Radiant Woman:

A Woman's Secret for Confident Living Karol Ladd, 2011-08-01 Bestselling author Karol Ladd shares powerful truths from Colossians and reveals an exciting path to confident living through God's love and grace. With biblical wisdom and an inspiring belief in God's purpose for each woman, Karol helps readers transform the way they see themselves and how they live out their lives as they discover their value and confidence in God. With this vital perspective shift, a woman will transform her thinking through powerful prayers, cultivate potential by exploring the dreams God gives to her, step forward with a strong sense of identity in Christ, deepen relationships and communication with others and with God, shine with joy and assurance of what she brings to the world. Karol's study questions bring dimension to God's leading and hope for women and provide individuals or groups a practical way to explore, know, and live boldly in God's confidence. *Pussy Regena Thomashauer*, 2018-04-03 Required reading for every woman who longs to step into her power and live with pleasure and purpose. *Kris Carr*, New York Times best-selling author, author, educator, and School of Womanly Arts founder. *Regena Thomashauer* has been working with women for the past 25 years and what began as just a few women in her living room has since grown into a global movement with thousands of graduates worldwide. In her New York Times bestseller *Pussy A Reclamation*, she reveals what no one taught you about the source of your feminine power and how to use it. This power is the part of a woman that she has been taught to ignore, push down, and despise. Indeed, the word that most viscerally sums it up is arguably the most powerful pejorative word in the English language. Like any expletive used effectively, the title of this book is meant to be a wake-up call. It is a reclamation in a world that desperately requires the feminine. Readers learn the secret ingredient every woman is missing: how to crack the confidence code, why sex appeal is an inside job, what's ahead on the next frontier of feminism, and how they can help make it happen, and much more. By turns earthy and erudite, passionately argued and laugh-out-loud funny, *Pussy* delivers the tools and practices a woman requires to do and be whatever she wants in this life. It's a call for her to tune in, turn on, and not drop out, but live more richly, fully, and lusciously than she ever thought she could.

The Revelation

Rainbow Charles Walter Doughty, 2016-07-19 This book Revelation Rainbow is the end of a forty year quest by the author to find answers to the questions generated by Biblically un informed scholarship that shrouds rather than unveils the great truths of this Holy Spirit directed work of our Lord Hundreds of students of Revelation have been left in a bewildered state because certain scholars approach the book with a human mindset instead of a Spirit led mindset Instead of looking at Revelation as The Divine apocalypse they try to humanize and literalize the book as a study of human secular history leaving the student with a complicated scheme of things that do not make sense Having met these students Mr Doughty was greatly distressed to see them turn from God s Word especially Revelation altogether Subjects like the Antichrist Millennium Mark of the Best Rapture Tribulation and Left Behind are just some of the end time twists causing confusion *The Ethnopoetics of Shamanism* M.
