

Requiem For A Kingfish

Joanne Morreale

Requiem For A Kingfish:

Requiem for a Kingfish Ed Reed, 1986 The Kingfish and His Realm William Ivy Hair, 1996 The best biography of Long written to date New Orleans Times Picayune A remarkable work Of all the biographies of Huey Long Hair's best captures the atmosphere of public life in the Pelican State Written with passion and mordant wit the book is literally hard to put down Reviews in American History Well proportioned and tartly written Hair's book is notable for its conceptualization and exhaustive research for its analysis of Long's extraordinary control of Louisiana and his role in national politics and for its interpretation of the Long phenomenon Journal of American History A masterly biography of the redneck messiah A consistently engrossing portrait Kirkus Reviews starred review A fascinating and highly readable look at the improbable rise and fortunate fall of one of the most dangerous politicians in American History San Francisco Chronicle *Kingfish* Richard D. White, Jr., 2009-03-25 From the moment he took office as governor in 1928 to the day an assassin's bullet cut him down in 1935 Huey Long wielded all but dictatorial control over the state of Louisiana A man of shameless ambition and ruthless vindictiveness Long orchestrated elections hired and fired thousands at will and deployed the state militia as his personal police force And yet paradoxically as governor and later as senator Long did more good for the state's poor and uneducated than any politician before or since Outrageous demagogue or charismatic visionary In this powerful biography Richard D White Jr brings Huey Long to life in all his blazing controversial glory White taps invaluable new source material to present a fresh vivid portrait of both the man and the Depression era that catapulted him to fame From his boyhood in dirt poor Winn Parish Long knew he was destined for power the problem was how to get it fast enough to satisfy his insatiable appetite With cunning and crudity unheard of in Louisiana politics Long crushed his opponents in the 1928 gubernatorial race then immediately set about tightening his iron grip The press attacked him viciously the oil companies howled for his blood after he pushed through a controversial oil processing tax but Long had the adulation of the people In 1930 the Kingfish got himself elected senator and then there was no stopping him White's account of Long's heyday unfolds with the mesmerizing intensity of a movie Pegged by President Roosevelt as one of the two most dangerous men in the country Long organized a radical movement to redistribute money through his Share Our Wealth Society and his gospel of pensions for all a shorter workweek and free college spread like wildfire The Louisiana poor already worshiped him for building thousands of miles of roads and funding schools hospitals and universities his outrageous antics on the Senate floor gained him a growing national base By 1935 despite a barrage of corruption investigations Huey Long announced that he was running for president In the end Long was a tragic hero a power addict who squandered his genius and came close to destroying the very foundation of democratic rule Kingfish is a balanced lucid and absolutely spellbinding portrait of the life and times of the most incendiary figure in the history of American politics **Kingfish** U Robert Mann, 2023-06-07 No political leader is more closely identified with Louisiana State University than the flamboyant governor and U S senator Huey P Long who devoted his last

years to turning a small undistinguished state school into an academic and football powerhouse From 1931 when Long declared himself the official thief for LSU to his death in 1935 the school's budget mushroomed its physical plant burgeoned its faculty flourished and its enrollment tripled Along with improving LSU's academic reputation Long believed the school's football program and band were crucial to its success Taking an intense interest in the team Long delivered pregame and halftime pep talks devised plays stalked the sidelines during games and fired two coaches He poured money into a larger flashier band supervised the hiring of two directors and with the second one wrote a new fight song Touchdown for LSU While he rarely meddled in academic affairs Long insisted that no faculty member criticize him publicly When students or faculty from his school opposed him retribution was swift Long's support for LSU did not come without consequences His unrelenting involvement almost cost the university its accreditation And after his death several of his allies including his handpicked university president went to prison in a scandal that almost destroyed LSU Rollicking and revealing Robert Mann's *Kingfish* is the definitive story of Long's embrace of LSU

Confronting Modernity Richard B. Megraw, 2008 An analysis of how modernity and modernism complicated local visions of art and society

Earl K. Long Michael L. Kurtz, Morgan D. Peoples, 1991-12-01 In a region famous for its flamboyant politicians Earl K Long was one of the most flamboyant of them all This first full scale biography of the former Louisiana governor explores his controversial life style and his strong family ties his raw humor and his political savvy his abuse of power and his accomplishments in the areas of civil rights and public services Michael L Kurtz and Morgan D Peoples provide new information from recently declassified FBI files concerning Earl's ties with organized crime figures give the first comprehensive account of his stays in mental institutions in 1959 and offer factual information about his notorious relationship with the stripper Blaze Star Based on more than two decades of research in a variety of sources this important biography fills a serious gap in the history of modern Louisiana politics

