Demons of the Past H.B. Lyne, 1900 Past whispers Future trembles Will unmasking their demons save or shatter them Stalker a fierce young shifter grapples with mounting responsibilities safeguarding her territory managing her human job navigating a budding romance and above all unmasking the sinister cultist lurking in the shadows The winter since their victory over the Plague Doctor has been a quiet one providing a semblance of routine and stability Yet beneath the calm Stalker harbours a secret that could shatter their hard earned peace For pack Alpha Fights Eyes Open maintaining balance is a relentless task Despite the calm he is aware that their feud with The Witches still smoulders the embers of old grievances poised to ignite anew His worst fears come to pass when a brutal attack fractures his human family upending the equilibrium he had so carefully nurtured Thrust into a desperate quest for answers the pack plunges into the murkiest corners of their territory's history Consequently Stalker is faced with the gravest conflict of her shifter life As she wrestles with profound questions of identity and loyalty she must decide who can she trust How long can she conceal the truth from her shifter family And in the internal power struggle within the pack who will come out on top Demons of the Past is a gripping dark urban fantasy thriller that will challenge your perceptions and leave you on the edge of your seat Beneath the bonds of loyalty lie secrets deception and betrayal Dive into Demons of the Past today to uncover the truth

Old Maps and Their Makers Considered from the Historical & Decorative Standpoints Louis Arthur Holman, 1925

Look Out Edward McPherson, 2025-10-21 A charming idiosyncratic meditation on the human urge to see further and more in this cultural history of the aerial view McPherson makes an elliptical and enchanting case for reinserting wherever possible the ground level human perspective Redolent with insights into the ethical quandary of history making as well as the author's own sense of awe at the full sweep of the human story this is a wonder Publishers Weekly starred review As if Borges and Didion took a tour with Sebald through the beauty and terror of our present and past Look Out is a profound and prismatic investigation of taking the long view Look Out is an exploration of long distance mapping aerial photography and top down and far ranging perspectives from pre Civil War America to our vexed modern times of drone warfare hyper surveillance at home and abroad and quarantine and protest Blending history reporting personal

experience and accounts of activists programmers spies astronauts artists inventors and dreamers Edward McPherson reveals that to see is to control and the stakes are high for everyone The aerial view a position known in Greek as the catasopos or the looker down is a fundamentally privileged perspective inaccessible to those left on the ground To the earthbound in sights from such rarified heights convey power and authority McPherson casts light on our fetishization of distance as a path to truth and considers the awe and apocalypse of taking the long view **The Key to the Map** Bruce Chudacoff,2016-05-13 A squad of terrorists eagerly waits in a small Jerusalem home at midnight Their mission is to plant a radioactive device under the Temple Mount and cause catastrophic damage to the Dome of the Rock which will be blamed on the Israelis igniting the final struggle for dominance and control over the Holy Land Across the sea in Rome Jake Greene a retired Homeland Security operations executive and his daughter Rebecca Gould an anthropologist stumble upon an antique map and a strange medallion They are immediately thrust into a world of ancient secrets modern warfare and government conspiracy As they begin to decipher the mysteries surrounding these objects they meet and join forces with David Robinson whose family is sworn to help someone who will one day appear to him holding the medallion They are caught up in a thrilling search for the lost Ark of the Covenant They must find a way to foil the terrorists find the Ark and conceal it from a world not yet ready for its discovery **Historical Maps of the Ancient World** Ed DeHoratius,2011 **The Story of Xinjiang Revealed through Old Maps (1759-1912)** Wang Yao,2021-08-18 Xinjiang named in 1759 by Emperor Qianlong 1711 1799 of the Manchu led Qing dynasty of China was ruled by the Qing from the final phase of the Dzungar Qing Wars when the Dzungar Khanate was conquered and lasted until the fall of the imperial dynasty in 1912 Based on rare ancient maps and historical archives the book tells stories of Xinjiang during the Qing It involves Emperor Qianlong Fragrant concubine xiangfei Uyghur concubine married with Emperor Qianlong Lady Catherine the wife of the British consul general in Kashgar at the end of the 19th century and lived in Xinjiang for nearly two decades Swedish missionaries persisted in spreading Christianity for 38 years among Uyghurs who believed in Islam Guan Gong temples the belief in Lord Guan a religious tradition of the Han and Manchus and so on The Missing Ones Dan Pontbriand,2012 The Missing Ones is a true account of the disappearance of Blanche and Russell Warren The young hardworking couple disappeared seemingly without a trace while driving a 1927 Chevy sedan from Port Angeles Washington to their cabin at near the town of Forks Washington At the cabin eagerly awaiting their arrival were their two young sons age eleven and thirteen An investigation by the sheriff s department in 1929 failed to find the Warrens However evidence collected by investigators suggested that they may have driven into Lake Crescent The case was largely forgotten until 1954 when a local upstart scuba diving club stumbled upon the story They passed the story on to National Park divers stationed at Olympic National Park in 2001 This is the story of how the Warrens disappeared into mysterious Lake Crescent what happened during the 1929 investigation how the dive club found the story and what they did to help solve the case and finally how the park rangers solved the case Geography Fun
