Mistinguett Legend:

The Mistinguett Legend David Bret,1990 **Jean Rhys's Modernist Bearings and Experimental Aesthetics** Sue Thomas,2022-01-27 Addressing Jean Rhys's composition and positioning of her fiction this book invites and challenges us to read the tacit silent and explicit textual bearings she offers and reveals new insights about the formation scope and complexity of Rhys's experimental aesthetics Tracing the distinctive and shifting evolution of Rhys's experimental aesthetics over her career Sue Thomas explores Rhys's practices of composition in her fiction and drafts as well as her self reflective comment on her writing The author examines patterns of interrelation intertextuality intermediality and allusion both diachronic and synchronic as well as the cultural histories entwined within them Through close analysis of these this book reveals new experimental thematic generic and political reaches of Rhys's fiction and sharpens our insight into her complex writerly affiliations and lineages *"Jews, Race and Popular Music "* Jon Stratton,2017-07-05 Jon Stratton provides a pioneering work on Jews as a racialized group in the popular music of America Britain and Australia during the twentieth and early twenty first centuries Rather than taking a narrative historical approach the book consists of a number of case studies looking at the American British and Australian music industries Stratton's primary motivation is to uncover how the racialized positioning of Jews which was sometimes similar but often different in each of the societies under consideration affected the kinds of music with which Jews have become involved Stratton explores race as a cultural construction and continues discussions undertaken in Jewish Studies concerning the racialization of the Jews and the stereotyping of Jews in order to present an in depth and critical understanding of Jews race and popular music **Singing Our Way to Victory** Regina M. Sweeney,2023-09-05 Winner of the International Book Award from International Association for the Study of Popular Music 2003 The practice of singing and songwriting in France during the Great War provides an intriguing tool for the exploration of the French cultural politics of the epoch Responding to the dearth of cultural studies of the First World War Regina Sweeney's unique cross disciplinary study illuminates many of the hitherto unexplored corners of an era that many historians consider to exhibit a break with recognizable trends In early twentieth century Europe singing was considered a part of education integral to the formation of good citizens Singing was especially important to the French for whom it was historically associated with authenticity of feeling and purity of character and thereby with the very roots of French democracy it was particularly associated with the image of France as a victorious nation But as Sweeney shows different performances of the same patriotic song could carry vastly different meanings By focusing on singing Sweeney is able to provide a more nuanced reading of French Great War cultures than ever before and to show that cultures previously held to be exclusive those of the home front and the Western front for example existed in dialectical tension and were themselves far from homogenous **Uneven Encounters** Micol Seigel,2009-03-18 This chronicle of the exchange of popular culture between Brazil and the United States in the interwar years shows how that exchange affected both countries

Mario Lanza David Bret,2014-02-21 Maria Callas called him the greatest tenor who ever lived Vocally and technically Mario Lanza was a genius Like Callas Lanza s was a phenomenal talent complimented by a more than monstrous ego Suffering from what would today be diagnosed as bi polar disorder he lived virtually his whole life with his finger firmly pressed on the self destruct button Too undisciplined to remain in opera Lanza found himself sucked into the Hollywood whirlpool engulfed by the opulent lifestyle this offered easy money good living and limitless food sex and drugs to which he became increasingly addicted Lanza took his frustration out of others frequently launching an uncontrollable temper on those around him and earning himself a reputation as one of the movie stars who were most disliked by their peers in the studio system years Lanza s scatological pranks were as legendary as his drinking womanising and gorging sprees each one followed by crash diets and periods of dark depression and self loathing which made him virtually impossible to control Yet he produced arguably the finest tenor recordings of popular music and opera of the last century as well as some classic films including The Great Caruso and Serenade In Sublime Serenade David Bret uncompromisingly but lovingly and in his unique and celebrated style tells the Lanza story from his birth in a poor district of Philadelphia to his death in Rome 38 years later and his involvement with the Mafia A must for all music and movie fans alike David Bret was born in Paris and is a leading celebrity biographer His many acclaimed books include biographies of Edith Piaf Doris Day Clark Gable and Joan Crawford He lives in Yorkshire

