*Raiders from the Rings* Alan Edward Nourse, 1967      Raiders From The Rings Alan E Nourse, 2013-04-12 We have watched your plants for millennia The creature that spoke was barely three feet tall with wrinkled gray skin and monstrous eyes Yours is a war of children Only children would slaughter each other out of ignorance and fear Only children would fail again and again to learn the lessons of their foolishness It was true The underground people of Earth were united in terror and desperation against what they considered a frightful threat from the skies They had sent a mighty armada into space rushing in lethal orbit toward Mars The Spacers still really Earthmen themselves were poised for the counter blow The great fleet at Asteroid Central had sufficient warheads to reduce earth to a cinder But we also know the greatness of your spirit the precious spark which we cannot allow you to extinguish Now Ben Trefon understood that in the Black Belt of Power bequeathed to him by his father rested the final hope of the human race      **The Great Book of San Francisco Bay Area**

Fighting an uphill battle for most of their seventy five year history the Special Operations Forces slipped on many an occasion and fell far on several Presidents from Franklin Roosevelt to Barack Obama have enthusiastically championed Special Operations Forces but their enthusiasm has often surpassed their understanding resulting in misuse or overuse of the troops Lacking clearly defined missions Special Operations Forces have had to reinvent themselves time and again to prove their value in the face of fierce critics many of them from the conventional military which from the start opposed the segregation of talent in special units Highlighting both the heroism of America s most elite soldiers and the controversies surrounding their meteoric growth Oppose Any Foe presents the first comprehensive history of these special warriors and their daring missions It is essential reading for anyone interested in America s military history and the future of warfare
