Honey and Salt Carl Sandburg,1967-04 A collection of 77 new lyrical poems testifying to man s courage frailty and tenderness *The Art of Marriage Maintenance* Sylvia R. Karasu,Toksoz Byram Karasu,2005 Given the fact that 50% of marriages end in divorce you would think marriage wouldn t be so popular but getting married is one of the most popular of all life events In fact many new couples are willing to face considerable debt for the wedding ceremony alone It seems that many people spend more time on planning the wedding than on thinking about marriage and what it entails The Art of Marriage Maintenance is about marital life after the wedding It is about psychological and biological difficulties between men and women that make marriage so challenging It is about why passion is in danger of fading within marriage how hormones exacerbate behavior and how the brain confounds us It is about how pregnancy and having young children and adolescents often catapult a marriage to its breaking point and how the stresses of mid life contribute to marital discord It is in effect how to ensure a happy enduring marriage It is the art of marriage maintenance *Encyclopedia of American Poetry: The Twentieth Century* Eric L. Haralson,2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author s career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States *Poetry Writing Made Simple 1 Teacher's Toolbox Series* Sarika Singh,2015-05-11 Yes indeed everyone can be a poet Poetry is not the elusive and impractical exercise most of us think It is just a natural outlet of emotions thoughts experiences and more This unique book is akin to attending a teaching resource workshop where the teacher poet is enthusiastic to share his experience and learning about the inventive writing process and skills of poetry The straightforward and handy techniques used in this unpretentious book bring out the natural poet in all of us The volume offers tools practice and examples Dotted with exercises materials in this book are invaluable for classroom teaching Who

says children cannot be trained to write poetry Sarika Singh s well structured undemanding encouraging and inspiring tutorial is like a series of stepping stones for all those who have imagined putting pen to paper to articulate a sentiment Goods teaching should demonstrate not inform or advise That principle in practise is what makes this volume extraordinary Poetry writing never seemed so simple *Learning Journals in the K-8 Classroom* Marcia S. Popp,2012-11-12 Learning Journals in the K 8 Classroom is the first comprehensive presentation of how to use academic journals effectively for elementary level instruction The text outlines the theoretical foundations for using learning journals and provides step by step suggestions for implementing them in every content area and at all levels of elementary instruction Learning journals provide resources and support for reading aloud independent reading mini lessons cooperative study individual research workshops and the portfolio system The type of interactive writing students do in learning journals helps them explore complex ideas in the content areas using their own strengths of analysis and response the journals then become resources for future learning group discussions individual conferences learning assessment reports and progress Four introductory chapters show teachers how to create their own journals introduce journals to students integrate them with cooperative study and use them for assessment Additional chapters focus on the individual curriculum areas of literature writing mathematics science and social studies The text includes sample entries from student journals at all grade levels and in every content area and appendices of annotated resources to support journaling and interviews with teachers who use journals in their classrooms
