Campbell,Jeffrey L. Townsend,1992 Premillennialism is not a fundamental doctrine of evangelical faith For example the Bible certainly does not set it forth in the same unequivocal terms or give it the same central position that the deity of Christ the vicarious atonement or the second coming have Yet to many evangelicals premillennialism is not merely what the Bible teaches on some minor point It has a special significance of its own among the loci of Christian faith This view has increased immensely during the last century The cause of this relatively sudden shift toward premillennialism has never been adequately explained Several factors certainly influenced it such as the vastly increased depth of Bible study the hermeneutical shift in churchly interpretation with its emphasis on the natural meaning of a passage in the context of the history and culture in which it was first given and modern studies of the early church which seem to show it was not really amillennial but premillennial This book seeks to set forth in comprehensive fashion the biblical basis for premillennialism and its significance for evangelical faith *NLT Life Application Study Bible, Third Edition, Personal Size* Tyndale,2020-04-07 Winner of the 2020 Christian Book Award for Bible of the Year Trusted Treasured by Millions of Readers over 30 years the Life Application Study Bible Is Today's #1 Selling Study Bible and a Bible for All Times Now it has been thoroughly updated and expanded offering even more relevant insights for understanding and applying God's Word to everyday life in today's world Discover How You Can Apply the Bible to Your Life Today Now with a fresh two color interior design and meaningfully updated study notes and features this Bible will help you understand God's Word better than ever It answers questions that you may have about the text and provides you practical yet powerful ways to apply the Bible to your life every day Study the
