Neither War Nor Peace 1985 1998

Robert Legvold

Neither War Nor Peace 1985 1998:

Neither War Nor Peace Tsuyoshi Hasegawa, 1998 **A History of Russo-Japanese Relations**, 2019-06-07 This publication is the result of a three year research project between eminent Russian and Japanese historians It offers an in depth analysis of the history of relations between Russia and Japan from the 18th century until the present day The format of the publication as a parallel history presents views and interpretations from Russian and Japanese perspectives that showcase the differences and the similarities in their joint history The fourteen core sections organized along chronological lines provide assessments on the complex and sensitive issues of bilateral Russo Japanese relations including the territory problem as well as economic exchange Economic Statecraft and Foreign Policy Jean-Marc F. Blanchard, Norrin M. Ripsman, 2013-07-18 This book develops a unified theory of economic statecraft to clarify when and how sanctions and incentives can be used effectively to secure meaningful policy concessions High profile applications of economic statecraft have yielded varying degrees of success The mixed record of economic incentives and economic sanctions in many cases raises important questions Under what conditions can states modify the behaviour of other states by offering them tangible economic rewards or by threatening to disrupt existing economic relations To what extent does the success of economic statecraft depend on the magnitude of economic penalties and rewards In order to answer these questions this book develops two analytic models one weighs the threats economic statecraft poses to the Target's Strategic Interests TSI while the other stateness assesses the degree to which the target state is insulated from domestic political pressures that senders attempt to generate or exploit Through a series of carefully crafted case studies including African apartheid and Japanese incentives to obtain the return of the Northern Territories the authors demonstrate how their model can yield important policy insights in regards to contemporary economic sanctions and incentives cases such as Iran and North Korea This book will be of much interest to students of statecraft sanctions diplomacy foreign policy and international security in general **Japan, Russia and their Territorial Dispute** James D. J. Brown, 2016-02-05 The territorial dispute between Japan and Russia over four islands off the northeast coast of Hokkaido has been an enduring obstacle to closer relations between the two powers and therefore an important determinant of geopolitics in North East Asia Having emerged at the end of World War II this conflict has now existed for more than seven decades And yet despite the passage of so much time within Japan there remains a resilience of belief that the islands will eventually be returned This book provides a comprehensive analysis of Japan's prospects of ever recovering these Northern Territories Offering an in depth account of why the Japanese side believe they still have a chance of securing the return of the four islands it also provides an objective and methodical evaluation of the prospects of these expectations being realised The key finding is that Japanese policymakers and scholars have consistently overestimated the extent of Japan's leverage with regard to Russia and that there is in fact already no possibility whatsoever of sovereignty over the four islands being restored to Japan This has major implications for Japanese decision makers who

must balance their principled commitment not to compromise on territorial issues with more pragmatic considerations of energy security and how to contain the rise of Chinese regional power. Presenting a unique analysis and a strikingly different perspective on this territorial dispute, the findings of this book are of considerable importance for international relations within the Asia Pacific region. It will be of interest to students and scholars of Japanese Politics, Russian Politics and International Relations.

Resolving the Russo-Japanese Territorial Dispute Brad Williams, 2007-06-11. The unresolved territorial dispute between Japan and Russia over the South Kuril Islands (Northern Territories) remains the largest obstacle to concluding a peace treaty and fully normalising bilateral relations between the two nations. This book traces the evolution of transnational relations between subnational public authorities in Hokkaido and Sakhalin, examining the interrelationship between these ties and the Russo-Japanese territorial dispute. The book investigates why the development of Hokkaido-Sakhalin relations has failed to create at the subnational level an environment conducive to resolving the *kankyo seibi* (South Kuril Islands/Northern Territories) dispute. Brad Williams suggests that *kankyo seibi* has not worked primarily because Russia's troubled transition to a liberal democratic market economy has manifested itself in ways that have ultimately increased the South Kuril Islands' intrinsic and instrumental value for the Sakhalin public and regional elite. This in turn has limited the impact from the twin transnational processes of cultural and economic exchange in alleviating opposition to the transferral of these disputed islands to Japan. Drawing upon a wealth of primary and secondary sources from both countries, this book utilises levels of analysis and an analytical framework that incorporates national and subnational as well as governmental and non-governmental forces to discuss a relatively unexplored aspect of Russo-Japanese relations. As such, *Resolving the Russo-Japanese Territorial Dispute* will appeal to students and scholars of Asian politics, international relations and post-communist states.

