Metaphors We Teach By Ken Badley, Harro Walter Van Brummelen, 2012-06-01 *Metaphors We Teach By* helps teachers

reflect on how the metaphors they use to think about education shape what happens in their classrooms and in their schools Teaching and learning will differ in classrooms whose teachers think of students as plants to be nurtured from those who consider them as clay to be molded Students will be assessed differently if teachers think of assessment as a blessing and as justice instead of as measurement This volume examines dozens of such metaphors related to teaching and teachers learning and learners curriculum assessment gender and matters of spirituality and faith The book challenges teachers to embrace metaphors that fit their worldview and will improve teaching and learning in their classrooms **Power and the Church** Martyn Percy,1998-03-01 Employing insights from theology sociology and political science this text considers the question of power within the Church which is thought to provide the key to unlocking core dilemmas in the Church s self understanding and to point towards a relevant ecclesiology for the 21st century The book shows how different denominations handle power in different ways exposes the misuse of power in fundamentalist and new religious movements and argues that these movements highlight problems of power elsewhere within the Church Book of Jesus Calvin Miller,1998 An anthology of stories poems essays biblical passages hymns and songs celebrates the life of Jesus Christ in a collection that features contributions from Shakespeare Gandhi Dickens Desmond Tutu and others Jesus Walter Wangerin Jr.,2009-05-18 Walter Wangerin Jr is know for his powerful storytelling in such books as The Book of the Dun Cow The Book of God and Paul A Novel Now he offers the most important story of the Christian faith the life of Jesus presented in the author s inimitable style Rich in atmosphere and historical detail and as compelling as any contemporary fiction this novel will move readers with its creative perspectives and deep insights **Disciplines of a Godly Man (Updated Edition)** R. Wangerin,1996 Following a conflict with the dreaded Wyrms the barnyard animals try to piece together their shattered lives while unaware that their enemy plans new attacks

Martyr's Manual Wayne Brouwer,2019-05-28 Faith gets its most powerful definition from the New Testament book of Hebrews Yet this anonymous treatise tantalizes with both its lack of contemporary precision about faith's definition and its shrouded original context There are however sufficient clues in Hebrew's text to guide astute investigators toward a strange and yet familiar world of religious challenge in which the deeply significant rituals of ancient Israel the attractive moral character of first century Jews in Rome a crowd of disaffected righteous Romans and a purported Palestinian messiah converge to produce one of the world's most thoughtful courageous and brilliant calls to martyrdom In this careful pilgrimage along the author's meticulous development of a holy challenge to remain faithful to Jesus precisely because there are no meaningful alternatives Brouwer helps us find an inspiring and ever relevant call to faith we become the persons we are through the daily choices we make about Jesus and others
