not only mentoring that occurs within formal programs such as Big Brothers Big Sisters but also examines natural mentoring relationships that youth establish with adults outside of such programs Educational Leadership and Learning Sue Law,Derek Glover,2000-02-16 Educational leaders whether in schools colleges or higher education are challenged with steering unprecedented change educational management has never been more demanding Within the context of a new learning age and the Teacher Training Agency s National Standards this book explores many of the key issues facing those both aspiring to and already involved in leadership and management whether at middle or senior levels While focusing particularly on schools and colleges this book evaluates issues increasingly central to leadership in a variety of professional educational settings for example school improvement innovation teamwork organizational culture professional development motivation and the nature of leadership In identifying key concepts it scrutinizes possible management strategies within a changing policy context that is increasingly focused around standards accountability and reputation The book utilizes research evidence to illuminate the practices challenges and problems facing educationists and endeavours to overcome the perceived gap between practice and research to create an integrated approach to leadership and management development one which both supports and stimulates managers professional development aspirations *Practical Applications of Coaching and Mentoring in Dentistry* Janine Brooks,Helen Caton-Hughes,2021-06-01 PRACTICAL APPLICATIONS OF COACHING AND MENTORING IN DENTISTRY Provides an understanding of the theory of coaching and mentoring with practical applications within the field of dentistry Practical Applications of Coaching and Mentoring in Dentistry offers a comprehensive overview of the theory of coaching and mentoring as it applies to the field of dentistry The book includes practical case studies that demonstrate how dental professionals have implemented coaching and mentoring into their daily practice Grouped into themes such as remediation foundation training outreach training and specialist practice it also explains the coaching and mentoring techniques chosen and applied Core topics include A thorough introduction to the mechanics of mentoring The characteristics of typical mentors mentoring engagements and the different types of mentoring What mentoring can achieve An exploration of business coaching including the difference between mentoring and coaching Discussions of the various types of models used within mentoring and coaching Promoting the importance of coaching and mentoring Practical Applications of Coaching and Mentoring in Dentistry highlights the positive impact and benefits and is a valuable resource for dental professionals dental organisations and local dental committees **Register of Educational Research in the United Kingdom** National Foundation For Educational Research,2005-11-30 The latest volume of The Register of Educational Research in the United Kingdom lists the major research projects being undertaken in Britain during the latter months of 1994 the whole of 1995 and 1996 and the early months of 1997 The Management of Mentoring Derek Glover,George Mardle,1995 First Published in 1995 Routledge is an imprint of Taylor Francis an informa company *Directory of Organizations in Educational Management* ,1989 **The Glass Ceiling in Chinese and Indian**

Boardrooms Alice de Jonge, 2015-03-12 This book is about women directors in China and India The aim of the book is to understand more clearly where women are present on corporate boards and the reasons for their continued absence from most listed company boards The Glass Ceiling in Chinese and Indian Boardrooms is written at a time of increasing awareness particularly in Europe of the benefits of gender equity at the boardroom table and of the costs of women's continued exclusion from corporate decision making Norway's gender equity legislation has now been instrumental in ensuring that women occupy over 40% of all company board seats in that country France Italy and Spain are amongst those countries now following the same path towards equity But Asia in general and the world's two largest nations in particular still lag well behind In China while women enjoy greater social and economic equality than many of their sisters in other parts of Asia the male dominated nature of the Party state apparatus makes it unlikely that legislative change will be achieved any time soon In India while the country's 2013 Corporations Law now requires all major listed firms to have at least one woman director the real challenges for women are social and economic where much work remains to be done Based on detailed surveys of 1 000 key listed firms in India and China Provides results from empirical questionnaire surveys of key firms Analyses the importance of board diversity in a rapidly changing world and its significance for economic and environmental stability

figures e g mayors a bibliographic essay and a detailed index Sidebars are provided throughout and chapters conclude with References Further Readings and Cross References to related chapters as links in the e version This Guide is a valuable reference on the topics in urban politics and policy in the United States The thematic and narrative structure allows researchers to dip into a topic in urban politics for a deeper historical and comparative context than would be possible in either an A to Z encyclopedia entry or in an urban studies course text

