## **Rainer Maria Rilke Masks And The Man:**

Rainer Maria Rilke Heinz Frederick Peters, 1960      **Review of H.F. Peters' Rainer Maria Rilke : Masks and the Man, Published by University of Washington Press in 1960** William Webb Pusey, 1962      **Sense and Creative Labor in Rainer Maria Rilke's Prose Works** Nicholas Carroll Reynolds, 2021-08-06 This book is an investigation of the role of creative labor and the five senses in Rainer Maria Rilke's prose works including his Primal Sound essay the Stories of God The Notebooks of Malte Laurids Brigge and his monograph on Auguste Rodin It is about several protagonists quest to achieve creative labor by reconnecting spirit or the unconscious to the hand There are many difficulties in the way however illustrated by Rilke's essays tales and monographs In the process of overcoming these impediments the five senses are expanded and refined Rilke's characters undergo a transformation that not only allows them to do true creative labor but also brings them into a new relationship with themselves the world around them and other people Nicholas Carroll Reynolds received his PhD at the University of Oregon USA He has authored several articles on philosophy and literature and has worked as an editor and translator He is currently employed at Trinity University in San Antonio Texas USA where he teaches in the German Philosophy and First Year Experience programs as well as in Trinity's Study abroad program in Berlin Germany      *Rainer Maria Rilke's 'Gedichte An Die Nacht'* Anthony Stephens, 1972-05-25 An analysis of Rilke's Gedichte an die Nacht and the influence of this collection on his most outstanding work the Duinese Elegien      *The Beginning of Terror* David Kleinbard, 1993-02-01 The insights here are of such depth and contain such beauty in them that time and again the reader must pause for breath At last Rilke has met a critic whose insight courage and humanity are worthy of his life and work Leslie Epstein Director Graduate Creative Writing Program Boston University A well reasoned fairly fascinating and illuminating study which soundly and convincingly applies Freudian and particularly post Freudian insights into the self to Rilke's life and work in a way which enlightens us considerably as to the relationship between life and work in original ways Kleinbard takes off where Hugo Simenauer's monumental psycho biography of Rilke 1953 left off He succeeds in giving us a psychic portrait of the poet which is more illuminating and which does greater justice to its subject than any of his predecessors Any reader with strong interest in Rilke would certainly welcome the availability of this study Walter H Sokel Commonwealth Professor of German and English Literatures University of Virginia For beauty is nothing but the beginning of terror which we are just able to bear and we wonder at it so because it calmly disdains to destroy us Rilke Beginning with Rilke's 1910 novel The Notebooks of Malte Laurids Brigge The Beginning of Terror examines the ways in which the poet mastered the illness that is so frightening and crippling in Malte and made the illness a resource for his art Kleinbard goes on to explore Rilke's poetry letters and non fiction prose his childhood and marriage and the relationship between illness and genius in the poet and his work a subject to which Rilke returned time and again This psychoanalytic study also defines the complex connections between Malte's and Rilke's fantasies of mental and physical fragmentation and the poet's response to