Critiquing the Sitcom Joanne Morreale, 2002-12-01 This is the first anthology that examines the TV sitcom in terms of its treatment of gender family class race and ethnic issues The selections range from early shows such as *I Remember Mama* George Lipsitz's *Why Remember Mama* The Changing Face of a Woman's Narrative to the more recent Roseanne Kathleen Rowe Karlyn's *Roseanne* Unruly Woman as a Domestic Goddess The volume also looks unflinchingly at major controversies for example the NAACP boycott of the stereotypical yet wildly popular *Amos n Andy* and the queer reading of *Laverne and Shirley* These diverse essays constitute a veritable history of postwar American mores Some are classic some forgotten but all indicate the importance of considering text and subtext social historic industrial in the critical study of television A final chapter by Joanne Morreale bids sitcoms adieu with the cultural spectacle of *Seinfeld*'s last episode

The Kingfish in Fiction Keith Perry, 2004-06-01 The controversial almost mythic Louisiana politician Huey P Long inspired not just one but six American novels published between 1934 and 1946 And he continues to resonate in American cultural memory appearing in a 1995 work of historical fiction *The Kingfish in Fiction* offers the first study of all six Hueys who aren't Hueys as they strut and

bluster their way across the literary page each character with his own particular story each towing a different authorial agenda Keith Perry carefully dissects the intertwining of documented history and artistic invention in Sinclair Lewis's *It Can't Happen Here* Hamilton Basso's *Cinnamon Seed and Sun in Capricorn* John Dos Passos's *Number One* Adria Locke Langley's *A Lion Is in the Streets* and Robert Penn Warren's *All the King's Men* Perry explains that Lewis cast his version of the Kingfish as a totalitarian menace a sort of homegrown Hitler in what Lewis later admitted was an unapologetic attempt to sabotage Long's designs on the White House Basso one of Long's most vocal detractors created two Long based characters each a rabble rousing affront to what remained of the Old South order To warn readers of the dangers hidden in the politician constituent contract Dos Passos transformed Long into a shameless manipulator of the gullible American masses Langley's rendition suffers complete condemnation by its creator for personal as well as public transgressions Warren's spellbinding Willie Stark almost as much philosopher as politician ironically bears the least resemblance to Long though for almost six decades Stark has been Long's best known fictional embodiment Exploring how and why these five authors among them a Nobel laureate one of America's most celebrated political novelists and a two time Pulitzer Prize winner turned one politician into six fictional characters leads Perry to conclude that Huey P Long's lasting impression may well be a composite of both historical and imaginative interpretation

Honey, I'm Home! Gerard Jones, 1993-03-15 Gerard Jones's *Honey I'm Home* has been widely acclaimed as the premier primer on America's Morality Plays the TV situation comedies that have chained us to our Barcaloungers ever since Lucy first bawled her way into our hearts Recalling the best and worst the sitcoms have had to offer Jones recreates their atmosphere and their times with wisdom and style paralleling the memory lane trip is his shrewd and provocative assessment of the sitcom's influence on modern society From *Farther Knows Best* to *Married with Children* from the empty calories of *The Brady Bunch* to the social commentary of *All in the Family* *Honey I'm Home* is a connoisseur's guide to the sitcom world where everybody knows your name and any problem can be solved in twenty two minutes plus commercials

Blacks on Television George H. Hill, Sylvia Saverson Hill, 1985 No descriptive material is available for this title

Louisiana History Florence M. Jumonville, 2002-08-30 From the accounts of 18th century travelers to the interpretations of 21st century historians Jumonville lists more than 6 800 books chapters articles theses dissertations and government documents that describe the rich history of America's 18th state Here are references to sources on the Louisiana Purchase the Battle of New Orleans Carnival and Cajuns Less explored topics such as the rebellion of 1768 the changing roles of women and civic development are also covered It is a sweeping guide to the publications that best illuminate the land the people and the multifaceted history of the Pelican State Arranged according to discipline and time period chapters cover such topics as the environment the Civil War and Reconstruction social and cultural history the people of Louisiana local parish and sectional histories and New Orleans It also lists major historical sites and repositories of primary materials As the only comprehensive bibliography of the secondary sources about the state *Louisiana History R* is

an invaluable resource for scholars and researchers **St. Landry Parish** Philip Andrepont, Patrick Morrow, and Warren A. Perrin, 2013 In St Landry Parish Native American European African and Acadian cultures have melded for three centuries to produce zydeco music great food and welcoming people St Landry Parish one of the oldest European settlements in Louisiana has a fascinating history and culture By the 15th century the Appaloussa Indians were known to be in residence In 1720 the French established le Poste des Opelousas Traditionally an area of settlement by French Creoles and Acadians the parish was named for St Landry an early bishop of Paris In the late 1700s les gens de couleur libres free people of color began arriving to take advantage of Spanish land grants Soon the government post developed into a commercial center In the present day parish Native American European African and Acadian cultures have melded for almost three centuries to produce world famous zydeco music great food and welcoming people It celebrates its heritage at the Creole Heritage Folklife Center one of the destinations on the Louisiana African American Heritage Trail American Populist Thomas E. Patterson, 2025-02-14 Thomas E Patterson's monumental biography of Huey Long is a profound reevaluation of his life and legacy recognizing him as an inspirational progressive thinker populist hero and radical influence on the New Deal before an assassin's bullet ended his life in 1935 First as governor and then as U S senator Long transformed the politics of Louisiana by standing for the interests of citizens whom state officials had historically ignored He eased suffrage restrictions so that more people could vote and voters endorsed his program of more robust government services and shifting the tax burden to those better able to pay In the United States Senate during the darkest days of the Great Depression he advocated loudly and ceaselessly for the redistribution of wealth expanding public works increasing the money supply insuring bank deposits paying old age pensions and veterans benefits delivering a minimum income for families and funding college and vocational education President Franklin D Roosevelt along with other politicians and pundits dismissed Long's proposals as nonsense put forth by a reckless demagogue in search of votes Despite several biographies acclaimed novels and historical studies in the years since Long's death his reputation today is mostly caricature a spellbinding speaker a dictator a populist firebrand who was unprincipled and corrupt Using previously untapped personal papers of Long and his son Russell other primary sources recent scholarship and his experience as a lawyer Patterson provides a necessary corrective as he analyzes the contours of Long's career deconstructs the elements of his success undercuts several myths related to his time in office and explains the circumstances that led to his ultimate downfall The result is the most comprehensive balanced and analytical study of the Kingfish to date

