Rainbow Christofer Finch,1979      **Rainbow** Christopher Finch,Will Hopkins,1975-01-01      *Judy Garland* Scott Brogan,2025-06-18 A Definitive Celebration of Hollywood's Iconic Musical Star and Her Legendary Career More than 100 years after her birth Judy Garland remains the gold standard by which all movie musical leading ladies are judged She is revered and celebrated by current stars directors songwriters and others in the entertainment industry She also has a fan base that is as large as that of Marilyn Monroe or James Dean Her image especially Dorothy in *The Wizard of Oz* 1939 is an instantly recognized icon Garland really was the voice of MGM during her tenure and after No documentary about any aspect of the history of the MGM Studios is complete without Garland's voice on the soundtrack When people think of MGM Musicals they think of Garland along with Gene Kelly and Fred Astaire She's the only female in that exalted top three There have been many books about Garland's fabled and troubled life but none devoted solely to the study and celebration of her years at MGM She entered the studio as a 13 year old contract player in 1935 She left the studio in 1950 carrying the title Metro's Greatest Asset *Judy Garland The Voice of MGM* will focus on Garland's films but it will also delve into her other professional achievements such as her extensive appearances on radio programs her long association with Decca Records and her personal appearances highlighted by her two USO Bond Tours in the early 1940s This will be the definitive book about Garland's legendary career at MGM pulling back the curtain to reveal the truths about that career while also presenting previously unknown details and facts that are sure to delight her fans as well as fans of classic film      **My Judy Garland Life** Susie Boyt,2009-07-01 Judy Garland has been an important figure in Susie Boyt's life since she was three years old comforting inspiring and at times disturbing her In this unique book Boyt travels deep into the underworld of hero worship examining our understanding of rescue consolation love grief and fame through the prism of Judy Her journey takes in a duetting breakfast with Mickey Rooney a munchkin luncheon a late night spree at the Minnesota Judy Garland Museum and a breathless semi sacred encounter with Liza Minnelli Layering key episodes from Garland's life with defining moments from her own Boyt demands with insight and humor what it means exactly to adore someone you don't know Does hero worship have to be a pursuit that's low in status or can it be performed with pride and style Are there similarities that lie at the heart of all fans Chronicling her obsession Boyt illuminates her own life and perfectly distills why Judy Garland is such a legend      Judy Garland on Judy Garland Randy L. Schmidt,2014-09-01 It's going to be one hell of a great everlastingly great book with humor tears fun emotion and love Judy Garland said of her plans to tell her life story But she died at the age of forty seven before seeing it through *Judy Garland on Judy Garland* is the closest we will likely come to experiencing and exploring the legend's abandoned autobiography Collecting and presenting the most important Garland interviews and encounters that took place between 1935 and 1969 this work opens with her first radio appearance under contract with Metro Goldwyn Mayer and concludes with her last known interview one taped for Radio Denmark just months before her

death What makes this collection unique and distinguishes it from the plethora of Garland biographies is that it places Judy in the role of storyteller She wrote a number of essays for various publications and sat for countless print radio and television interviews These and the other autobiographical efforts she made are proof that Judy Garland wanted her story told and wanted it told in her own words Finally here it is **Heavenly Bodies** Richard Dyer,2013-05-13 Richard Dyer s classic study of movie stars and stardom has been updated with a new introduction by the author discussing the rise of celebrity culture and developments in the study of stars since publication of the first edition in 1986 Dyer s illuminating study is based around case studies of three major stars Marilyn Monroe Paul Robeson and Judy Garland He draws on a wide range of sources including the films in which each star appeared to illustrate how each star s persona was constructed and goes on to examine each within the context of particular issues in fan culture and stardom Students of film and cultural studies will find this an invaluable part of there course reading **The Real Nick and Nora** David L.
