Lorca The Gay Imagination:

Lorca Paul Binding,1985 The first book length publication to examine Lorcass writing specifically from the standpoint of his sexuality Federico Garcia Lorca and the Culture of Male Homosexuality Ángel Sahuquillo,2007-05-31 Spain in the twentieth century gave birth to an array of astounding artistic and literary talent including the passionately iconoclastic writer Federico Garcia Lorca But his works were ill received in the homophobic atmosphere of institutionalized Spanish criticism Because of this atmosphere even today s critics have effectively marginalized and disavowed intimations of homo affectivity and homoeroticism in the great Spanish works This book first appeared in Spain in 1991 as counter discourse against those prevailing ideological structures Before its appearance no significant work had focused on the position of Spanish culture towards homosexuality or on how homosexuality could affect the works of canonical writers Engaging with homosexuality as an imperative source of meaning in artistic work this volume rigorously studies the works of Federico Garcia Lorca and several of his marginalized homosexual contemporaries including Emilio Prados Luis Cernuda Juan Gil Albert and Salvador Dali The study relies on the textual evidence presented by these authors to define the homosexual culture as one plagued by the realities of rejection fear of the law self doubts the lack of an authorized language with which to convey emotions the awareness of disgust around the individual the need to accept marginality to find sexual or emotional satisfaction and the knowledge of one s own social divergence all of which have an enormous influence on any artist s work With this new and updated translation this work offers English speaking readers the opportunity to focus on formal aspects of literary expressions of homosexuality *A Companion to Federico García Lorca* Federico Bonaddio,2007 Lorca icon and polymath in all his manifestations **The Theatre of García Lorca** Paul Julian Smith,1998-05-28 A study of the plays of Garc a Lorca the greatest Spanish dramatist of the twentieth century **Queer Rebels** Łukasz Smuga,2022-01-31 Queer Rebels is a study of gay narrative writings published in Spain at the turn of the 20th century The book scrutinises the ways in which the literary production of contemporary Spanish gay authors Jos Luis de Juan Luis G Mart n Juan Gil Albert Juan Goytisolo Eduardo Mendicutti Luis Antonio de Villena and Ivaro Pombo engages with homophobic and homophile discourses as well as with the vernacular and international literary legacy The first part revolves around the metaphor of a rebellious scribe who queers literary tradition by clandestinely weaving changes into copies of the books he makes This subversive writing act named Mazuf s gesture after the protagonist of Jos Luis de Juan s This Breathing World 1999 is examined in four highly intertextual works by other writers The second part of the book explores Luis Antonio de Villena and Ivaro Pombo who in their different ways seek to coin their own definitions of homosexual experience in opposition both to the homophobic discourses of the past and to the homonormative regimes of the commercialised and trivialised gay culture of today In their novels Mazuf s gesture involves playing a sophisticated queer game with readers and their expectations *Lorca's Legacy* Jonathan Mayhew,2018-05-15 In Lorca s Legacy Jonathan Mayhew explores multiple aspects of the creative and critical

afterlife of Federico García Lorca the most internationally recognized Spanish poet and playwright of the twentieth century Lorca is an iconic and charismatic figure who has evoked the admiration and fascination of musicians poets painters and playwrights across the world since his tragic assassination by right wing forces in 1936 at the onset of the Spanish Civil War This volume ranges widely discussing his influence on American theater his much debated lecture on the duende his delayed encounter with queer theory his influence on contemporary Spanish poetry and other relevant topics The critical literature on Lorca is vast and original contributions are comparatively rare but Mayhew has found a way to shed fresh light on his legacy by looking with a critical eye at the creative transformations of his life and work both in Spain and abroad Lorca's Legacy celebrates the wealth of material inspired by Lorca bringing to bear a sophisticated theoretically informed critical perspective This book will be of enormous interest to anyone interested in the international projection of Spanish literature or anyone who has felt the fascination of Lorca's duende Gay and Lesbian Literary Heritage Claude J.

Summers, 2014-02-25 The revised edition of The Gay and Lesbian Literary Heritage is a reader's companion to this impressive body of work It provides overviews of gay and lesbian presence in a variety of literatures and historical periods in depth critical essays on major gay and lesbian authors in world literature and briefer treatments of other topics and figures important in appreciating the rich and varied gay and lesbian literary traditions Included are nearly 400 alphabetically arranged articles by more than 175 scholars from around the world New articles in this volume feature authors such as Michael Cunningham Tony Kushner Anne Lister Kate Millet Jan Morris Terrence McNally and Sarah Waters essays on topics such as Comedy of Manners and Autobiography and overviews of Danish Norwegian Philippines and Swedish literatures as well as updated and revised articles and bibliographies **Routledge Revivals: Homosexuality: A Research Guide**

(1987) Wayne R. Dynes, 2017-02-17 First published in 1987 this book encompasses a broad range interdisciplinary research into homosexuality displaying a full spectrum of points of view and given that the major traditions of modern homosexual research began in Europe is not restricted to works in English In general topics that are densely covered in the literature are presented in this guide selectively with some less studied topics such as Economics and Music fleshed out with signposts to more comprehensive research It seeks to not only mirror existing publications but also to stimulate new work by pinpointing neglected themes and methods This book will be of interest to students of sociology Blood Wedding Federico García

Lorca, Gwynne Edwards, 2020-02-27 Blood Wedding is set in a village community in Lorca's Andalusia and tells the story of a couple drawn irresistibly together in the face of an arranged marriage This tragic and poetic play is the work on which his international reputation was founded Like many of Lorca's passionate and intensely lyrical plays that focus on peasant life and the forces of nature Blood Wedding combines innovative dramatic technique with Spanish popular tradition Methuen Drama Student Editions are expertly annotated texts of a wide range of plays from the modern and classic repertoires As well as the complete text of the play itself the volume contains a chronology of the playwright's life and work an introduction

giving the background to the play a discussion of the various interpretations notes on individual words and phrases in the text and questions for further study *Federico García Lorca* Simon Breden, 2024-08-26 Lauded as one of the most important poets and playwrights of the twentieth century Federico García Lorca was also an accomplished theatre director with a clear process and philosophy of how drama should be staged Directing both his own work and that of others Lorca was also closely involved in the rehearsals for productions of many of his plays and from his own writings and those of his collaborators a determined agenda to stimulate audiences and renovate theatre can be seen This is the first book in English to fully consider Lorca as a director and his rehearsal methodology The book combines A biographical account of Lorca's work as a director and rehearsal leader revealing his techniques and methods of approach texts An exploration of his key writings on and around theatre drawing on his talks play introductions and some of the dramatic works themselves The first translation into English of his fragment *Dragón* A detailed discussion of Lorca's key productions Lope de Vega's *Fuenteovejuna* 1933 for La Barraca and his own *Yerma* 1934 Specific focus on the practical applications that we can draw from Lorca's methods both from what survives of his own work and from the accounts of his close collaborators As a first step towards critical understanding and as an initial exploration before going on to further primary research Routledge Performance Practitioners offer unbeatable value for today's student
