**Pentecost 2** Susan R. Garrett, James H. Garrett, 1989-11 Vol discusses appointed lessons for the 10th through the 19th Sunday after Pentecost **The Living Church**, 1981-07 A Healing Homiletic Kathy Black, 1996-10-01 In A Healing Homiletic Preaching and Disability Kathy Black offers a unique and effective approach for preaching about disabilities By going to the heart of the gospel and drawing on the healing narratives or miracle stories Black shows how preaching affects the inclusion or exclusion of forty three million persons with disabilities from our faith communities A Healing Homiletic provides a new method of preaching about healing based on Scripture for understanding the needs of the disability community **A God So Near** Patrick D. Miller, 2003 Annotation Patrick Miller is widely known as an educator editor President of the Society of Biblical Literature and academic who is concerned to ensure that academics and the life of the church are not torn asunder in this era of fragmentation This volume honors him for his life's work presenting 24 essays by students and colleagues on themes dear to Miller 1 the Psalms and God's nearness to his people and 2 Torah Deuteronomy in particular and God's connection with his people in their lives together Paperbound Books in Print, 1992 **Repent and Turn to God** Babu Immanuel, 2008-05-01 For many years there has been ongoing work here on the book of Acts looking into the narrative in its Greco Roman and Jewish settings and we greatly appreciate your contribution to this research It leads the reader to a better understanding of the mindset of the period while focusing on issues that are still fundamental for the Christian church today Dr Elizabeth Magba Librarian Tyndale House Cambridge UK The significance of conversion to the Acts of the Apostles is indisputable so it is surprising that this motif historically has attracted so little scholarly attention We can therefore celebrate all the more Babu Immanuel's joining the small but growing ranks of those who of late have turned their critical attention to this important literary and theological theme in Acts Adopting a narrative critical approach Immanuel urges that working in tandem miraculous activity and missionary proclamation are effective means for effecting conversion of Jew and Gentile alike The result is a welcome emphasis on the role of Luke not only as theologian or historian but also and centrally as mission strategist Joel B Green Professor of New Testament Interpretation Fuller Theological Seminary The American Ecclesiastical Review Herman Joseph Heuser, 1943 *The Christian Faith* Michael Horton, 2011-01-04 Theology the study of God is a concern for every believer not just theologians or those in ministry It's the goal of good theology to humble us before the triune God of majesty as we come to understand him better This is a book of and about good theology Award winning author theologian and professor Michael Horton wrote The Christian Faith as a book of systematic theology and doctrine that can be preached experienced and lived as well as understood clarified and articulated It's written for a growing cast of pilgrims in ministry and laity who are interested in learning about Christ as a way of living as a Christian Who understand that knowing doctrine and walking in practical Christianity are not competing interests The Christian Faith is divided into six parts five of which each focus on an aspect of God while the first part sets up an understanding and

appreciation for the task of theology itself addressing topics like The source of theology where the idea of theology comes from and what its limits are The origin of the canon how the modern Bible came about and why we can trust it The character of theology is the nature of theology practical theoretical or can it be both In a manner equally as welcoming to professors pastors students and armchair theologians Horton has organized this volume in a readable fashion that includes a variety of learning features A brief synopsis of biblical passages that inform certain doctrines Surveys of past and current theologies with contemporary emphasis on exegetical philosophical practical and theological questions Substantial interaction with various Christian movements within the Protestant Catholic and Orthodoxy traditions as well as the hermeneutical issues raised by postmodernity Charts sidebars questions for discussion and an extensive bibliography divided into different entry levels and topics At the heart of this book is a deep love for and curiosity about God Its basic argument is that a personal relationship with God goes hand in hand with the pursuit of theology It isn't possible to know God without studying him

**Feasting in a Famine of the Word** Mark W. Birkholz, Jacob Corzine, Jonathan Mumme, 2016-02-16 The Lord warns of a famine of hearing the word of the Lord Amos 8 11 Has this warning come to pass in our day There is no shortage of preachers but how often do they miss the mark in actually delivering the word of God to their hearers leaving them hungry The authors of these essays seek to equip preachers with resources to offer their hearers a rich feast from the word of the Lord Writing from a Lutheran perspective contributors from across the globe provide a fresh approach to preaching These authors represent seasoned pastors and professors as well as young scholars All are actively preaching and teaching God's word on a regular basis This book covers a wide range of topics relating to preaching from the scriptural background and hermeneutical issues to historical examples of notable preachers and also practical guides to crafting and delivering a sermon These essays will assist preachers in proclaiming God's word in a manner that provides a feast for those living in a famine stricken world Check out a review on Logia Online Review on the Pastoral Meanderings Blog Video Endorsement by LCMS President Matt Harrison Interview with Mark Birkholz and Jonathan Mumme with BookTalk on KUFO *First*
