Measuring Information Technology Investment Payoff Mo Adam Mahmood, Edward J. Szewczak, 1999-01-01 It would seem that business investment in information technology IT is at root no different from business investment in anything else

After a careful consideration of the costs of the investment and its anticipated benefits a decision is made as to whether the benefits of the investment outstrip the costs and by how much. If the benefits are competitive with other investment alternatives say a major marketing campaign then the business will commit financial resources to the IT proposal. Otherwise it won't. This decision making process is at the heart of capital budgeting. Senior executives have been making IT investment decisions for well over three decades. So why is the measurement of IT investment payoff so difficult and controversial? Why do we need a book dealing with contemporary approaches to measuring IT investment payoff? Why have earlier approaches to measuring IT investment payoff proven unsatisfactory? In what respects have earlier approaches fallen short? Do we need to scrap earlier approaches entirely or can we find important improvements to these approaches such that they can be newly applied to effectively measure IT investment payoff in ways that are convincing to senior management? This book will help you to find improvements in existing methods for measuring IT investment payoff as well as to find new innovative methods for addressing the value of emerging IT. 0000 0 Media, Social Movements, and Protest Cultures in Africa Lungile

Tshuma, Trust Matsilele, Shepherd Mpofu, Mbongeni Msimanga, 2024-08-19 Edited by Lungile Tshuma Trust Matsilele Shepherd Mpofu and Mbongeni Msimanga. *Media Social Movements and Protest Cultures in Africa* Hashtags Humor and Slogans provides a rich array of protest cultures in Sub Saharan Africa delving into the motivations for protests how protests are carried out and how those targeted by protests try to undermine the protesting movements. Organized into three parts this book examines social media and social movements online protest strategies and media texts used in various protest movements within Sub Saharan Africa. The contributors shed light on the brutality of various post colonial regimes in Africa while also giving the reader hope for the current movements that seek to wrestle their societies from the jaws of autocratic leaders. This book offers a theoretically rich and methodologically diverse engagement of protest cultures in countries like Zimbabwe Nigeria and Ethiopia. The wide tapestry of how these protests are formulated and executed speaks to Africa's diversity and dynamism. This book makes an important intellectual contribution on social and political movements and is relevant to policy makers and researchers in the social sciences and digital humanities. *Managers Learning in Action*

David Coghlan, Tony Dromgoole, Pay Joynt, Peter Sorensen, 2004-07-31 Rather than offering either a purely practical or theoretical context this text is written by a team of managers and academics combining theory and practice to create a holistic and above all realistic exploration of learning at work including real life examples of management challenges.
