*The Cruel Radiance* Susie Linfield,2011-05-27 In *The Cruel Radiance* Susie Linfield challenges the idea that photographs of political violence exploit their subjects and pander to the voyeuristic tendencies of their viewers Instead she argues passionately that looking at such images and learning to see the people in them is an ethically and politically necessary act that connects us to our modern history of violence and probes the human capacity for cruelty Grappling with critics from Walter Benjamin and Bertolt Brecht to Susan Sontag and the postmoderns and analyzing photographs from such events as the Holocaust China s Cultural Revolution and recent terrorist acts Linfield explores the complex connection between photojournalism and the rise of human rights ideals In the book s concluding section she examines the indispensable work of Robert Capa James Nachtwey and Gilles Peress and asks how photography should respond to the increasingly nihilistic trajectory of modern warfare A bracing and unsettling book *The Cruel Radiance* convincingly demonstrates that if we hope to alleviate political violence we must first truly understand it and to do that we must begin to look

Sweeney,2018-01-12 I only meant to steal a few moments to myself that night as the roar of the guests and the crash of the orchestra had worn my nerves thin Just a few minutes alone in the hallway to reset myself and focus had been all I wanted I hadn t meant to see something I shouldn t have They hadn t known I was there as they brawled and I had watched from the shadows in terror too petrified to cry out let alone move They almost left on their merry way but somehow one of them had sensed me and from that moment I became his prey He said my soul was the ambrosia he had been hunting for and he would savor it someday when he decided to kill me He burned his demonic mark into my arm to claim my soul and cackled at my pain Promising me more if I screamed but I refused to give in to death If anyone sees the mark they ll know I ve been claimed by a demon and I ll be executed by the military and my mangled body used as an example of what it means to become inhuman And I can t remove the unholy mark either as no one had been able to do so since the dawn of time But I am my father s daughter and I refuse to go quietly I made a contract with another monster in hopes he ll keep my soul intact and prevent my early demise but in doing so I ve sealed my fate If the mark is found out I ll be executed If I do nothing than someday that monster will come back and devour me body and soul But if anyone were to find out that I contracted another fey as my ally than I ll be beheaded for treason to the empire But I refuse to go quietly Even if it breaks my soul bit by bit in the end it s still mine and not in the jaws of the monsters who lurk in the night But in fighting for my life the secrets of my blood are revealed and the true radiance of my soul is blinding everyone around me Even me      Death Ryan

Hartung,2014-10-01 Hundreds of years in the making a full worldwide war between the East and the West is brewing The cataclysmic divide between the richer western nations and the poorer East has reached a breaking point Shadowed behind the veil of impending war is new evidence suggesting the Greek and Roman gods of legend might have been real after all Though hidden for many millennia mighty weapons embodying the Greek god s magnificent powers are beginning to be found Each country fully understands the tremendous importance of finding the remaining god like treasures before the rest The race is on as each half of the world battles to gain possession of the enormously powerful ancient artifacts The world s fate is in their hands After their discovery of Zeus Lightning Staff in Peru Colt Andrews and his team begin searching for the next ancient relic waiting to be unearthed Buried deep beneath the surface of Mount Vesuvius lays Hades temple and perhaps the most powerful treasure yet However this time they must fight to retrieve the powerful artifact before the Russians and the Chinese can call it their own      **American Journal of Electrotherapeutics and Radiology** ,1926
