The Lords of Midnight Drew Wagar,2025-03-03 Based on Mike Singletons epic 1984 ZX Spectrum game this is a full length Tolkienesque novel written by best selling science fiction and fantasy author Drew Wagar Set in Mike Singleton s epic realm of Midnight this story brings to life the desperate struggle of the Free and the Fey against the evil Witchking Doomdark It is clearly written by someone who has actually played the game extensively and who understands the characters and their motivations Within the events of the novel most readers will probably recognize various tactics and stratagems that they themselves have employed The author also manages to successfully dovetail the two different ways to complete the game the roleplaying quest and the militaristic wargame campaign A masterful novelization You don t have to be a fan of the original game Lords of Midnight to appreciate and enjoy this book Considering the scale and scope of the original game an entire land locked in ice with dozens of castles and cities inhabited forests all being fought over in almost real time by multiple armies of a malevolent overload in true Tolkein fashion it s a minor miracle that the book is only 550 or so pages I devoured this book which brings to life the characters landscape and lore of Midnight perfectly Author Drew Wagar sets out an excellent storyline and plot which is a key challenge in itself given the open world nature of the game Wagar s story also brings to life the legendary characters of Midnight in a compelling and convincing manner This is a key storytelling challenge as the leading characters Luxor Morkin Rorthron and Doomdark have very close equivalents in Tolkein s masterpiece The Lord of the Rings The Lords of Midnight The land of Midnight was cursed into eternal winter many thousands of moons ago The survivors battle hardship famine and war even beating back Doomdark the Witchking in a battle that lives on in legend But now at the Winter Solstice neither the Lords of Midnight or the Fey of the Forest can resist his greatest weapon the ice fear Their only hope rests in ancient lore the myth of a long lost house and the legend of the Moonprince

Lord of the Shadows Darren Shan,2006 When Darren Shan returns home he is met by old enemies and scores to be settled and with destiny certain to destroy him the world seems doomed to fall to the Ruler of the Night