At the Edge of the Nation Paul B. Richardson, 2018-06-30. Debates over the remote and beguiling Southern Kuril Islands have revealed a kaleidoscope of divergent and contradictory ideas, convictions and beliefs on what constitutes the national identity of post-Soviet Russia. Forming part of an archipelago stretching from Kamchatka to Hokkaido, administered by Russia but claimed by Japan, these disputed islands offer new perspectives on the ways in which territorial visions of the nation are refracted, inverted and remade in a myriad of different ways. *At the Edge of the Nation* provides a unique account of how the Southern Kurils have shaped the parameters of the Russian state and framed debates on the politics of identity in the post-Soviet era. By shifting the debate beyond a proliferation of Eurocentric and Moscow-focused writings, Paul B. Richardson reveals broad alternatives and possibilities for Russian identity in Asia. After the dissolution of the Soviet Union in 1991, when Russia was suffering the fragmentation of empire and a sudden decline in its international standing, these disputed islands became symbolic of a much larger debate on self-image, nationalism, national space and Russia's place in world politics. When viewed through the prism of the Southern Kurils, ideas associated with the border state and nation become destabilized, uncovering new insights into state-society relations in modern Russia. *At the Edge of the Nation* explores

how disparate groups of political elites have attempted to use these islands to negotiate enduring tensions within Russia's identity and traces how the destiny of these isolated yet evocative islands became irrecoverably bound to the destiny of Russia itself Japanese-Russian Relations Under Gorbachev and Yeltsin Hiroshi Kimura, 2016-07-08 Why has the stalemate in Japanese-Russian relations persisted through the end of the Cold War and Moscow's weakening control over its far eastern territories In this volume Kimura continues his comprehensive analysis of Russia and Japan's strained and unstable relations to the present day *Japan's Reluctant Realism* M. Green, 2001-05-17 In *Japan's Reluctant Realism* Michael J Green examines the adjustments of Japanese foreign policy in the decade since the end of the Cold War Green presents case studies of China the Korean peninsula Russia and Central Asia Southeast Asia the international financial institutions and multilateral forums the United Nations APEC and the ARF In each of these studies Green considers Japanese objectives the effectiveness of Japanese diplomacy in achieving those objectives the domestic and exogenous pressures on policy making the degree of convergence or divergence with the United States in both strategy and implementation and lessons for more effective US-Japan diplomatic cooperation in the future As Green notes its bilateral relationship with the United States is at the heart of Japan's foreign policy initiatives and Japan therefore conducts foreign policy with one eye carefully on Washington However Green argues it is time to recognize Japan as an independent actor in Northeast Asia and to assess Japanese foreign policy in its own terms The USA in the Making of the USSR Paul Dukes, 2004 The USA's contribution to the making of the USSR was accidental In the belief that the Russian Socialist Federative Soviet Republic could not survive American statesmen strove to keep the former Tsarist empire intact for a non-communist successor regime in the face of attempts by other powers to carve out spheres of influence in both European and Asiatic Russia In this manner they unwittingly facilitated the formation of the Union of Soviet Socialist Republics This book shows the importance of the Russian question at the Washington Conference and throws light on the emergence of the Versailles-Washington system of international relations

Revolutionary Russia Rex A. Wade, 2004-07-31 This collection presents the major recent writings on the Russian Revolution and its context It brings together key texts to illustrate new interpretive approaches and covers the central topics and themes Together the chapters in this volume form a coherent representation of both the events and the theories and debates that relate to them **Japan's Foreign Policy, 1945-2009** Kazuhiko Tōgō, 2010 This book stands out amongst the crop of textbooks on Japanese foreign policy that have been available to date because of its authoritative insider voice Here we not only learn what happened in postwar Japan's foreign policy but what the thinking was behind these decisions This is an invaluable element that brings the reader inside the policy making rooms of the Ministry of Foreign Affairs itself In the process Japan's world view and its own self image are concurrently revealed in fascinating and unexpected ways This book destroys stereotypes and vastly improves the quality of our understanding of Japan as an international player We are spoiled by the wisdom and experience of not just one but three major forces in the shaping of Japan's international existence Mr

Togo's own formidable experience plus the seminal contributions of his father and grandfather who was instrumental in the closing phases of World War II. All of this makes this book indispensable to those who wish to truly understand Japan in her own terms and through her own eyes. Rikki Kersten, Professor Modern Japanese Political History, Australian National University.

