Rescuing The Czar:

Rescuing the Czar James P. SMYTHE (pseud. [i.e. William Rutledge MacGarry.]), William Rutledge MacGarry, 1920

Rescuing the Czar James P. Smythe, 2016-04-07 from monarchical institutions to theoretical republics or pseudo democracies and it imparts a touch of pathos to the lingering hope of Royalty that humanity may some day welcome its return to reverence and power It forms the superstructure on which the crumbling column of aristocracy sustains its capital pretensions amid the ruins of privileged exemption from the universal law of change Consequently the reader will not be surprised nor much alarmed when encountering its subterranean methods depicted in these pages They will merely fortify the accepted impression among students of events that when Time binds up the wounds of Revolutionary Russia the world will discover an Agrarian Democracy instead of a Soviet Communism **Rescuing the Czar** James P. Smythe, 2006-05-01

Rescuing the Czar James P. Smythe, 1920 *Rescuing the Czar Two Authentic Diaries Arranged and Translated* James P. Smythe, 2004 Rescuing the Czar James P. Smythe, 2017-12-15 Excerpt from *Rescuing the Czar Two Authentic Diaries Arranged and Translated* *Rescuing the Czar* Yet it does not conceal a fundamental inclination to sympathize with every rank that suffers in this onward sweep of power Royalty and Rags throughout these pages find many mourners over the sacrifices each has made to reconcile the eternal conflict between poverty and pomp In the abysmal void between the disappearing star and the aspiring glow worm men tramp upon there seems to be sufficient latitude for the play of gratitude or grief A Napoleon exiled by the French or a Ney shot down by Frenchmen is unthinkable today In like manner when the revolutionary passions of Russia have subsided there may be men and women of the humblest estate who will wonder how it happened that their Emperor whose darkest sin apparently was loyalty to Russia could have been murdered by their countrymen in cold blood About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Rescuing the Czar James P. Smythe, 1920 The Plots to Rescue the Tsar Shay McNeal, 2002 A reappraisal of one of the most memorable events of 20th century history Using such sources as recently declassified intelligence files and new scientific analysis the author examines the disappearance of the Russian imperial family in 1917 challenging the accepted theories of their fate Rescuing the Czar James P. Smythe, 2008-12 Is the former Czar and his Imperial family still alive There are millions of people in Europe and America who are asking this question European governments have considered the question of sufficient interest to justify the investigation by official bodies of the alleged extinction of this ancient Royal Line Millions have been expended for that purpose

Commissions have pretended to investigate the subject after the event Volumes have been returned of a speculative nature to authenticate a mysterious disappearance that has never been explained *Rescuing the Czar; Two Authentic Diaries Arranged and Tr* James P.
