Racial and Ethnic Disparities in Fertility and Assisted Reproduction Fady I. Sharara, David B. Seifer, 2025-08-25 When the first edition of this book was published in 2013 it was still controversial to many on whether or not true racial differences existed in the delivery of fertility care Since then much like the evolution of the acceptance of climate change it is now generally believed that not only are there differences but that there are real racial and ethnic disparities in access and treatment outcomes This second edition of *Racial and Ethnic Disparities in Fertility and Assisted Reproduction* documents our present understanding of the scope contributing causes and complexity of potential solutions for closing the racial ethnic disparity gap in using our most medically advanced assisted reproductive technologies to bring joy to those who wish to become parents Effort has been directed to developing a better understanding of how and why these disparities occur An expert assembly of key leaders in the field of reproductive medicine imparts insight and clinical experience to identify and analyze the possible causes of racial disparities infertility outcome This book is sure to distinguish itself as the definitive reference on racial and ethnic differences in assisted reproduction *Canadian Family Practice Guidelines* Jill C.

Cash, Cheryl A. Glass, Debbie Fraser, Lynn Corcoran, Margaret Edwards, 2019-08-15 Written specifically for the needs of family and adult nursing students medical students and primary care practitioners in Canada this gold standard reference of family practice in America named a 2013 Doody's core title and 1st place winner of the American Journal of Nursing book award in 2017 now provides current Canadian practice protocols for professional standards of care across the life span Guidelines are delivered in a user friendly step by step instructional style for physical exams and diagnostic testing results in SI units health maintenance recommendations approved by Health Canada care guidelines including Canadian drug names and dietary