Ambassador Togo's distinctive account of Japanese foreign policy highlights the impact of the vacuum left by the humiliation of defeat in 1945. It bears witness to the intellectual and diplomatic challenge of finding answers to unresolved issues including managing the U.S. alliance and enhancing cooperation in Asia. Updated to cover the results of the 2009 victory of the Democratic Party of Japan, this book shows how its change of course fits into a long-term narrative. In contrast to more impersonal, often unsympathetic analysis of Western authors and the self-serving writing of many Japanese, Togo offers a guide to Japan's quest, not a defense of its choices. The result is a wide-ranging look at foreign policy over more than 60 years, seen from the perspective of an insider attentive to a proud nation's search for its bearings. Gilbert Rozman, Musgrave Professor of Sociology, Princeton University.

Japan's Border Issues Akihiro Iwashita, 2015-10-30. Japan was sometimes described as a country of peace during the Cold War period in contrast to the continental border conflicts taking place at the time, such as the China-Soviet rivalry. However, as the maritime frontier was rediscovered and defined by the regional powers and legal refinements of the 1970s, the process of states seeking a secure maritime zone has accelerated and maritime rivalries have become as intense as inland rivalries. This book examines the territorial disputes souring relations between Japan and its three neighbours: Russia, South Korea, and China. It combines an empirical study with theoretical advancements in comparative research to understand the Cold War and post-Cold War border issues related to Japan, particularly the Northern Territories, South Kurils dispute with Russia, Takeshima/Dokdo with Korea, and Senkaku/Diaoyu with China and Taiwan. Based on the history of negotiations with the Soviet Union and Russia over the course of fifty years, the study offers a series of practical suggestions to enable these disputes to be separated from arguments over their history and resolved on the basis of the principle of mutual advantage for those affected by them. This book provides not only the key to resolving these three disputes affecting East Asia but the framework in which to seek the resolution of other territorial issues worldwide. Explaining the history and possible outcomes of Japan's territorial disputes with Russia, South Korea, and China whilst providing concrete steps for resolving entrenched territorial disputes, this book will be of great interest to students and scholars of International Relations, Japanese Politics, and International Law.

Russian Foreign Policy in the Twenty-First Century and the Shadow of the Past Robert Legvold, 2007-03-27. Because the turbulent trajectory of Russia's foreign policy since the collapse of the Soviet Union echoes previous moments of social and political transformation, history offers a special vantage point from which to judge the current course of events. In this book, a mix of leading historians and political scientists examines the foreign policy of contemporary Russia over four centuries of history. The authors explain the impact of empire and its loss, the interweaving of domestic and foreign impulses, long-standing approaches to national security, and the effect of

globalization over time Contributors focus on the underlying patterns that have marked Russian foreign policy and that persist today These patterns are driven by the country s political makeup geographical circumstances economic strivings unsettled position in the larger international setting and above all its tortured effort to resolve issues of national identity The argument here is not that the Russia of Putin and his successors must remain trapped by these historical patterns but that history allows for an assessment of how much or how little has changed in Russia s approach to the outside world and creates a foundation for identifying what must change if Russia is to evolve A truly unique collection this volume utilizes history to shed crucial light on Russia s complex occasionally inscrutable relationship with the world In so doing it raises the broader issue of the relationship of history to the study of contemporary foreign policy and how these two enterprises might be better joined Japan's Foreign Policy, 1945-2003 Kazuhiko Togo,2005-08-01 **The End of the Pacific War** Tsuyoshi

