# RAILROAD POSTCARDS *in the* AGE OF STEAM

# Railroad Postcards In The Age Of Steam

**Marcel A. Müller**

A decorative red circular graphic element, resembling a stylized sun or a lens flare, is positioned to the right of the author's name. It has a soft, glowing red center that fades into a lighter red and then into the white background of the slide.

## **Railroad Postcards In The Age Of Steam:**

*Railroad Postcards in the Age of Steam* H. Roger Grant, 1994 Out of the tradition of those long gone days of great heaving steam locomotives and endless rail lines comes this remarkable selection of vintage cards a treasure trove selected from John Vander Maas consummate collection at the University of Iowa Libraries This lavish volume is the first general book length work devoted to the once ubiquitous railroad picture postcard It comprises an introductory essay and an album of cards The former fully examines the nature of the postcard craze which reached its zenith about 1910 and discusses why images of American railroads played such an important part in the card phenomenon The album divides an engaging assortment of more than 150 representative views into five sections Trains and Rolling Stock Depots and Railway Structures The Railroad Corridor People and Railroads and The Lighter Side of Railroading Railroad historians train enthusiasts postcard collectors and all other readers will find much to interest them in this selection of images Not only are the cards themselves visually striking but they convey a sense of how important railroads once were to the nation's citizenry The sight of steaming locomotives and the hustle and bustle associated with train time caused hearts to quicken These feelings made views of railroad scenes popular with buyers of postcards and now with latter day railroad fans and card collectors

**Ohio in Historic Postcards** H. Roger Grant, 1997 This text presents 208 examples of postcards from early 20th century Ohio It provides a sketch of Ohio its economic growth and progress in the areas depicted in the cards and ties them to the historical context and story of Ohio

**Ohio's Railway Age in Postcards** H. Roger Grant, 1996 From unpublished collections of quality railroad picture postcards including rare real photo cards H. Roger Grant has selected more than 150 black and white views of the railway age in Ohio These scenes of steam trains and electric interurban lines of railroad workers and depots and travelers focus on the period 1900 to 1915 when Ohio railroading was in its heyday and the great American postcard passion was at its height

**"Follow the Flag"** H. Roger Grant, 2019-10-15 Follow the Flag offers the first authoritative history of the Wabash Railroad Company a once vital interregional carrier The corporate saga of the Wabash involved the efforts of strong willed and creative leaders but this book provides more than traditional business history Noted transportation historian H. Roger Grant captures the human side of the Wabash ranging from the medical doctors who created an effective hospital department to the worker sponsored social events And Grant has not ignored the impact the Wabash had on businesses and communities in the Heart of America Like most major American carriers the Wabash grew out of an assortment of small firms including the first railroad to operate in Illinois the Northern Cross Thanks in part to the genius of financier Jay Gould by the early 1880s what was then known as the Wabash St Louis Pacific Railway reached the principal gateways of Chicago Des Moines Detroit Kansas City and St Louis In the 1890s the Wabash gained access to Buffalo and direct connections to Boston and New York City One extension spearheaded by Gould's eldest son George fizzled In 1904 entry into Pittsburgh caused financial turmoil ultimately throwing the Wabash into receivership A subsequent reorganization

allowed the Wabash to become an important carrier during the go go years of the 1920s and permitted the company to take control of a strategic bridge property the Ann Arbor Railroad The Great Depression forced the company into another receivership but an effective reorganization during the early days of World War II gave rise to a generally robust road Its famed Blue Bird streamliner introduced in 1950 between Chicago and St Louis became a widely recognized symbol of the New Wabash When merger madness swept the railroad industry in the 1960s the Wabash along with the Nickel Plate Road joined the prosperous Norfolk Western Railway a merger that worked well for all three carriers Immortalized in the popular folk song Wabash Cannonball the midwestern railroad has left important legacies Today forty years after becoming a fallen flag carrier key components of the former Wabash remain busy rail arteries and terminals attesting to its historic value to American transportation

**Iowa Railroads** Frank Pierce Donovan (Jr.),2000-05 What began as a study of the Minneapolis Chicago Burlington Chicago Milwaukee St Paul and Chicago Rock Island Great Northern and Union Pacific and Wabash Moreover he contributed an issue on Iowa s principal interurbans most of which survived into the 1950s as electric powered freight only short lines In uniting Donovan s articles into a single volume Iowa Railroads provides the most complete history of Iowa s rail heritage

