Ping Robbins,Guy Marco,2014-06-17 First Published in 1998 This book is the first resource guide to published materials on Scott Joplin and encompasses a wide variety of items having to do with the man his life his music and his influence on ragtime throughout the twentieth century This guide includes articles and listings on festivals concerts clubs or societies individual performers performing groups radio television and film as well as bibliography on Joplin and ragtime in general **Library of Congress Subject Headings** Library of

Congress. Cataloging Policy and Support Office,2007 Dvorak to Duke Ellington Maurice Peress,2004-03-25 Prominent symphony conductor Maurice Peress describes his career conducting the premiers of such works as Leonard Bernstein s Mass and Duke Ellington s Queenie Pie He traces the great impact of African American music on American music beginning with the work of Antonin Dvořák **I Believe I'll Go Back Home** Thomas S. Curren,2021-05-28 Between 1959 and 1968 New England saw a folk revival emerge in more than fifty clubs and coffeehouses a revolution led by college dropouts young bohemians and lovers of traditional music that renewed the work of the region s intellectuals and reformers From Club 47 in Harvard Square to candlelit venues in Ipswich Martha s Vineyard and Amherst budding musicians and hopeful audiences alike embraced folk music progressive ideals and community as alternatives to an increasingly toxic consumer culture While the Boston Cambridge Folk Revival was short lived the youthful attention that it spurred played a crucial role in the civil rights world peace and back to the land movements emerging across the country Fueled by interviews with key players from the folk music scene I Believe I ll Go Back Home traces a direct line from Yankee revolutionaries up country dancers and nineteenth century pacifists to the emergence of blues and rock n roll ultimately landing at the period of the folk revival Thomas S Curren presents the richness and diversity of the New England folk tradition which continues to provide perspective inspiration and healing in the present day Blues Dick Weissman,2005 Blues The Basics offers a concise introduction to a century of the blues Organized chronologically it focuses on the major eras in the growth and development of this popular musical style Material includes a definition of the blues and the major genres within it key artists such as Ma Rainey Bessie Smith Robert Johnson and Blind Lemon Jefferson key recordings Complete with timelines and suggestions for further investigation this fascinating overview is ideal for students and interested listeners **The Gilded Age** Joel Shrock,2004-06-30 The Gilded Age the time between Reconstruction and the Spanish American War marked the beginnings of modern America The advertising industry became an important part of selling the American Dream Americans dined out more than ever before and began to take leisure activities more seriously Women s fashion gradually grew less restrictive and architecture experienced an American Renaissance Twelve narrative chapters chronicle how American culture changed and grew near the end of the 20th century Included are chapter bibliographies a timeline a cost comparison and a suggested reading list for students This latest addition to Greenwood s American Popular Culture Through History series is an invaluable contribution to the study of American popular culture American Popular Culture Through History is the only reference series that presents a detailed narrative discussion of U S popular culture This volume is one of 17 in the series each of which presents essays on Everyday America The World of Youth Advertising Architecture Fashion Food Leisure Activities Literature Music Performing Arts Travel and Visual Arts **Jazz in Print (1859-1929)** Karl Koenig,2002 This anthology was compiled to aid the scholar working on the origins and evolution of jazz Covering materials published through 1929 it also begins with articles from 1856 which do not concern jazz directly but will serve to present a solid foundation for

understanding the American music scene from which jazz developed Chronologically listed and well indexed the hundreds of articles comprise in effect a history of jazz as it evolved Beginning with accounts of negro music in the pre jazz era continuing in an exploration of spirituals followed by a description of ragtime we finally learn about the development of jazz from its practitioners and informed audiences of the time *Melody*, 1917 Early Jazz For Fingerstyle Guitar Lasse Johansson, 2016-02-18 This is a collection of jazz music arranged for fingerstyle guitar and spanning the years from the turn of the last century until the end of the 1930s There are classical ragtime numbers jazz band tunes stride piano and blues All are a part of an important musical legacy that shaped the beginnings of popular music Written in standard notation and tablature Cuttin' Up Court Carney, 2009 Reveals how the new technologies of mass culture the phonograph radio and film played a key role in accelerating the diffusion of jazz as a modernist art form across the nation s racial divide Focuses on four cities New Orleans New York Chicago and Los Angeles to show how each city produced a distinctive style of jazz "The Evolution of Jazz in Britain, 1880-1935" Catherine Tackley (n? Parsonage), 2017-07-05 As a popular music the evolution of jazz is tied to the contemporary sociological situation Jazz was brought from America into a very different environment in Britain and resulted in the establishment of parallel worlds of jazz by the end of the 1920s within the realms of institutionalized culture and within the subversive underworld Tackley n Parsonage demonstrates the importance of image and racial stereotyping in shaping perceptions of jazz and leads to the significant conclusion that the evolution of jazz in Britain was so much more than merely an extension or reflection of that in America The book examines the cultural and musical antecedents of the genre including minstrel shows and black musical theatre within the context of musical life in Britain in the late nineteenth and early twentieth centuries Tackley is particularly concerned with the public perception of jazz in Britain and provides close analysis of the early European critical writing on the subject The processes through which an evolution took place are considered by looking at the methods of introducing jazz in Britain through imported revue shows sheet music and visits by American musicians Subsequent developments are analysed through the consideration of modernism and the Jazz Age as theoretical constructs and through the detailed study of dance music on the BBC and jazz in the underworld of London The book concludes in the 1930s by which time the availability of records enabled the spread of hot music affecting the live repertoire in Britain Tackley therefore sheds entirely new light on the development of jazz in Britain and provides a deep social and cultural understanding of the early history of the genre **Bluegrass Breakdown** Robert Cantwell, 2003 Bluegrass Breakdown is an expansive foray into the makings of bluegrass More than any other book of its kind it gets to the roots of a uniquely American music that is deeply linked to working class ideals and romanticism Robert Cantwell engages the historical background commercial origins internal workings and cultural and social significance of popular old time music to provide a unique musicological and sociological perspective Well versed in the history of the tradition and equally as interested in those who listen to the music as in those who create it Cantwell links bluegrass to its

hillbilly roots in Appalachia and shows how the music was transformed by African American folk traditions the influence of jazz ragtime blues and country music and the growth of radio and recording technology Preserving and Interpreting the Origin, Development, and Progression of Jazz in the United States United States. Congress. Senate. Committee on Energy and Natural Resources. Subcommittee on Public Lands, National Parks, and Forests, 1990
