Lookin Good:

Lookin' Good Roz Lee, 2017-06-02 It's Friday night and hardworking cowboys and ranchers from all around Ft Worth come to The Lone Star for a cold brew and someone warm to dance with Lucky for them one table is always reserved for Bailey Rose and her friends who come there to unwind and maybe to get wound up by a good looking guy with a big smile and bigger rodeo buckle I wish I had never told Travis my deepest darkest secret that I like to watch I should have known he would want to give me my heart's desire I love him more than anything but I hate him for using my weakness to try to win me back Moreover I hate myself for not being able to turn down the gifts he brings me Bailey Rose **Make God Look Good** H. Vonzell Castilla, 2015-08-04 You're prepared to teach your Sunday School class or lead Bible Study when out of the blue someone asks the dreaded question everyone seems to ask at some point What on Earth am I here for Wow so much for lesson preparation Considering the extensive teaching and preaching on calling and purpose these days you'd think answering such a question would be a slam dunk Think again Most believers don't have a clue as to how to answer that question or its companion inquiry What on Earth am I supposed to be doing This uplifting book taps the ultimate resource of the Word of God to provide compelling answers to these questions and more With a unique blend of lively narrative entertaining stories and theological discussions the author challenges and inspires readers to fulfill their true purpose to MAKE GOD LOOK GOOD Soldiers Made Me Look Good Lewis MacKenzie, 2008 A riveting follow up to the best selling Peacekeeper including MacKenzie's provocative views on leadership and the current state of the Canadian Armed Forces Since retiring from the Armed Forces Lewis MacKenzie has not stayed out of the spotlight but continues to speak his mind In this straight talking memoir he traces his post military career as an international commentator on military affairs a consultant to the Irish government and a federal political candidate And here he answers his critics including journalist Carol Off for her criticism of his handling of the UN mission in Bosnia In a hard hitting chapter he discusses his professional disagreement with the leadership priorities demonstrated by Romeo Dallaire in the early hours of the Rwandan genocide He continues his story to the present to the first real litmus test for NATO Afghanistan Divided into two parts pre 1993 when MacKenzie calls himself a Cold War grunt and post 1993 after his controversial stint in Bosnia Soldiers Made Me Look Good is laced with anecdotes both funny and profound It concludes with ten pointers on leadership in which Lewis MacKenzie shares hard earned insights from a life on the front lines We Made 'Em Look Good Art Crews, Judy Burleigh-Crews, 2014-05-21 The story told by Art Crews through Judy Burleigh Crews occurred more than twenty years ago but is a gut wrenching story by one who was in the world of professional wrestling in its heyday Art is brutally honest and gets down and dirty about happenings in professional wrestling and his wrestling career He takes you to his dreams of becoming a professional wrestler and concludes with a very heart tugging ending He dispels much of the kayfabe which was cardinal to all in the profession He recalls distrustful prevalent jealousy and goes into detail about the sickness that affected

many wrestlers From the young boy from Kansas a poignant story emerges that speaks volumes for countless wrestlers himself included who didnt make it to the apex of stardom Throughout the book are amusing anecdotes and also lamentations of deaths of wrestling friends Art also shares a barrage of never before published personal photographs along with numerous others taken by his coauthor

Look Good, Feel Good, and Be Healthy: Top 10 Superfoods You Should Be Eating Right Now! Rachel Reyes, 2015-01-28 I'm pretty sure you're familiar with the adage A minute on the lips forever on the hips That quote always kept running in my mind every time

I savored and enjoyed a delicious meal To rub out the feelings of guilt I always made it a point to burn most of the calories I consumed by going to the gym and follow a detoxing program Don t get me wrong there s nothing wrong with eating per se However it s quite scary to think that most foods that are served to us every day are foods that are laden with fat salt sugar preservatives and are oftentimes lacking in vitamins and nutrients that are essential to the body s needs not to mention the pesticides that are sprayed on vegetables and fruits The sad truth is that the food and agricultural industry were able to manipulate the taste and look of food by incorporating additives and flavor enhancers to make it more appealing to the public However consuming these enhanced foods everyday might pose dangers to our health Not having the conscious effort of eating healthy food and having poor eating habits a diet that contains too much cholesterol trans fat saturated fats and sugar could cause deadly diseases In fact according to statistics the top leading causes of death worldwide are non communicable diseases which are one way or the other related to unhealthy eating
