Meeks,2020-02-19 There is hope no matter what swirls around us God promises to be our perfect peace He assures us he is constantly with us strengthening and supporting us We must pray that God will help us to keep our eyes and focus on him not on the circumstances surrounding us We must ask him to help us grow and trust believing he is faithful to us Hope no matter what we face in this life we are never in the battle alone God goes before us he s with us every step and he leads the way ahead we must pray and we must stay alert in the dark world God will help us stand strong with him because there is hope in him Hope allow us to feel his presence coving us in all that we are up against There is hope in a lost child you must believe

Etched...Upon My Heart Jill Kelly,2013-01-22 Our lives are made up of moments Some we hope to remember forever and some we long to forget But it s the tapestry of these moments that come together to write the story God is telling through each of our lives In ETCHED UPON MY HEART Jill Kelly shares some of the unforgettable moments in her life some sorrowful others filled with joy as a living epistle to her daughters Kelly s raw and honest reflections provide encouragement and inspiration for women and mothers who long to pass on hard won knowledge of God s steadfast love and healing grace to their children As she writes God will break our hearts but He will hold the pieces He will cradle us and redeem every tear we cry Although great personal pain informs these pages Kelly s story is ultimately one of forgiveness reconciliation and hope Through the moments in time that Jill Kelly recounts you will recognize the daily reality and eternal value of God s plan for your own life

Dazzled Jess Echeverry,2020-07-16 Everyone needs to heal from something We all have brokenness Some of us don t even recognize our wounds for what they are the things we flaunt only hide what we fail to acknowledge When the wounds finally do get uncovered the pain intensifies and we want to get beyond the discomfort as soon as possible We desire to live a normal happy life and not to be held captive by our past We re told forgiveness is the key Perhaps we know that already We may even believe it But do we know what perfect forgiveness actually is The world offers a version of forgiveness whose goal is to unload our burdens so we can feel better and move on Once we attain this level we re allowed to be happy But this book suggests something radically different the world s version of forgiveness is sadly incomplete It s unfinished Only through the transformative power of our wounds themselves can the fullness of perfect forgiveness be attained **The**
