture is post Pentecost meaning after the Day of Pentecost outpouring of the Spirit on all flesh in anticipation of the  
coming reign of God In that respect such a pentecostal interpretative perspective is not parochially for those within the  
modern day movement bearing that name but is arguably apostolic in following after the scriptural imagination of the earliest  
disciples of Jesus the messiah and therefore has ecumenical and missional purchase across space and time The  
Hermeneutical Spirit thus provides close readings of various texts across the scriptural canon as a model for Christian  
theological interpretation of Scripture suitable for the twenty first century global context      A New Vision, a New Heart, a

**Renewal in the UK** Keith Chappell,2023-10-20 Combining ethnographic research with theological analysis this book  
explores how the Catholic Charismatic Renewal CCR one of the largest new movements within the global Catholic Church  
has developed in contemporary Britain and Northern Ireland Drawing on extensive fieldwork this study analyses the beliefs  
behaviour and worldviews of CCR members and considers how these relate to key theological themes in the movement s  
unique encounter between Pentecostalism and Catholicism The author explores the extent to which the CCR has been  
integrated into the mainstream of the Catholic Church and how the movement s members have adapted their theology over  
time Painting a picture of a diverse community this book enriches understanding of the CCR and contemporary Christianity  
in Britain      *The Friends' Library* ,1848      **Khanty, People of the Taiga** Andrew Wiget,Olga Balalaeva,2011-05-15  
Drawing on nearly twenty years of fieldwork as well as ethnohistory politics and economics this volume takes a close look at  
changes in the lives of the indigenous Siberian Khanty people and draws crucial connections between those changes and the  
social cultural and political transformation that swept Russia during the transition to democracy Delving deeply into the  
history of the Khanty who were almost completely isolated prior to the Russian revolution the authors show how the customs  
traditions and knowledge of indigenous people interact with and are threatened by events in the larger world      **Biblical**

Eberhart, Jacob M. archipelago of contexts that dotted the early modern European world one that saw profound transitions in ways people used sensory knowledge to claim ethical intellectual and practical authority     *New Covenant* ,1994
