Management Strategies In Disturbances With Gangs Disruptive Groups In Prisons

Laura Magnani, Harmon L. Wray

Management Strategies In Disturbances With Gangs Disruptive Groups In Prisons:

Management Strategies in Disturbances and with Gangs/disruptive Groups ,1992 In discussing the management of prison gangs and disruptive groups the manual advises that the strategy should be to respond to the specific nature of the problem Where gang activity is rare and a gang culture is not in place the transfer of gang members out of State may be an effective preventive mechanism Where gang membership is large but is only a small proportion of the inmate population effective control may be achieved by housing known gang members in separate facilities Where gangs are already entrenched in the institutional culture prisons must find strategies such as gang intelligence programs and prosecutorial units to lessen the impact of gang activities on the nongang inmate population and to reduce gang influence In examining institutional disturbances the manual addresses the causes of disturbances stages in the development of a major disturbance early warning systems the management of institutional disturbances specialized resources for institutional control and a return to normalcy A section on staff training discusses general legal considerations in training the role of the training academy versus the role of the institution training exercises and training for special units Other sections of the manual address post disturbance activities case studies and legal aspects of the management of prison gangs and disturbances

Management Strategies in Disturbances and with Gangs/disruptive Groups ,1992 **Management Strategies in Disturbances and with Gangs - Disruptive Groups (in Prisons)** DIANE Publishing Company,1994-11-01 Deals with prison disturbances and proactive management strategies and informed readiness that can reduce the potential damage of these disturbances Provides current information on how corrections departments might prepare themselves to deal with problems of both gangs and disturbances Includes the importance of training post disturbance activities case studies and legal aspects of managing prison gangs and disturbances *Beyond Prisons* Laura Magnani,Harmon L. Wray, The Society of Friends Quakers founded America s first penitentiary in the 1790s For more than forty years the American Friends Service Committee has worked with prisoners parolees and victims of crime seeking just alternatives to incarceration In *Beyond Prisons* the AFSC offers a powerful moral critique of the American criminal justice system and describes a new paradigm for dealing with criminals based on restorative justice and reconciliation The authors include a specific twelve point plan for immediate changes Book jacket **Annual Program Plan for Fiscal Year ...** National Institute of Corrections (U.S.),1992

The Oxford Handbook of Prisons and Imprisonment John D. Wooldredge,Paula Smith,2018-03-09 Research on prisons prior to the prison boom of the 1980s and 1990s focused mainly on inmate subcultures inmate rights and sociological interpretations of inmate and guard adaptations to their environment with qualitative studies and ethnographic methods the norm In recent years research has expanded considerably to issues related to inmates mental health suicide managing special types of offenders risk assessment and evidence based treatment programs The Oxford Handbook of Prisons and Imprisonment provides the only single source that bridges social scientific and behavioral perspectives providing graduate

students with a more comprehensive understanding of the topic academics with a body of knowledge that will more effectively inform their own research and practitioners with an overview of evidence based best practices Across thirty chapters leading contributors offer new ideas critical treatments of substantive topics with theoretical and policy implications and comprehensive literature reviews that reflect cumulative knowledge on what works and what doesn't The Handbook covers critical topics in the field some of which include recent trends in imprisonment prison gangs inmate victimization the use and impact of restrictive housing unique problems faced by women in prison special offender populations risk assessment and treatment effectiveness prisoner re entry and privatization The Oxford Handbook of Prisons and Imprisonment offers a rich source of information on the current state of institutional corrections around the world on issues facing both inmates and prison staff and on how those issues may impede or facilitate the various goals of incarceration

Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies Appropriations for 1997

United States. Congress. House. Committee on Appropriations. Subcommittee on the Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies, 1996

America Is the Prison Lee Bernstein, 2010-06-01 In the 1970s while politicians and activists outside prisons debated the proper response to crime incarcerated people helped shape those debates though a broad range of remarkable political and literary writings Lee Bernstein explores the forces that sparked a dramatic prison art renaissance shedding light on how incarcerated people produced powerful works of writing performance and visual art These included everything from George Jackson's revolutionary *Soledad Brother* to Miguel Pinero's acclaimed off Broadway play and Hollywood film *Short Eyes* An extraordinary range of prison programs fine arts theater secondary education and prisoner run programs allowed the voices of prisoners to influence the Black Arts Movement the Nuyorican writers New Journalism and political theater among the most important aesthetic contributions of the decade By the 1980s and 90s prisoners educational and artistic programs were scaled back or eliminated as the war on crime escalated But by then these prisoners words had crossed over the wall helping many Americans to rethink the meaning of the walls themselves and ultimately the meaning of the society that produced them