**Railroads in the Heartland** H. Roger Grant,1997 Historians of midwestern railroading during the early part of the twentieth century have generally focused on the production of railroad company histories while ignoring the regional view Fortunately for railway historians and buffs coincidentally with the zenith of the Railway Age the national fad for producing and mailing postcards was at its height Millions of cards including real photo images were produced between 1905 and 1915 Roger Grant has selected more than a hundred representative picture postcards to visualize the principal themes and characteristics that gave this dynamic industry its distinctive regional features By the turn of the century the railroad map of the Midwest was unequalled Anyone who examined it carefully sensed that this was the vital center of America s massive network of steel rails Depots erected in the western prairie environment were spartan with only minor decoration but those in the Midwest usually mirrored more ornate New England styles These features are often reflected in the images in this heavily illustrated book which depicts the spare but strong pioneering spirit of the enterprise

**Pastoral and Monumental** Donald C. Jackson,2017-03-15 In Pastoral and Monumental Donald C Jackson chronicles America s longtime fascination with dams as represented on picture postcards from the late nineteenth to the mid twentieth century Through over four hundred images Jackson documents the remarkable transformation of dams and their significance to the environment and culture of America Initially dams were portrayed in pastoral settings on postcards that might jokingly proclaim them as a dam pretty place But scenes of flood damage dam collapses and other disasters also captured people s attention Later images of New Deal projects such as the Hoover Dam Grand Coulee Dam and Norris Dam symbolized America s rise from the Great Depression through monumental public works and technological innovation Jackson relates the practical applications of dams describing their use in irrigation navigation flood control hydroelectric power milling mining

and manufacturing He chronicles changing construction techniques from small timber mill dams to those more massive and more critical to a society dependent on instant access to electricity and potable water Concurrent to the evolution of dam technology Jackson recounts the rise of a postcard culture that was fueled by advances in printing photography lowered postal rates and America's fascination with visual imagery In 1910 almost one billion postcards were mailed through the U S Postal Service and for a period of over fifty years postcards featuring dams were all the rage Whether displaying the charms of an old mill the aftermath of a devastating flood or the construction of a colossal gravity dam these postcards were a testament to how people perceived dams as structures of both beauty and technological power Was this Heaven? Lyell D. Henry,1995 Was This Heaven provides detailed depictions of homes and clothing and hairstyles of celebrations and ceremonies of church school and social activities of farm animals and city streets of the multitudinous ways of living full and satisfying lives Lyell Henry wisely gives priority to people over place shortchanging public buildings in favor of cards that cast a more direct light on early Iowans lives and minds Last spring's flood the Christmas tree in the parlor high school graduation the annual family picnic the whistle stop visit of President Taft and true life encounters with gigantic hogs and outsize ears of corn all combine to form a pleasantly rich visual record of the mental and physical worlds of the many Iowans featured These postcards convey images of people who found great joy in their daily lives With the publication of Was This Heaven Iowans at the end of the twentieth century can look back across the decades and recapture that same joy in these fresh and effervescent images Railroad Depots of Michigan David J. Mrozek,2008 Michigan has a rich railroad history which began in November 1836 when the Erie and Kalamazoo Railroad initiated service between Toledo Ohio and Adrian Michigan That first Erie and Kalamazoo train consisted of stagecoach like vehicles linked together and pulled by horses Steam locomotive hauled trains were still eight months in the future As these new transportation entities grew and prospered they put in place more elaborate station buildings in the communities they served By the end of the 19th century some of the larger railroad stations being built in Michigan were works of art in their own right But whatever size and form they took railroad stations were uniquely styled buildings and there was generally no mistaking them for anything else This volume portrays some of Michigan's finest railroad stations during their heyday in the second decade of the 20th century **The Station Agent and the American Railroad Experience** H. Roger Grant,2023-01-03 Before the widespread popularity of automobiles buses and trucks freight and passenger trains bound the nation together The Station Agent and the American Railroad Experience explores the role of local frontline workers that kept the country's vast rail network running Virtually every community with a railroad connection had a depot and an agent These men and occasionally women became the official representatives of their companies and were highly respected They met the public when they sold tickets planned travel itineraries and reported freight and express shipments Additionally their first hand knowledge of Morse code made them the most informed in town But as times changed so did the role of and the need for the station agent Beautifully

illustrated with dozens of vintage photographs The Station Agent and the American Railroad Experience brings back to life the day to day experience of the station agent and captures the evolution of railroad operations as technology advanced

