## **Radiant Hour:**

**Cosmopolis** Howard Mansfield, 2017-09-25 The twentieth century saw a grand procession of promises for the city The great modern architect Le Corbusier dictated cities of glittering white towers planted in green parks Frank Lloyd proposed cities with no downtown cities spread across the countryside with each family on its homestead and skyscraper utopians of the 1920s promised paradise on the one hundredth floor with our airplane hangared next door One thing was sure the city of tomorrow would put to shame the city of yesterday Another thing was certain too we would be happier more peaceful and productive people Here is Le Corbusier Free man tends to geometry And if we followed the radiant harmony of his geometry the world's cities could become irresistible forces stimulating collective enthusiasm collective action and general joy and pride and inconsequence individual happiness everywhere the modern world would emerge and would beam around powerful happy believing There were others who promised deliverance through their brands of architecture the right angle the curvilinear road in the park the tower of glass Each fervently preached that his was the magic geometry that like tumblers on a lock would open the way to the good life *Cosmopolis* is a pattern book of expectations generously illustrated with a gathering of plans from the City Beautiful to the Italian Futurists The Cit Industrielle World's Fair utopias science fiction visions and the grand plans of the Moderns *Cosmopolis* is the story of the ideal city we never achieved and the great plans that went into making over precincts of our urban language     **The Drama** ,1919     **Combustion** ,1926     *Poems from the Book of Hours* Rainer Maria Rilke, 2018-01-23 One of the most powerful poetry collections of the twentieth century now in a beautiful new edition Although *The Book of Hours* is the work of Rilke's youth it contains the germ of his mature convictions Written as spontaneously received prayers these poems celebrate a God who is not the Creator of the Universe but rather humanity itself and above all that most intensely conscious part of humanity the artist Babette Deutsch's classic translations born from the pure desire to sing what the poet sang Ursula K Le Guin capture the rich harmony and suggestive imagery of the originals transporting the reader to new heights of inspiration and musicality     **F. Scott Fitzgerald on Silent Film** Martina Mastandrea, 2022-08-15 F Scott Fitzgerald on Silent Film recalibrates the celebrated author's early career and brings fresh understanding to the life of one of America's truly great literary figures Scholars have previously focused on Fitzgerald's connection with Hollywood when he worked in Tinseltown as a screenwriter in the 1930s However this ground breaking research reveals the key role that Silent Hollywood played in establishing Fitzgerald's burgeoning reputation in the early to mid 1920s Vividly written and drawing on a wealth of new sources this book documents Martina Mastandrea's exciting discovery of the first film ever adapted from a work by Fitzgerald     **The Ladies' Cabinet of Fashion, Music & Romance** ,1839     **Hymn and Tune Book for the Church and the Home** American Unitarian Association, 1877     **A Gravity's Rainbow Companion** Steven C. Gravity's Rainbow Weisenburger takes the reader page by page often line by line through the welter of historical references scientific data cultural fragments anthropological research jokes and puns around which Pynchon wove his story Weisenburger fully annotates Pynchon's use of languages ranging from Russian and Hebrew to such subdialects of English as 1940s street talk drug lingo and military slang as well as the more obscure terminology of black magic Rosicrucianism and Pavlovian psychology The Companion also reveals the underlying organization of Gravity's Rainbow how the book's myriad references form patterns of meaning and structure that have eluded both admirers and critics of the novel The Companion is keyed to the pages of the principal American editions of Gravity's Rainbow Viking Penguin 1973 Bantam 1974 and the special repaginated Penguin paperback 2000 honoring the novel as one of twenty Great Books of the Twentieth Century **Hymn and Tune Book, for the Church and the Home** Anonymous,2025-07-13 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Hymn and Tune Book for the Church and the Home** Anonymous,2025-07-09 Reprint of the original first published in 1882 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Afonso Costa** Filipe Ribeiro de Meneses,2011-04-19 Portugal's poor military performance in the First World War notably in Africa restricted Afonso Costa's 1871-1937 ability to secure his diplomatic aims which in any case were highly unrealistic Nevertheless his loyal press in Portugal described him as the leader of the small nations and reported his every statement as a major triumph Afonso Costa's most important intervention took place in May 1919 when he denounced the Allies unwillingness to make Germany pay for all the damage she had caused during the conflict this speech led to a number of newspaper interviews in which Costa restated his position The final draft of the Treaty was a complete shock to Portuguese public opinion It effectively spelt the end of Costa's political career This book considers the political implications of Portugal's participation in the First World War and of the defeat in Paris Reconciliation between the rival parties and between factions within parties became impossible as did as a result the formation of a stable cabinet **Catalog of Copyright Entries** Library of Congress.