My Melancholy Baby Michael G. Garber,2021-06-28 2022 Association for Recorded Sound Collections Awards for Excellence Certificate of Merit in the category of Best Historical Research in Recorded Rock and Popular Music Ten songs from Bill Bailey Won t You Please Come Home 1902 to You Made Me Love You 1913 ignited the development of the classic pop ballad In this exploration of how the style of the Great American Songbook evolved Michael G Garber unveils the complicated often hidden origins of these enduring pioneering works He riffs on colorful stories that amplify the rising of an American folk art composed by innovators both famous and obscure Songwriters and also the publishers arrangers and performers achieved together a collective genius that moved hearts worldwide to song These classic ballads originated all

over the nation Louisiana Colorado Illinois Michigan and then the Tin Pan Alley industry centered in New York made the tunes unforgettable sensations From ragtime to bop cabaret to radio new styles of music and modes for its dissemination invented and reinvented the intimate personal American love ballad creating something both swinging and tender Rendered by Frank Sinatra Ella Fitzgerald and a host of others recordings and movies carried these songs across the globe Using previously underexamined sources Garber demonstrates how these songs shaped the music industry and the lives of ordinary Americans Besides covering famous composers like Irving Berlin this history also introduces such little known figures as Maybelle Watson who had to sue to get credit and royalties for creating the central content of the lyric for My Melancholy Baby African American Frank Williams contributed to the seminal Some of These Days but was forgotten for decades The ten ballads explored here permanently transformed American popular song *Hutch* Charlotte Breese,2012-01-16 The vivid true story of one of the biggest stars in Britain during the 1920s and 30s and the inspiration for Downton Abbey's Jack Ross Born in Grenada in 1900 Leslie Hutch Hutchinson went to America in 1916 to study medicine but soon escaped to Harlem where he witnessed the birth of stride jazz piano and began playing and singing in bars himself Moving to France in 1923 he became the protege and lover of Cole Porter before coming to London where he was soon topping the bills in variety and on radio Immaculate in white tie and tails Hutch had enormous sex appeal his velvet voice and superb piano improvisation attracting legions of fans including the then Prince of Wales and most famously Edwina Mountbatten Despite his success Hutch was a profoundly insecure man with insatiable appetites for sex drink gambling and social status which precipitated his fall from fame to a squalid existence by the late 1960s **Torch Singing** Stacy Holman Jones,2007-07-08 In this innovative book Stacy Holman Jones presents torch singing as a much more complicated phenomenon than the familiar trope of a woman lamenting her victimhood With an ethnographer's eye she observes the bluesy torch singers asking if they are possibly performing critiques of the very lyrics they sing From this perspective we see the singer giving expression not only to desire but also to an incipient determination to resist and change Holman Jones also reveals points of contact in the opposition between spectators and performers emotion and intellect and love and power Instead of interpreting the expression of love as a woman's violent mistake as willing deception and passive fate Holman Jones allows us to hear an active search for hope *Errol Flynn* David Bret,2014-02-06 With his stunning looks and swashbuckling onscreen panache Errol Flynn was by all appearances the quintessential movie star who had it all But Flynn's manicured Hollywood persona did little to hide his insatiable appetites off screen the binge drinking brawling and womanising that would forever cement his place as a film legend In this hard hitting study bestselling show business biographer David Bret traces the life and loves of the actor and man It was Flynn's natural charisma and athletic prowess that made him as the heartthrob star of Captain Blood and The Adventures Of Robin Hood But Hollywood's prodigal son was never far from controversy and scandal In a series of extraordinary revelations Bret explores the star's love of underage girls young men binge drinking and drug

experimentation as well as his controversial background as a slave trader in New Guinea involvement with the Spanish civil war and his support for Castro This is compelling and engrossing portrait of the original action adventure star who packed more into his fifty years than his high living contemporaries ever could The gifted complex and rakish rebel remains without equal as the film icon of the 20th century This book is an excellent tribute to an extraordinary actor David Bret was born in Paris and is a leading celebrity biographer His many acclaimed books include biographies of Marlene Dietrich Gracie Fields Freddie Mercury Tallulah Bankhead Maria Callas Rudolph Valentino Edith Piaf and Joan Crawford He lives in Yorkshire
