Overworked American The Unexpected Decline Of Leisure

Paula McDonald, Emma Jeanes

Overworked American The Unexpected Decline Of Leisure:

The Overworked American Juliet Schor, 2008-08-05 This pathbreaking book explains why contrary to all expectations Americans are working harder than ever Juliet Schor presents the astonishing news that over the past twenty years our working hours have increased by the equivalent of one month per year a dramatic spurt that has hit everybody men and women professionals as well as low paid workers Why are we unlike every other industrialized Western nation repeatedly choosing money over time And what can we do to get off the treadmill *The Overworked American Photocopy* Juliet B. Schor, 1993 *Gender and the politics of time* Valerie Bryson, 2007-11-21 Women s increased role in the labour market has combined with concerns about the damaging effects of long working hours to push time related issues up the policy agenda in many Western nations This wide ranging and accessible book assesses policy alternatives in the light of feminist theory and factual evidence The book introduces mainstream ideas on the nature and political significance of time and re frames them from a feminist perspective to provide a critical overview of policies in Western welfare states Themes covered include gender differences in time use and the impact of time poverty on women s citizenship the need to value time spent giving and receiving care the social meanings of time and whether we can talk about women s time and men s time and the role of the past in framing policy options today The book is essential reading for all those interested in gender inequality time use or work rest of life balance It will be an invaluable resource for students and academics throughout the social sciences **The Human Person and a Culture of Freedom** Peter A. Pagan Aguiar, Terese Auer, 2009 Collection of essays on the metaphysical underpinnings of intellectual and individual freedom within a civic political order or cultural milieu Provided by publisher **Hooked on Growth** Douglas E. Booth, 2004-05-03 Challenging conventional wisdom on the virtues of a consumer economy this provocative book explores the nexus between growth and environment sustainability The miracle of the modern affluent economy is an ever swelling cornucopia of consumer goods leading to expanding consumption as the essential underpinning of economic growth in more and more parts of the globe Douglas Booth contends that expansion in this form amounts to an addiction Are we as a society hooked on economic growth of a kind that carries with it significant threats to the natural environment A critical dilemma for the modern economy is that growth is required to prevent the pain of unemployment As growth continues the environment declines but if growth slows unemployment rises We seem trapped in a spiraling predicament like that of the addict This accessible work explores whether getting unhooked from growth to meet the needs of the environment is possible Giving the environment priority over growth may seem to some like a radical idea yet the author argues that it can be accomplished using marketable emissions allowances transferable development rights and other tools popular with conventional economists It can also be achieved by creating more interesting and environmentally friendly urban landscapes less beholden to the automobile The key problem a less growth oriented society will face is ensuring that everyone who wants employment can find it This will require something that many people wish for

anyway a shorter workweek More leisure a higher quality environment and more attractive cities and towns are the potential rewards of a less consumption oriented society Yet powerful economic interests that benefit from a high growth economy are arrayed against changes in the status quo Under what circumstances can the power of special interests be overcome in the name of environmental conservation This is the author's critical final question as he offers a clear path to a sustainable economic and environmental future

Vocabulary for Sustainable Consumption and Lifestyles Lewis Akenji, Philip J. Vergragt, Halina Szejnwald Brown, Thomas S.J. Smith, Laura Maria Wallnöfer, 2025-09-29 Vocabulary for Sustainable Consumption and Lifestyles a Language for our Common Future curates a shared vocabulary of concepts that enables a society wide conversation about sustainable consumption and lifestyles the future of consumer society and ways to transcend it Since the United Nations UN Earth Summit in Rio de Janeiro in 1992 the global environmental and social consequences of mass consumption have been well documented yet progress is slow Overconsumption and extractive practices continue to drive ecological overshoot Set against this backdrop each of the 87 essays in this book imparts a meaning to a concept highlights its history and offers different perspectives interpretations and applications for social change The two premises of this book are that we need to transition to a society in which the well being and dignity of people are achieved with a much smaller footprint and that technological solutions are inadequate for the challenge Policies and actions are greatly lagging behind the growing understanding of the system of production consumption because social change is often slow and sustainable consumption does not have a clear political champion The book addresses tensions that also interfere with progress such as science versus politics economic winners versus losers traditions versus an uncertain future and present needs versus future costs This innovative volume is an important resource for students scholars policymakers grassroots activists and agents of change interested in sustainable consumption and sustainable living more broadly

