Murder of a Missing Man Arthur Chase, 2019-11-01 *Murder of a Missing Man* first published in 1934 as a Red Badge Book is a golden age murder mystery set largely aboard a passenger train traveling across southwestern America From the dustjacket In this new mystery the author develops an ingenious and original case in which the identity of the victim is as much a mystery as the identity of the murderer At the outset the reader is introduced to a highly dramatic tragedy in a fashionable New York hotel Pierre Leland notorious playboy and bon vivant is murdered The circumstances of the crime are revealed Next the scene shifts to a Pullman coach of a transcontinental express bound across the Texas deserts to California Another crime brutal and sinister is committed What is the connection between these two Who are the people on this train isolated from police machinery Characteristic of this popular author the incidents of this swift moving story are cleverly and vividly drawn There is a wealth of humor and satire in the depiction of the varied individuals that find themselves drawn together on that ill fated Pullman car There is too an abundance of thrills and a professionally neat puzzle to keep the reader constantly guessing
