Man With My Name:

"Why Ask My Name?" Adele Reinhartz, 1998-11-12 Unnamed characters such as Lot's wife Jephthah's daughter Pharaoh's baker and the witch of Endor are ubiquitous in the Hebrew Bible and appear in a wide variety of roles Adele Reinhartz here seeks to answer two principal questions first is there a poetics of anonymity and if so what are its contours Second how does anonymity affect the reader's response to and construction of unnamed biblical characters The author is especially interested in issues related to gender and class seeking to determine whether anonymity is more prominent among mothers wives daughters and servants than among fathers husbands sons and kings and whether the anonymity of female characters functions differently from that of male characters **My Name's Not Friday** Jon Walter, 2015-07-02 Samuel's an educated boy Been taught by a priest He was never supposed to be a slave He's a good boy too thoughtful and kind The type of boy who'd take the blame for something he didn't do if it meant he could save his brother So now they don't call him Samuel anymore And the sound of guns is getting ever closer Jon Walter's second novel is a beautiful and moving story about the power of belief and the strength of the human spirit set against the terrifying backdrop of the American Civil War **My Name Is Heretic** Bruce H. Bock, Gary M. Burge, Ajith Fernando, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning, Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context; Bridging Contexts, A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible; Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

God's Divine Plan for Humanity Vol. 1 Felix Wantang, 2023-01-31 This book is Volume 1 of God's Divine Plan for Humanity series. You are a very important part of God's divine plan for humanity. God wants to draw you closer to him and bring you to that place where you reach the full potential of your life far beyond your imaginable dreams. When you read this book, you will never look at your life and the world the same again; you will start to see the world and understand the Bible better than ever before. This book will take you to God's creative library, step by step, to unveil the mysteries of God's plan for humanity using the language of heaven. The knowledge you gather from this book will draw you closer to God, just like Abraham, Isaac, Jacob, Joseph, Moses, David, and Joshua, all used the secret of the language of heaven to draw closer to God and fearlessly fight the spiritual forces of this sinful world. Learn the hidden secrets of the supernatural language of heaven and see the world through the eyes of the author of life, Jesus Christ. When you look at the world, do you believe there is something seriously wrong with the whole system? Do you believe there is something not natural that for some inexplicable reason is holding humanity hostage? You can analyze it from all political angles, but the truth is the world is controlled by supernatural spiritual forces, and unless you understand what it is and how it operates, you will remain a slave to the system. The Bible teaches in Psalm 24:1-2 that God owns the world and everything in it. If God owns it all, then he is in absolute control, and God has the tools to set you free from the satanic forces of this sinful world. The battles we face in this world are not natural. Any attempt to use natural weapons to fight these battles is a big mistake; you cannot use natural weapons to fight a supernatural battle. When you believe the enemy and look at life through the eyes of the enemy, you become engulfed and enslaved by the enemy, but when you believe in Jesus and look at life through the eyes of Jesus, you will ultimately become united to Jesus. In life, what you believe determines what you see. The battle is in your mind. The choice is yours. In this world, you will have trouble, but take heart, I have overcome the world. John 16:33
