Riding To The Tigris:

Riding to the Tigris Freya Stark, 1960 This is the author's story of a horseback trek across the high Turkish plateau and on to the Tigris River. She traveled alone except for muleteers provided by the Turkish government. Her travels also included chance companions: a young schoolmaster and his violin, a jester with his mad son, and an occasional police escort. **Riding**

the Tiger John Seidensticker, Peter Jackson, Sarah Christie, 1999-02-08 Beauty, grace, and power make the tiger one of the world's most loved animals, yet it is precisely these qualities that have been its downfall. Poaching for skins and body parts, loss of habitat and prey, and conflicts between people and wild tigers have caused catastrophic declines in tiger numbers throughout their range. If wild tigers are to survive through the next century, we must act now. *Riding the Tiger* is a comprehensive scientific and eminently readable account of the problems and possible solutions of securing a future for wild tigers. Lavishly illustrated in full colour, it is written by leading conservationists working throughout Asia. It is a vital information resource for tiger conservationists in the field, necessary reading for serious students of carnivore conservation, and conservation biologists in general, and an accessible overview of tiger conservation for general readers. **The Tao of**

Travel Paul Theroux, 2011-05-19 The acclaimed author explores the greatest travel writing by literary adventurers from Freya Stark and James Baldwin to Nabokov and Hemmingway. Paul Theroux celebrates fifty years of wandering the globe with this meditative journey through the books that shaped him as a reader and traveler. Part philosophical guide, part miscellany, part reminiscence, *The Tao of Travel* enumerates the contents of some travelers' bags and exposes writers who wrote about places they never visited. Tracks extreme journeys in travel as an ordeal and highlights some of travelers' favorite places. Excerpts from the best of Theroux's own work are interspersed with selections from travelers both familiar and unexpected, including J.R.R. Tolkien, Samuel Johnson, Eudora Welty, Evelyn Waugh, Isak Dinesen, Charles Dickens, Henry David Thoreau, Pico Iyer, Mark Twain, Anton Chekhov, Bruce Chatwin, John McPhee, Peter Matthiessen, Graham Greene, Paul Bowles, and many more. Anderson's Travel Companion Compiled by Sarah Anderson, 2016-12-05 A selection of the best in

travel writing, with both fiction and non-fiction presented together, this companion is for all those who like travelling, like to think about travelling, and who take an interest in their destination. It covers guidebooks as well as books about food, history, art, and architecture, religion, outdoor activities, illustrated books, autobiographies, biographies, and fiction, and lists books both in and out of print. Anderson's *Travel Companion* is arranged first by continent, then alphabetically by country, and then by subject, cross-referenced where necessary. There is a separate section for guidebooks and comprehensive indexes. Sarah Anderson founded the Travel Bookshop in 1979 and is also a journalist and writer on travel subjects. She is known by well-known travel writers such as Michael Palin and Colin Thubron. Michael Palin chose her bookshop as his favourite shop, and Colin Thubron and Geoffrey Moorhouse among others made suggestions for titles to include in the *Travel Companion*.

where even outcasts and captives can achieve salvation through Crusade This in turn underlies the value of the Cycle as a recruiting and propaganda tool The trilogy gives a window onto the chivalric preoccupations of thirteenth century France exploring concerns about status heroism and defeat It portrays the material realities of the era in vivid detail the minutiae of combat smoke filled halls feasts prisons and more And the two newly translated poems are highly entertaining as well featuring a lubricious Saracen lady not in the first flush of youth a dragon inhabited by a devil marauding monkeys miracles and much more The historian will find little new about the Crusade itself but abundant material on how it was perceived portrayed and performed The translation is accompanied by an introduction examining the origins of the two poems and their wider place in the cycle It is supported by extensive footnotes a comprehensive index of names and places and translations of the main variants