The Changing Nature of Happiness Sandie McHugh, 2017-11-24 This book shines a light on the meaning of happiness and how public perceptions of it have changed over time A question that has engaged philosophers from the days of Aristotle happiness is a subject of growing academic interest and its recent integration into government policy is provoking increased debate into its definition and nature Sandie McHugh and her associates build on the work of social anthropologist Tom Harrison's Worktown Mass Observation study from 1938 repeating the original study today Together these accounts show how perceptions of happiness have changed over the years for the people of Bolton UK and reveal major difference between its definition then and now This unique study is a useful tool in the understanding and study of happiness offering invaluable insights for scholars and practitioners working in the fields of social psychology positive psychology health psychology and wellbeing With chapters by Martin Guha and Jerome Carson John Haworth Robert Snape and Matthew Watson and Linda Withey

Gender in the Legal Profession Joan Brockman, 2001 An analysis of the causes and implications of the gendered structure of the legal profession in Canada and elsewhere The author concludes that until there is significant

change in how women are perceived in relation to domestic duties it is unlikely that they will attain equality within the legal profession

Immigrant Women in Atlantic Canada Evangelia Tastsoglou, Peruvemba S. Jaya, 2011 At last an in depth exploration of immigrant women's experiences in the labour force family and broader community in Atlantic Canada Highlighting feminist research on women and gender based analyses the collection focuses on the intersections of gender with race ethnicity and class

Men, Wage Work and Family Paula McDonald, Emma Jeanes, 2012 In the last two decades there has been a plethora of research on a range of subjects collectively and rhetorically known as work life balance The bulk of this research which spans disciplines including feminist sociology industrial relations and management has focused on the significant concerns of employed women and or dual career couples Less attention has been devoted to scholarship which explicitly examines men and masculinities in this context Meanwhile public and organizational discourse is largely espoused in gender neutral terms often neglecting salient gendered issues which differentially impact the ability of women and men to successfully integrate their work and non work lives This edited book brings together empirical studies of the work life nexus with a specific focus on men's working time arrangements how men navigate and traverse paid work and family commitments and the impact of public and organizational policies on men's participation in work leisure and other life domains The book is innovative in that it presents both macro institutional how policy affects practice and micro individual from men's own perspectives level studies allowing for a rich and contrasting exploration of how men's participation in paid work and other domains is divided conflicted or integrated The essays in this volume address issues of fundamental social labor market and economic change which have occurred over the last 20 years and which have profoundly affected the way work care leisure and community have evolved in different contexts Taking an international focus Men Wage Work and Family contrasts various public and organizational policies and how these policies impact men's opportunities and participation in paid work and non work domains in industrialised countries in Europe North America and Australia

Work, Vacation and Well-being Dalia Etzion, 2019-08-21 Based on a twenty year research study Work Vacation and Well being delves into the ubiquitous yet often underestimated issues surrounding vacation and respite Providing an original outlook on how breaks from work can be beneficial for the well being of employees this book also addresses the potential negative impacts of vacation Taking into account factors concerning the nature of the break and the person taking it Etzion delves into the benefits and drawbacks of workplace breaks from annual leave to maternity leave and sabbaticals Work Vacation and Well being looks at breaks from work through various social and cultural lenses to present a balanced and well researched perspective on all angles of taking a break Perfect for students of Organizational and Health Psychology Work Vacation and Well being also widely appeals to those studying Social Policy Management Studies Occupational Health and Research Methods