On the Real Side Mel Watkins, 1999-05-01 This comprehensive history of black humor sets it in the context of American popular culture Blackface minstrelsy Stepin Fetchit and the Amos n Andy show presented a distorted picture of African Americans this book contrasts this image with the authentic underground humor of African Americans found in folktales race records and all black shows and films After generations of stereotypes the underground humor finally emerged before the American public with Richard Pryor in the 1970s But Pryor was not the first popular comic to present authentically black

humor Watkins offers surprising reassessments of such seminal figures as Fetchit Bert Williams Moms Mabley and Redd Foxx looking at how they paved the way for contemporary comics such as Whoopi Goldberg Eddie Murphy and Bill Cosby

Survival of the Richest Donald Jeffries, 2017-07-04 Survival of the Richest is a fantastically well researched book and should join Robert Reich and Barbara Ehrenreich on the must read bookshelf on wealth disparity Dr Naomi Wolf CEO Dailyclout io A fresh look at economic inequality in America Survival of the Richest scrutinizes how the collective wealth of America has been channeled from the poor and middle class into the hands of a few elitists American industry has been gutted with wages and benefits stagnant or reduced thanks to a disastrous trade deals outsourcing and the crippling of unions The Occupy Wall Street movement and the presidential campaigns of both Bernie Sanders and Donald Trump reveals how more and more people who are struggling understand that the system is rigged against them While Americans have been trained to direct their scorn at welfare recipients and the poor in general a tiny handful of plutocratic elites have profited on an unfathomable scale through corporate welfare and other perks Unimaginable salaries and bonuses for the One Percent contrasted by layoffs and reduced pay for the majority of the workforce along with increasing calls for austerity measures and lowered standards of living has become the new normal in America Donald Jeffries argues that this record economic inequality is more than an unintended consequence of globalism In Survival of the Richest he shows how the consolidation of wealth may well prove to be the greatest conspiracy of all

New Orleans' Charity Hospital John E. Salvaggio, 1992-11-01 For more than 250 years New Orleans Charity Hospital has struggled to serve the city's indigent ill and in so doing has become an institution steeped in Louisiana history and politics In this fascinating new book John Salvaggio traces the colorful history of Charity Hospital from the early days of French colonial medicine through the Spanish period the early American years the volatile Huey Long and World War II eras and the modern postwar period Established in 1736 with the legacy of a compassionate French ship builder Charity Hospital has weathered many storms to maintain its status as the oldest continually operating hospital in the United States It has withstood the transfer of Louisiana territory from the French to the Spanish and survived devastating hurricanes and a fire The institution has also endured the stormy beginnings of Louisiana statehood the hardships of the Civil War and more recently the stresses of caring for an ever expanding patient load Throughout much of its history Charity Hospital has encountered political squabbles patronage problems and financial woes As a new century approaches the hospital finds its future threatened by inadequate funding and the crumbling of its physical facilities Despite many setbacks Charity Hospital has accomplished much in its history Salvaggio presents a summary of the many medical procedures diagnostic techniques and therapeutic innovations that have been introduced at the Big Free as the hospital is popularly known He also provides previously unchronicled information on the hospital's history during the twentieth century writing about political infighting during the governorship of Huey P Long construction of a new hospital building in the 1930s integration of the hospital in the 1960s its relationships with the medical schools of Louisiana

State University and Tulane University and the current frustrating attempts to adequately staff the institution Interviews with many of Charity s past directors and others associated with the hospital as well as lively anecdotes from the author s own experience bring the hospital s history to life and provide valuable insight into the institution s inner workings These reminiscences coupled with Salvaggio s depiction of Charity s past present and now questionable future make this a fascinating and informative work on an important hospital of the South *Forthcoming Books* Rose Arny,1987

Terrorism Yonah Alexander,1991 The Day Huey Long was Shot, September 8, 1935 David H. Zinman,1993
