Bibliography of Jesus's Resurrection Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease [The Encyclopedia of Christian Literature](#) George Thomas Kurian,James D. The Walk of the Cross Robert Makrush,2020-01-14 The Walk of the Cross is a Lenten study designed to help Christians search their hearts and souls as well as rededicate themselves to be faithful Disciples of Christ It is a daily devotional which examines fundamental Biblical beliefs in context with several scriptures each day Daily readings are followed by questions for reflection and journaling Jesus used this method of rabbinic teaching when he asked questions of His disciples such as Who do you say believe I am Why do you call me good or To what shall I compare the Kingdom of God Journaling scripture reading and Spirit led prayers form the foundation of this personal study as we consider what we really believe concerning issues such as God s calling grace salvation sanctification and regeneration The process allows the Holy Spirit to confront false beliefs as well as alleviate areas of doubt in our faith As for those that may be asking what difference it makes how one believes professionals have long known that our beliefs especially those concerning morals ethics and religion control how we think feel and behave Our beliefs do this by coming together to form attitudes and prejudices concerning who we are and the world around us Because our belief systems work with a high degree of automation they can be easily influenced and even corrupted by the culture of the world Therefore we should always actively consider what and how we believe under the guidance of the Spirit Christians have traditionally used the forty days prior to Easter known as Lent as a time to rededicate ourselves to the imitation of Christ Some of us abstain from pleasurable things such as chocolate or TV in an attempt to purify ourselves from worldly desires Others prefer to add some additional religious aspect to our lives like a Lenten devotional additional prayer time or some worthy church social function Whether we abstain or add there is a conscious effort to revive our Christian discipleship by identifying with Christ s teaching and journey of passion for our salvation Doing these activities in small groups makes this also a time to renew fellowship within church