Extractives, Manufacturing, and Services David O. Whitten, 1997-04-22 The second volume in the Handbook of American Business History series this book offers concise histories of extractive manufacturing and service industries as well as extensive bibliographic essays pointing to the leading sources on each industry and bibliographic checklists Supplementing other bibliographic materials in business history this volume provides researchers with a much needed path through the vast array of material available in the library and on the Internet Indicating which resources to check and which to bypass the book is a guide to a sometimes overwhelming amount of information Each of the book's chapters provides a concise industry history beginning with the industry's rise to importance in the U S and continuing to the present The bibliographic essays provide a narrative outline of the leading sources published or made available in archives libraries or museum collections since 1971 when Lovett's American Economic and Business History Information Sources was published Each discussion concludes with a bibliographic checklist of the titles mentioned in the essay as well as other titles In a rapidly expanding information society researchers teachers and students may be easily overwhelmed by the exhaustive material available in print and electronically What is useful and what can be ignored is a strategic question and few know where to begin This book provides a guide

New Age Marketing Upinder Dhar, 2008 The theme of NICOM 2008 being held between January 9 to 11 2008 is Strategies and Trends in Marketing A New Economy Perspective The issues challenges and dimensions of the emerging scenario are grouped into the following sub themes Marketing Information System brings together scholarly contributions on Marketing Research and Analytics Business Intelligence and Forecasting Tools Data Mining in Marketing and Decision Support System Knowledge Management and Environment Sensing for Marketing The sub theme Value Creation New Paradigms has deliberations on Marketing Innovations Trends in Pricing Strategy Diffusion of New Products and Marketing Mix Decisions Value Delivery in Marketing covers topics on Disintermediation Re intermediation Managing Marketing Channels Logistics and Technology and 3PL and 4PL Managing Marketing Communication looks at Managing Brands Changing Face of Advertising Marketing Communication on Internet Managing Content and Blogging The New Marketing Tool Marketing Metrics gets together papers on measuring Performance Expectations Customer Satisfaction Loyalty and Preferences Awareness Attitudes and Usage Business Markets in New Economy looks at Business Integration Managing Suppliers E Marketplaces Extended Organization and Managing Procurement Marketing and Technology debates on the issues in Process Automation Enterprise Resource Planning Customer Relationship Management Managing Customer Data Bases E commerce and Technology Customer Information Security Retail and Technology and Managing Online Services Interdisciplinary Studies gives a platform for Cross Cultural Studies Marketing of Financial Services Marketing of Hospitality and Tourism Marketing of Healthcare Services Managing Services Retail the Changing Face and Ethical Issues in

Roger Grant,1993 **Image File** ,1992 Railroad History ,1998 **Railway** George Revill,2013-06-01 In the nineteenth century railways were viewed as a symbol of progress and confidence in technological modernity In the twenty first century the frustrations of gridlocked traffic record high gas prices and the looming fears of climate change have transformed the railway system once again into a symbol of hope that provides the possibility of an environmentally sustainable future In Railway George Revill examines the technology and politics of railway history as well as related themes such as mobility identity design marketing and sustainability In both practical and symbolic senses the cultural meanings of railways continue to play a role in how people organize and respond to modern environments social problems and technologies Revill draws from art literature music and film to illustrate how the railway carries meaning for all of us creating connections and separations detachment and involvement from the routine commuter to the enthusiast As Revill shows railways inform our everyday language from fast track to side track to going off the rails and continue to fascinate us today In this wide ranging and well illustrated look at railways across the globe Revill ultimately reveals how central they are to our understanding of modern everyday life South Dakota History ,1999 **Photography** Mary Warner Marien,2006 Each of the eight chapters takes a period of up to forty years and examines the medium through the lenses of art science social science travel war fashion the mass media and individual practitioners Back Cover **Wisconsin Magazine of History** Milo Milton Quaife,Joseph Schafer,Edward Porter Alexander,1995 *Journal of the West* Lorrin L. Morrison,Carroll Spear Morrison,1996

Railroad Postcards In The Age Of Steam: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. Railroad Postcards In The Age Of Steam : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Railroad Postcards In The Age Of Steam : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Railroad Postcards In The Age Of Steam : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