Hasegawa,2007 State of the art reinterpretations of the reasons for Japan s decision to surrender by distinguished historians of differing national perspectives and differing views Japan's Subnational Governments in International Affairs Purnendra Jain,2006-03-13 This book moves away from the common belief that Japan s international relations are firmly the preserve of the national government in Japan s highly centralised political system Examining examples of subnational governments SNGs across Japan the book uncovers a significant and generally unrecognised development in Japanese politics SNGs are ever more dynamic international actors as national borders weaken across the world Exploring what Japanese SNGs do where they do it and why the book considers the implications of these factors for Japan s international relations and domestic politics By bringing to light the scope and consequences of the international actions of Japan s SNGs this book provides a more accurate and nuanced understanding of the country s foreign policy at a time when it is pursuing a broader and more active profile in international affairs **Norms, Interests, and Power in Japanese Foreign Policy** Y. Sato,2008-10-13

This edited volume puts forth a theoretically and empirically rigorous analysis of Japanese foreign policy Nine case studies on Japan s security economic and environmental policies in this volume examine how norms do or do not guide Japanese foreign policy and how they interact with interests and power **Cold War Frontiers in the Asia-Pacific** Kimie Hara,2006-12-13

The San Francisco System determined the post war political and security order in the Asia Pacific Drawing on extensive research and current day analysis Kimie Hara gives a comprehensive examination of the system uncovering key links

between the regional problems in the Asia Pacific and their underlying association with Japan **Northern Territories, Asia-Pacific Regional Conflicts and the Aland Experience** Kimie Hara,Geoffrey Jukes,2009-05-07 Examining the origin and development of the Northern Territories Southern Kuriles sovereignty dispute this volume is the first to take inspiration from the multilaterally resolved land conflict to investigate the possibility of a solution Red Chamber, World Dream Jing Sun,2021-03-04 Chinese president Xi Jinping is most famously associated with his Chinese Dream campaign envisioning a great rejuvenation of the nation Many observers though view China s pursuit of this dream as alarming They see a global

power ready to abandon its low profile diplomacy and eager to throw its weight around Red Chamber World Dream represents an interdisciplinary effort of deciphering the Chinese Dream and its global impact Jing Sun employs methods from political science and journalism and concepts from literature sociology psychology and drama studies to offer a multilevel analysis of various actors roles in Chinese foreign policy making the leaders the bureaucrats and its increasingly diversified public This book rejects a simple dichotomy of an omnipotent authoritarian state versus a suppressed society Instead it examines how Chinese foreign policy is constantly being forged and contested by interactions among its leaders bureaucrats and people The competition for shaping China s foreign policy also happens on multiple arenas intraparty fighting inter ministerial feuding social media TV dramas and movies among others This book presents vast amounts of historical detail many unearthed the first time in the English language Meanwhile it also examines China s diplomatic responses to ongoing issues like the Covid 19 crisis The result is a study multidisciplinary in nature rich in historical nuance and timely in contemporary significance

Neither War Nor Peace 1985 1998 Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the ability of words has be more evident than ever. They have the ability to inspire, provoke, and ignite change. Such may be the essence of the book **Neither War Nor Peace 1985 1998**, a literary masterpiece that delves deep to the significance of words and their affect our lives. Neither War Nor Peace 1985 1998 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Neither War Nor Peace 1985 1998 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and

empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Neither War Nor Peace 1985 1998 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Neither War Nor Peace 1985 1998 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Neither War Nor Peace 1985 1998 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Neither War Nor Peace 1985 1998 is one of the best book in our library for free trial. We provide copy of Neither War Nor Peace 1985 1998 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Neither War Nor Peace 1985 1998. Where to download Neither War Nor Peace 1985 1998 online for free? Are you looking for Neither War Nor Peace 1985 1998 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Neither War Nor Peace 1985 1998. This method for see exactly what may be included and adopt these ideas to your book. This site will almost

certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Neither War Nor Peace 1985 1998 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Neither War Nor Peace 1985 1998. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Neither War Nor Peace 1985 1998 To get started finding Neither War Nor Peace 1985 1998, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Neither War Nor Peace 1985 1998 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Neither War Nor Peace 1985 1998. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Neither War Nor Peace 1985 1998, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Neither War Nor Peace 1985 1998 is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Neither War Nor Peace 1985 1998 is universally compatible with any devices to read.
