Radical Evangelism A New Look At An Old Commission:

Annotation ,1994 A Quick Look at Christian History George Kurian,2015-04-01 A few weeks after Easter AD 33 the entire church fit in one upstairs room In just decades it exploded into a worldwide movement What happened Follow the action with this collection of the highs and lows of the people of God Its twenty informative and fast paced chapters are arranged by centuries Each one begins with a summary of the most important statistics and influential Christians at that time In the rest of each chapter you ll find concise notes about the history of Christianity including its practices and beliefsdenominations and movementsinstitutions and traditionsevangelism and persecutionliterature art and architecture You can also use the helpful index to read topically rather than chronologically Follow the explosive spread of the gospel and discover your amazing heritage as a member of God s family **The Christian Leader** ,1929 *Evangelism and Social Concern in the Theology of Carl F. H. Henry* Jerry M. Ireland,2015-06-01 How do evangelism and social concern relate to one another in the mission of the church How should the Old Testament s emphasis on social justice inform the praxis of modern believers Does the Bible emphasize individual salvation or does it teach a broader more inclusive concept Theologians missiologists pastors and educators have wrestled with these questions for centuries But especially since the early part of the twentieth century this debate has increasingly become a point of contention among evangelical Christians with few indications that a consensus may soon be forthcoming Yet few have offered so thorough an answer to these questions as has Carl F H Henry Henry s regenerative model of evangelism and social concern stands on the shoulders of Augustine and many others and offers what may be the best way forward This book explores Henry s thoughts on this subject and sets him in dialogue with numerous others who have written on these topics Thus it will prove a valuable resource for all interested in this topic *The Western Christian Advocate* ,1906 **Punishment and Control in Historical Perspective** H. Johnston,2008-10-24 Bringing together new research this book advances current theoretical understandings of punishment and control in society It provides a critical analysis of institutions punishment and the law and explores the delivery of punishment and experience of incarceration in Western societies from the early nineteenth century **The Presbyterian** ,1909 Great Commission, Great Confusion, or Great Confession? Lucas V. Woodford,2012-04-26 There is a great debate going on in the church today It centers on one question What is the mission of the church From culturally relevant emerging congregations to strategic methods of organization and outreach many claim they have the answer They say the mission must become missional Yet the churches of North America continue to struggle Uncertainty is growing What does it really mean to be missional Competing claims abound Get the message out Get the message right Great confusion has set in particularly in the postmodern North American church The Gospel is getting lost Yet throughout the ages the creedal confession of the Holy Christian Church has carried her through uncertainty and struggle The Apostles Creed has steadied and stayed the mission of the church for centuries It centers on the Gospel of Jesus Christ and the work of the Holy Spirit the communion of saints

the forgiveness of sins the resurrection of the body and the life everlasting This book celebrates the historic mission of the Holy Christian Church and it invites the North American church to do the same
