Lawton Smith, 2003-06-10 How are pharmaceutical technologies developed and controlled in our societies To what extent should the availability of these technologies be determined by scientific experts a democratic state the interests of final users or ethical principles This unique collection brings together the work of social scientists ethicists lawyers and policy analysts on regulation ethics and innovation in the pharmaceutical industry Regulatory systems and their implications for public health in North America Europe and developing countries are discussed including case studies of norplant interferon and anti fertility vaccines **Health Policy in a Globalising World** Kelley Lee, Kent Buse, Suzanne Fustukian, 2002-08-08 Increasing recognition of the impact that globalisation may be having on public health has led to widespread concern about the risks arising from emerging and re emerging diseases environmental degradation and demographic change This book argues that health policy making is being affected by globalisation and that these effects are in turn contributing to the kind of global health issues being faced today The book explores how the actors context processes and content of health policy are changing as a result of globalisation raising concerns about growing differences in who can influence health policy what priorities are set what interventions are deemed appropriate and ultimately who enjoys good and bad health Bringing together a distinguished international group of contributors this book covers a comprehensive range of topics and geographic regions and will be invaluable for all those interested in health social and public policy and globalisation **Gender, Development and Health** Caroline Sweetman, 2001 Articles included here focus on understandings of reproductive health integrating gender issues into infectious disease prevention the impact of HIV AIDS on women working with communities to promote health and on the monitoring and evaluation of health projects from a gender perspective **Gender in Latin America** Sylvia H. Chant, Nikki Craske, 2003 A comprehensive state of the art review of gender in one of the world s most diverse and dynamic regions The authors draw on a wide range of sources including their own field research to explore changes and continuities in gender roles relations and identities during the late twentieth century into the twenty first Debunking traditional universalizing stereotypes diversity in gender is highlighted in relation to the cross cutting influences of age class sexuality ethnicity rural urban residence and migrant status *The Male Pill* Nelly Oudshoorn, 2003-09-10 The technology has been there for over 20 years how come there is still no male pill on the market Contraception across Cultures Andrew Russell, Mary Thompson, Elisa J. Sobo, 2020-06-04 Contraception is an issue of considerable concern to a great many heterosexually active people Yet the impact of contraceptive technologies in the world today in particular their implications for kinship gender relations and other aspects of social life receives relatively little scholarly attention This book brings a new perspective to the study of contraception by collecting together in one volume leading experts in the fields of contraception family planning and reproductive health Contributors look at the social economic political and cultural contexts in which contraceptive providers and recipients make decisions about whether and

what forms of contraception to use User perspectives whether those of recipients or providers of contraceptive services are taken seriously as are the perspectives of policy makers and development experts With its in depth case study approach this challenging book will appeal to practitioners and planners in the fields of family planning and reproductive health as well as to students and academics of applied and medical anthropology health studies gender and development studies or anyone interested in the social cultural and ethical issues raised by contraceptive technologies Contemporary Turkey at a Glance Kristina Kamp,Ayhan Kaya,E. Fuat Keyman,Ozge Onursal Besgul,2014-09-11 Turkey has witnessed significant social cultural and political change over the last decades This transformation has manifested itself in all segments of society and resulted in the alteration of political ideologies and institutions The twelve authors of this volume shed light on the complexities of a changing Turkey through an interdisciplinary perspective Their application of novel conceptual approaches and methodologies make this book a unique contribution to the study of modern Turkey Negotiating Reproductive Rights Rosalind P. Petchesky,Karen Judd,1998 2 Not like our mothers *Bodies of Technology* Ann Rudinow Saetnan,Nelly Oudshoorn,Marta Stefania Maria Kirejczyk,2000 This work is based on a concern for women s health and autonomy and on the premise that technology and society mutually shape one another A basic question is one of cultural appropriation Do technologies take on different shapes different practices and have different impacts as they spread from one place to another By juxtaposing a number of culturally and historically contextualized studies of similar technologies the editors demonstrate that although technologies globalize by spreading among cultures they are also localized by the cultures they encounter Geographies of Development in the 21st Century Sylvia H. Chant,Cathy McIlwaine,2009-01-01 This is an excellent book and should prove to be a valuable text for geography and development studies students Hedley Knibbs *Geography* *Geographies of Development in the 21st Century* provides a very accessible and comprehensive account of a broad spectrum of key contemporary issues of concern to geographers and development studies specialists the world over I am sure that this excellent volume will be widely read and appreciated Professor Andrea Cornwall University of Sussex UK Uneven contradictory and complex is how Sylvia Chant and Cathy McIlwaine describe the processes of development that constitute the subject of this distinctive and lively introductory text Seeking to comprehend let alone portray with any degree of accuracy the burden of these three adjectives with reference to the sheer diversity within what is sometimes called the majority world is a daunting challenge Chant and McIlwaine draw on their first hand experience on the ground in several countries spread across all the major continents of the global South stretching well beyond conventional academic research into NGOs social movements and major international agencies Students will find the blend of accessibly written broad survey and case study very helpful In addition to lists of important websites further reading and learning outcomes the text is interspersed with focused activities to foster active learning Professor David Simon Royal Holloway University of London UK Written by two widely published academics with many years experience in university teaching research and consultancy

Geographies of Development in the 21st Century provides a concise yet informative introduction to development in the contemporary Global South Incorporating field research from Mexico Costa Rica Guatemala Colombia El Salvador the Philippines Botswana and The Gambia Sylvia Chant and Cathy McIlwaine bring alive a body of fascinating subject matter extending across gender family poverty employment household livelihoods the informal economy housing migration civil society conflict and violence Reflecting both authors enduring interests in the academic policy interface the book is also informed by assignments they have undertaken for various international organisations such as the World Bank Inter American Development Bank UNDP UNICEF ILO and the Commonwealth Secretariat This timely and engaging volume will be an essential companion for undergraduate students taking introductory courses in development and globalisation as well as a useful reference and repository of teaching and learning ideas for those lecturing on the subject Students will not only find this resource refreshingly accessible and user friendly but will be able to further their knowledge guided by annotated readings key internet sources and a range of learning activities