Communication and the Work-Life Balancing Act Elizabeth Fish Hatfield, 2016-12-27

Communication and the Work Life Balancing Act Intersections across Identities Genders and Cultures offers scholarly

research related to work life balance in today's environment with a particular focus on the fields of communication and gender studies. The chapters examine the choices, challenges, and gendered experiences that women and men face as they navigate structures of work, domestic duties, and childcare in search of balance. Underpinning this text is the notion that work life balance affects everyone but is experienced differently through the intersections of sex, age, gender, socioeconomic status, and race. Recommended for scholars of communication, gender studies, organizational communication, sociology, and family communication.

Why We Hate Us Dick Meyer, 2009-09-22 Americans are as safe, well fed, securely sheltered, long lived, free, and healthy as any human beings who have ever lived on the planet. But we are down on America. So why do we hate us? According to Dick Meyer, the following items on this much abbreviated list are some of the contributors to our deep disenchantment with our own culture: Cell phone talkers broadcasting the intimate details of their lives in public spaces; Worship of self-awareness, self-realization, and self-fulfillment; T-shirts that read "Eat Me"; Facebook, MySpace, and kids being taught to market themselves; High level cheating in business and sports; Reality television and the cosmetic surgery boom; Multinational corporations that claim "We care about you"; The decline of organic communities; A line of cosmetics called "S L U T"; The phony red state/blue state divide; The penetration of OmniMarketing into OmniMedia and the insinuation of both into every facet of our lives. You undoubtedly could add to the list with hardly a moment's thought. In *Why We Hate Us*, Meyer absolutely nails America's early twenty-first century mood disorder. He points out the most widespread carriers of the "why we hate us" germs, including the belligerence of partisan politics that perverts our democracy; the decline of once common manners; the vulgarity of Hollywood entertainment; the superficiality and untrustworthiness of the news media; the cult of celebrity; and the disappearance of authentic neighborhoods and voluntary organizations, the kind that have actual meetings where one can hobnob instead of just clicking in an online contribution. Meyer argues with biting wit and observations that make you want to shout "Yes, I hate that too!" that when the social, spiritual, and political turmoil that followed the sixties collided with the technological and media revolution at the turn of the century, something inside us hit overload. American culture no longer reflects our own values. As a result, we are now morally and existentially tired, disoriented, anchorless, and defensive. We hate us, and we wonder why. *Why We Hate Us* reveals why we do and also offers a thoughtful and uplifting prescription for breaking out of our current morass and learning how to hate us less. It is a penetrating but always accessible Culture of Narcissism for a new generation, and it carries forward ideas that resounded with readers in bestsellers such as *On Bullshit* and *Bowling Alone*.

Encyclopedia of Race, Ethnicity, and Society Richard T. Schaefer, 2008-03-20 This encyclopedia offers a comprehensive look at the roles race and ethnicity play in society and in our daily lives. Over 100 racial and ethnic groups are described with additional thematic essays offering insight into broad topics that cut across group boundaries and which impact on society.

Overworked American The Unexpected Decline Of Leisure Introduction

In today's digital age, the availability of Overworked American The Unexpected Decline Of Leisure books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Overworked American The Unexpected Decline Of Leisure books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Overworked American The Unexpected Decline Of Leisure books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Overworked American The Unexpected Decline Of Leisure versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Overworked American The Unexpected Decline Of Leisure books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Overworked American The Unexpected Decline Of Leisure books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Overworked American The Unexpected Decline Of Leisure books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Overworked American The Unexpected Decline Of Leisure books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Overworked American The Unexpected Decline Of Leisure books and manuals for download and embark on your journey of knowledge?

FAQs About Overworked American The Unexpected Decline Of Leisure Books

1. Where can I buy Overworked American The Unexpected Decline Of Leisure books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Overworked American The Unexpected Decline Of Leisure book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
