Where Histories Reside Priya Jaikumar,2019-10-31 In Where Histories Reside Priya Jaikumar examines eight decades of films shot on location in India to show how attending to filmed space reveals alternative timelines and histories of cinema In this bold spatial film historiography Jaikumar outlines factors that shape India s filmed space from state bureaucracies and commercial infrastructures to aesthetic styles and neoliberal policies Whether discussing how educational shorts from Britain and India transform natural landscapes into instructional lessons or how Jean Renoir s The River 1951 presents a universal human condition through the particularities of place Jaikumar demonstrates that the history of filming a location has always been a history of competing assumptions experiences practices and representational regimes In so doing she reveals that addressing the persistent question of what is cinema must account for an aesthetics and politics of space

Confusion Stefan Zweig,2012-07-25 An NYRB Classics Original Stefan Zweig was particularly drawn to the novella and Confusion a rigorous and yet transporting dramatization of the conflict between the heart and the mind is among his supreme achievements in the form A young man who is rapidly going to the dogs in Berlin is packed off by his father to a university in a sleepy provincial town There a brilliant lecture awakens in him a wild passion for learning as well as a peculiarly intense fascination with the graying professor who gave the talk The student grows close to the professor becoming a regular visitor to the apartment he shares with his much younger wife He takes it upon himself to urge his teacher to finish the great work of scholarship that he has been laboring at for years and even offers to help him in any way he can The professor welcomes the young man s attentions at least on some days On others he rages without apparent reason or turns away from his disciple with cold scorn The young man is baffled wounded He cannot understand But the wife understands She understands

perfectly And one way or another she will help him to understand too Renoir Ambroise Vollard,1925 *Boudu Saved from Drowning* Richard Boston,2019-07-25 Boudu is one of Jean Renoir s masterpieces and features Michel Simon s performance as the disreputable tramp rescued from the river It is discussed here by Richard Boston video critic of the Guardian The book features a brief production history and detailed filmography
