The plan started to form in the mind of Lucien Veneau the minute he picked up the piece of gold bearing rock from the muskeg south of Jenny Lake. Little notice was taken when two Quebecois prospectors Lucien Veneau and Gerard Richard disappeared in the Foster Lakes country of Northern Saskatchewan. The RCMP however became interested when a decomposed body was found in a nearby trapper's cabin. Bonnie Sabreau hated her job. She resented her brother talking her into leaving her comfortable life in Saskatoon to come work in this mining camp. It was like a prison. She couldn't leave or contact her family until they were allowed to go home at the end of the season. Finally the Company pulled out, tried to kill her and her partner and left them to fend for themselves. After they escaped she lost no time in helping Detective Lucie Hansen and her assistants in locating and tracking down the managers of the mine. This fast paced adventure takes you from the bush country of Northern Saskatchewan to the streets of Saskatoon and the Vancouver waterfront.
