Stories From My Career Lynne Gross, 2014-02-20 *Stories From My Career* is a compilation of 50 illustrated stories about the author's career as a college professor and media practitioner. Her career began in the 1960s when very few women were employed in either area and spanned six decades until her retirement. The initial stories take place in Pittsburgh where she grew up and Chicago where she went to college but most of the stories are centered in the Los Angeles area. A fair number also take place in other countries where she taught and consulted. The stories encompass topics such as combining career and family, the evolution of electronic technology, the civil rights movement, maternity leave practices, television production techniques, the Academy of Television Arts Sciences, beginnings of cable TV, teaching challenges, media functions in developing nations, and career advice.

Careers and Jobs in the Media Simon Kent, 2005 *Careers Jobs in the Media* covers a wide range of job opportunities and looks at the different sectors within this wide-ranging industry. It includes crucial information on how to get a job in journalism, publishing, broadcast media, film, and new media.

The Women Who Made Television Funny David C. Tucker, 2015-03-26 Most of the bright and talented actresses who made America laugh in the 1950s are off the air today but their pioneering Hollywood careers irrevocably changed the face of television comedy. These smart and sassy women successfully negotiated the hazards of the male-dominated workplace with class and humor and the work they did in the 1950s is inventive still by today's standards. Unable to fall back on strong language, shock value, or racial and sexual epithets, the female sitcom stars of the 1950s entertained with pure talent and screen savvy. As they did so, they helped to lay the foundation for the development of television comedy. This book pays tribute to 10 prominent television actresses who played lead roles in popular comedy shows of the 1950s. Each chapter covers the works and personalities of one actress: Lucille Ball, I Love Lucy, Gracie Allen, The George Burns and Gracie Allen Show, Eve Arden, Our Miss Brooks, Spring Byington, December Bride, Joan Davis, I Married Joan, Anne Jeffreys, Topper, Donna Reed, The Donna Reed Show, Ann Sothern, Private Secretary, and The Ann Sothern Show, Gale Storm, My Little Margie, and The Gale Storm Show, Oh Susanna, and Betty White, Life with Elizabeth. For each star, a career sketch is provided, concentrating primarily on her television work but also noting achievements in other areas. Appendices offer cast and crew lists, a chronology, and an additional biographical sketch of 10 less familiar actresses who deserve recognition.

Career Coach Shelly Field, 2008 Provides advice on obtaining and succeeding in a career in the sports industry, discussing career goals, job searching, networking, self-promotion, interviewing, resumes, and other related topics, and including self-assessment worksheets and resources.