Supermax Sharon Shalev, 2013-05-13 This book examines the rise and proliferation of Supermaxes large prisons dedicated to holding prisoners in prolonged and strict solitary confinement in the United States since the late 1980s Drawing on unique access to two Supermax prisons and on in depth interviews with prison officials prison architects current and former prisoners mental health professionals penal legal and human rights experts it provides a holistic view of the theory practice and consequences of these prisons Given the historic uses of solitary confinement the book also traces continuities and discontinuities in its use on both sides of the Atlantic over the last two centuries It argues that rather than being an entirely new form of imprisonment Supermax prisons draw on principles of architecture surveillance and control which were set out in the early 19th century but which are now enhanced by the most advanced technologies available to current day prison planners and administrators It asks why a form

of confinement which had been discredited in the past is now proposed as the best solution for dealing with difficult dangerous or disruptive prisoners and assesses the true costs of Supermax confinement The Social Order of the Underworld David Skarbek, 2014-06-03 When most people think of prison gangs they think of chaotic bands of violent racist thugs Few people think of gangs as sophisticated organizations often with elaborate written constitutions that regulate the prison black market adjudicate conflicts and strategically balance the competing demands of inmates gang members and correctional officers Yet as David Skarbek argues gangs form to create order among outlaws producing alternative governance institutions to facilitate illegal activity He uses economics to explore the secret world of the convict culture inmate hierarchy and prison gang politics and to explain why prison gangs form how formal institutions affect them and why they have a powerful influence over crime even beyond prison walls The ramifications of his findings extend far beyond the seemingly irrational and often tragic society of captives They also illuminate how social and political order can emerge in conditions where the traditional institutions of governance do not exist **Monthly Catalog of United States Government Publications** United States. Superintendent of Documents, 1992 *Corrections: A Text/Reader* Mary K. Stohr, Anthony Walsh, Craig Hemmens, 2012-03-20 *Corrections A Text Reader* Second Edition is designed for undergraduate and or graduate corrections courses Organized like a traditional corrections text it offers brief authored introductions in a mini chapter format for each key Section followed by carefully selected and edited original articles by leading scholars This hybrid format ensuring coverage of important material while emphasizing the significance of contemporary research offers an excellent alternative which recognizes the impact and importance of new directions and policy in this field and how these advances are determined by research Snapshots of Research Richard D. Hartley, 2010-10-20 *Snapshots of Research Readings in Criminology and Criminal Justice* is a comprehensive cutting edge text that provides an introductory overview of the main research methods used in the fields of criminology and criminal justice This text reader offers a wide range of modern research examples as well as several classic articles including a broad range of readings from the four major branches of the criminal justice system policing courts law juvenile justice and corrections that are relevant to career paths students may be interested in pursuing *Corrections* Jeanne B. Stinchcomb, 2011-05-03 The Fourth Edition is available for online and hybrid courses and is also customizable in inexpensive paperback forms with other materials instructors may wish to assign their students The text and its companion website has been designed for use in online and hybrid courses as well as in conventional bricks and mortar classes The text is also customizable in inexpensive paperback format instructors may select only those chapters which they wish to assign **Gangs and Society** Louis Kontos, David C. Brotherton, Luis Barrios, 2003-05-01 Compiled by three leading experts in the psychological sociological and criminal justice fields this volume addresses timely questions from an eclectic range of positions The product of a landmark conference on gangs *Gangs and Society* brings together the work of academics activists and community leaders to examine the many functions and faces of

gangs today Analyzing the spread of gangs from New York to Texas to the West Coast the book covers such topics as the spirituality of gangs the place of women in gang culture and the effect on gangs of a variety of educational programs and services for at risk youth The final chapter examines the gang photography phenomenon by looking at the functions and politics of different approaches to gang photography and features a photographic essay by Donna DeCesare an award winning journalist

Gang Transitions and Transformations in an International Context Cheryl L. Maxson, Finn-Aage Esbensen, 2016-06-09 This unique volume explores why and how youth join and leave gangs as a lens for exploring intervention and prevention through comparative international research The book explores three key questions how do youth gangs form and how do they change over time Why do youth join street gangs and why do they leave How can we use this knowledge to foster more effective interventions for gang problems Drawing from research conducted in ten different countries Belgium Canada Germany Israel the Netherlands Norway Sweden the United Kingdom the United States of America and Venezuela and a variety of disciplines sixteen original chapters provide unique insights into 1 patterns of gang participation and how it impacts individual behavior 2 individual transitions and their impact on gang transformations 3 fostering gang transition and transformation This work will be of interest to researchers in Criminology and Criminal Justice particularly with an interest in youth gangs developmental and life course criminology criminal careers and criminal networks as well as related fields such as sociology psychology and comparative law and public health

Gangs J. Mitchell Miller, Jeffrey Paul Rush, Jeffrey P. Rush, 1996 Government Reference Books ,1992

The Youth Gang Problem Irving A. Spengel, 1995 This systematic analysis of the youth gang problem in the USA focuses on current patterns of gang behaviour with reference to historical and cross cultural dimensions The author integrates his own theory and practices with material on research programmes set up to address the problem

Federal Probation ,1994
