Ring Of Gold:

The Archaeology of Contextual Meanings Ian Hodder, 1987-08-06 This companion volume to *Archaeology as Long term History* focuses on the symbolism of artefacts. It seeks at once to refine the theory and method relating to interpretation and show with examples how to conduct this sort of archaeological work. Some contributors work with the material culture of modern times or the historic period, areas in which the symbolism of mute artefacts has traditionally been thought most accessible. However, the book also contains a good number of applications in prehistory to demonstrate the feasibility of symbolic interpretation where good contextual data survive from the distant past. In relation to wider debates within the social sciences, the volume is characterised by a concern to place abstract symbolic codes within their historical context and within the contexts of social actions. In this respect, it develops further some of the ideas presented in *Dr Hodder's Symbolic and Structural Archaeology*, an earlier volume in this series.

Easy Beading Vol. 4 Editors of *Bead&Button Magazine*, 2012-11-19 *Easy Beading Vol 4* presents the best projects from the fourth year of *BeadStyle* magazine. Roughead, 2021-11-09 In William Roughead's *The Trial of Oscar Slater*, readers are taken on a captivating journey through one of the most infamous criminal cases in Scottish history. Roughead meticulously details the trial of Oscar Slater, a German immigrant wrongly accused of murder in early 20th century Glasgow. Through his precise recounting of the trial proceedings, Roughead skillfully captures the tension and drama that unfolded in the courtroom, making the reader feel as though they are witnessing the trial firsthand. This true crime book is rich in historical context, shedding light on the legal system and societal attitudes of the time. Roughead's writing is both informative and engaging, making this book a must-read for true crime enthusiasts and history buffs alike. William Roughead, a respected Scottish lawyer and renowned true crime writer, brings his legal expertise and passion for justice to *The Trial of Oscar Slater*. His dedication to uncovering the truth behind Slater's wrongful conviction is evident throughout the book, providing readers with a thorough analysis of the case. Roughead's meticulous research and attention to detail make this book a valuable contribution to the true crime genre. I highly recommend *The Trial of Oscar Slater* to readers interested in delving into the complexities of the criminal justice system and exploring compelling true crime narratives.
