The legs of the stool are represented by the areas of scripture, tradition, and reason. This book is meant to provide a start for a group to begin a conversation with each other. It emphasizes that God made the promise of the Rainbow to all Noah's descendants. This is one of the reasons that the symbol of the rainbow became a symbol for the homosexual community to recognize safe places. Please make the place you meet to discuss this book with others a safe place for all. My prayer for those who read God's Rainbow Promise is that they will come away with an appreciation for the opinion of the other and that we are all God's children and that there is strength in diversity. Above all, I pray that we live into the summation of God's law found in Matthew chapter 22 by loving God with all of our heart, with all of our mind, and all of our soul, and loving our neighbor as ourselves. The Rev. Lauri Kerr grew up on a dairy farm in North Central Pennsylvania. Received a BA in Psychology from Mansfield University and a Master's in Organizational Leadership from Mansfield University. Attended and graduated from Virginia Theological Seminary; she was ordained as an Episcopal Priest on December 12, 2001. She served several small parishes during her 17 years of ordained ministry. She currently serves the three parishes of GLEAM Greater Lycoming Episcopal Area Ministry. Rev. Kerr has been with her wife Mary since 2002. She enjoys golf and bowling. Her main hobbies are collecting Elvis memorabilia and being a movie buff. Rev. Kerr has traveled to Israel and Myanmar. These experiences of overseas travel and life experience of having Turner syndrome and being a lesbian have led her to be a fierce advocate for inclusivity within the Episcopal Church.      **God's Got This** Rachel Shafer, Tim Sheets, 2023-02-21 Powerful Decrees to Equip All Ages for Spiritual Victory. There is a war against your children. Every day kids of all ages are bombarded with the enemy's lies that war against their God-given identities and divine destinies. But when kids speak God's truth over themselves, their minds are renewed, and they become rooted in a healthy Bible-based

**Downstream from Eden** David L. Knight, 2012-05 Downstream from Eden is a celebration of water in a less than perfect world. It will inspire you and bring you hope. Probably the most comprehensive study of water and the Bible you will find anywhere. Well researched and highly readable with stories from Icelandic waterfalls to the Aral Sea, from the origins of the universe to the Apocalypse, the author weaves a conversation that turns water into wine. You will sip and savor page after page. Water is an urgent global concern with 800 million people living today in parched conditions or with unsafe water. The UN Water for Life Decade 2005-2015 highlights the need for sustainable water solutions. Downstream from Eden adds a unique voice to this discussion with insights from the Bible, science, history, and literature on issues of social justice, the environment, and personal spirituality. Fascinating material. David Knight is a profound, reflective, and interesting writer. Ramez Atallah, The Bible Society of Egypt. A beautiful study of water. Read it slowly and enjoy. You will be refreshed, spirit and soul. Barry Mackay, Habitat for Humanity India, retired. Includes A Manifesto for Action, Ten Disciplines for Living Downstream.
