Catullus and the Poetics of Roman Manhood David Wray,2001-09-06 This book applies comparative cultural and literary models to a reading of Catullus poems as social performances of a poetics of

manhood a competitively often outrageously self allusive bid for recognition and admiration Earlier readings of Catullus based on Romantic and Modernist notions of lyric poetry have tended to focus on the relationship with Lesbia and to ignore the majority of the shorter poems which are instead directed at other men Professor Wray approaches these poems in the light of more recent models for understanding male social interaction in the premodern Mediterranean placing them in their specifically Roman historical context while bringing out their strikingly postmodern qualities The result is an alternative way of reading the fiercely aggressive and delicately refined agonism performed in Catullus shorter poems All Latin and Greek quoted is supplied with an English translation     The Uses of Poetry Denys Thompson,1978-07-20 This is an account of the part played by poetry in the life of man from earliest times to the present Older than prose it was the vehicle for his technology history philosophy and science it helped him feel at home in his environment it was the social element between him and his fellows Mr Thompson explores these many facets in the earlier chapters of his book and then goes on to consider the impact of printing when in his view poetry became subtler but ceased to be a popular possession However as Mr Thompson shows poetry could still be of value in helping people to cope with the strains of living in assimilating the implications of vast new fields of knowledge and in keeping alive the idea of humanity in a dehumanising age     *Poetry of Mourning* Jahan Ramazani,1994-05-28 Through readings of elegies self elegies war poems and the blues this book covers a wide range of poets including Thomas Hardy Wilfred Owen Wallace Stevens Langston Hughes W H Auden Sylvia Plath and Seamus Heaney It is grounded in genre theory and in the psychoanalysis of mourning     Clairvoyant Cat Poems Elizabeth Bollington,2006-07-01 Each day they are your companion part of your family your best friend and these furry happy kitties have won places in our hearts and souls Here you will find their life laughter fun catnip times and sentimental times too These are all cat story poems to touch readers in their own unique way     Encyclopedia of Trauma Charles R.
