Listening on the Short Waves, 1945 to Today Jerome S. Berg,2008-10-01 This book presents the histories of the major North American shortwave clubs and reviews the professional and listener generated shortwave literature of the era It also covers the DX programs and other listening fare to which shortwave listeners were most attracted and the QSL cards they sought as confirmation of their reception Provided by publisher

Ham Radio's Technical Culture Kristen Haring,2007 A history of ham radio culture how ham radio enthusiasts formed identity and community through their technical hobby from the 1930s through the Cold War

ARRL's Low Power Communication ,2007-08-16

On the Short Waves, 1923-1945 Jerome S. Berg,2007-04-11 As radio developed in the early 1920s the focus for most people was the AM band and stations such as KDKA the first broadcast station There was however another broadcast method that was popular among many early enthusiasts shortwave radio As is true today the transmission of news and entertainment programs over shortwave frequencies permitted reception over great distances For many in America and beyond shortwave was an exciting aspect of the new medium Some still tune the shortwave bands to enjoy the programming Others pursue broadcasts for the thrill of the hunt This book fully covers shortwave broadcasting from its beginning through World War II A technical history examining the medium s development and use tells the story of a listener community that spanned the globe Included are overviews of the primary shortwave stations operating worldwide in the 1930s along with clubs and competitions publications and prizes A rich collection of illustrations includes many QSLs the cards that stations sent to acknowledge receipt of their transmissions and that are much prized by long distance collectors

Boys' Life ,1953-02 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting

The Early Shortwave Stations Jerome S. Berg,2013-10-04 In July 1923 less than three years after Westinghouse station KDKA signed on company engineer Frank Conrad began regular simulcasting of its programs on a frequency in the newly discovered shortwave range It was an important event in a technological revolution that would make dependable worldwide radio communication possible for the first time In subsequent years countless stations in practically all countries followed suit taking to shortwave to extend reception domestically or reach audiences thousands of miles away Shortwave broadcasting would also have an important

role in World War II and in the Cold War In this his fourth book on shortwave broadcast history the author revisits the period of his earlier work *On the Short Waves 1923-1945* and focuses on the stations that were on the air in those early days The year by year account chronicles the birth and operation of the large international broadcasters as well as the numerous smaller stations that were a great attraction to the DXers or long distance radio enthusiasts of the time With more than 100 illustrations and extensive notes bibliography and index the book is also a valuable starting point for further study and research