Symbolic Management James Westphal,Sun Hyun Park,2020-04-01 The theory of symbolic management reveals a pervasive pattern of symbolic decoupling a separation between appearances and reality at every level of the governance system At each level the processes of governance are less efficient or effective than they appear from interpersonal relations within organizations such as those between CEOs and directors top managers and lower level employees to relations between firm leaders and external stakeholders such as journalists and security analysts There is even a separation between appearances and reality at the level of the governance system itself In this book James Westphal and Sun Hyun Park develop symbolic management into a major theoretical perspective on governance Not only does symbolic management provide a compelling behavioral alternative to economic perspectives such as agency theory but it subsumes economic theory Agency theory is reconceived as a historically contingent institutional logic that became taken for granted among corporate stakeholders for a period of time and eventually replaced by a new logic of governance Through a body of extensive empirical research Westphal and Park demonstrate how the symbolic management activities of firm leaders have contributed to this historical shift in prevailing logics of governance and present a warning to regulators investors and the general public

The Portable Mentor Mitchell J. Prinstein,2012-09-14 The ten year anniversary of the book offers an excellent opportunity to publish a second edition Several aspects of the book have evolved considerably since its first printing For instance substantial revision to the internship licensure and certification processes has occurred and are reflected in this resource Much of the literature on clinical psychology cultural sensitivity and the current job market is updated Changes in technology have large effects on teaching and practicing clinical psychology These modifications are needed to offer appropriate and updated information for students In short virtually every chapter has substantial modification to ensure that the material is accurate and up to date

Political

Management Jennifer Lees-Marshment, 2020-06-01 Political Management lays out the core tools to manage government campaigns and parties. The first book to combine management concepts with politics and government, it provides core theories for what Political Planning, Political HR, Political Organising, Political Leadership, and Political Reviewing involve, illustrated with high-level political practitioner interviews, examples, and political documents. The text presents the 4 Ds of Political Management: Deliberating, Designing, Doing, and Dancing, to convey that Political Management is more of a dance than a march. Even presidents and prime ministers do not have enough formal authority to control the myriad of practitioners, players, processes, and policies involved in 21st-century governance. In this book, the author demonstrates why political practitioners in campaign teams, parties, government departments, and political offices need political management tools to utilise the resources they have available and overcome multiple obstacles that practical politics presents. By offering a clear sense of what political management involves and providing the theoretical frameworks to be used in empirical research, this book will stimulate significant future study. It will be invaluable to practitioners, scholars, and students in politics, government, policy, leadership, management, public administration, and political management.

Improving Think Tank Management Raymond Struyk, 2015-05-05 Improving Think Tank Management: Practical Guidance for Think Tanks, Research Advocacy, NGOs, and Their Funders demonstrates that better management is possible, cost-effective, and rewarding for leaders and funders of think tanks. The book contains contemporary and actionable best practices, case studies, templates, and strategies used by real organizations to improve management. In this comprehensive guide, Raymond Struyk encourages think tank managers to make improvements to increase efficiency and guides them through lowering the costs of making those improvements. The examples shared confront specific issues managers often experience, such as difficulty motivating staff, controlling project costs, assisting project leaders, and becoming more efficient with fundraising.

Mentoring J. Cranwell-Ward, P. Bossons, S. Gover, 2004-04-30 In the last few years, there has been a big expansion in the range of applications of mentoring in business and in the scope of particular schemes in specific organizations. This book draws upon valuable case study material and includes advice on best practice from leading companies on setting up, running, and evaluating mentoring schemes. The book is an easy-access compendium of collected wisdom with a multitude of insights, ideas, and shared experience from the most successful and effective mentoring schemes.

The Mentor Connection Michael G. Zey, In this study based upon interviews with over 150 executives in Fortune 500 companies and smaller firms, Zey provides a major exploration of the sociological dynamics of the mentoring relationship, locating benefits of this phenomenon in career growth, job satisfaction, and social mobility. Zey offers a framework for the understanding of corporate culture, an approach that raises The Mentor Connection far beyond the usual self-help literature found in this field.