Rodin's disintegrative and re-integrative sculpture during the writing of *The Notebooks and New Poems*. One point of departure is the poet's sense of the origins of his illness in his childhood and particularly in his mother's blind narcissistic self-absorption and his father's emotional constriction and mental limitations. Kleinbard examines the poet's struggle to purge himself of his deeply felt identification with his mother even as he fulfilled her hopes that he become a major poet. The book also contains chapters on Rilke's relationships with Lou Andreas Salom and Aguste Rodin who served as parental surrogates for Rilke. A psychological portrait of the early twentieth-century German poet. *The Beginning of Terror* explores Rilke's poetry, letters, non-fiction prose, his childhood and marriage. David Kleinbard focuses on the relationship between illness and genius in the poet and his work, a subject to which Rilke returned time and again. *Rilke's Sonnets to Orpheus* Hannah Vandegrift Eldridge, Luke Fischer, 2019-05-10. Written in three weeks of creative inspiration. Rainer Maria Rilke's *Sonnets to Orpheus* 1923 is well known for its enigmatic power and lyrical intensity. The essays in this volume forge a new path in illuminating the philosophical significance of this late masterpiece. Contributions illustrate the unique character and importance of the *Sonnets*, their philosophical import as well as their significant connections to the *Duino Elegies* completed in the same period. The volume features eight essays by philosophers, literary critics, and Rilke scholars which approach a number of the central themes and motifs of the *Sonnets* as well as the significance of their formal and technical qualities. An introductory essay co-authored by the editors situates the book in the context of philosophical poetics, the reception of Rilke as a philosophical poet, and the place of the *Sonnets* in Rilke's oeuvre. Above all, this volume's premise is that an interdisciplinary approach to poetry, and more specifically to Rilke's *Sonnets*, can facilitate crucial insights with the potential to expand the horizons of philosophy and criticism. Essays elucidate the relevance of the *Sonnets* to such wide-ranging topics as phenomenology and existentialism, hermeneutics and philosophy of language, philosophy of mythology, metaphysics, Modernist aesthetics, feminism, ecocriticism, animal ethics, and the philosophy of technology. *In the Company of Rilke* Stephanie Dowrick, 2011-11-10. Connecting to your inner life through the transformative poetry of Rainer Maria Rilke. *In the Company of Rilke* is a rare book about a rare poet. Rainer Maria Rilke was a giant of twentieth-century writing who remains a visionary voice for our own time, captivating readers not only with his brilliance but also his fearlessness about the deepest things. Speaking through his own contradictions and ambivalences, he gives readers a profound understanding of the complex beauty of human existence. Here, questions matter more than answers. Here, a poet can speak directly to God while also doubting God. Astonishingly, this is the first major study of Rilke from a spiritual perspective, even though the greatest of Rilke's gifts was to show how inevitably life centers upon a profound mystery to which we can freely open ourselves. Drawing on her deep understanding of the gifts of Rilke's writings as well as her own personal spiritual seeking, Stephanie Dowrick offers an intimate and accessible appreciation of this most exceptional poet and his transcendent work. **Lost Son** M. Allen Cunningham, 2008-04-01. Spanning western Europe from 1875 to 1917 and presenting a gothic historical Paris that subverts our old assumptions.

regarding the City of Light M Allen Cunningham's new novel brings a brooding atmosphere and human complexity to an intimate and imaginative portrait of one of the most uniquely sensitive artists of his time a poet whose odd childhood and difficult early life will both fascinate and perhaps help explain his determination to stay true to his artistic vision at almost any cost Here is Rainer Maria Rilke in the grip of his greatest artistic struggle life itself Rilke's gripping emotional drama as child lover husband father prot g misfit soldier and wanderer is framed by a haunted young figure a researcher who a century later feels compelled to trace Rilke's itinerant footsteps and those of Rilke's fictional alter ego the bewitched poet Malte Laurids Brigge The result is an exploration of the forever imperfect loyalties we face in work and life the seemingly immeasurable distances that can separate life and art and the generational tensions between masters and admirers *Rilke* Charlie Louth,2020 A full length study of the work of the German poet Rainer Maria Rilke 1875 1926 that studies the breadth of his work including the translations and the late poems written in French **Man Behind the Mask** Stan K. Sujka,2020-10-07 Poems are like tears Crying out Saltwater from The ocean of the soul Stan K Sujka **The Replaceability Paradigm** Niall Martin,Ilios Willemars,2024-06-04 The trope of humans being replaced by AI is one of the most familiar examples of the rhetoric of replaceability Not only have questions about what is unique and what is replaceable gained momentum in digital culture but notions of fungibility have emerged in many other contexts as well such as ecology management theory and more sinisterly in racist and conspiracist thinking This volume argues that there is a replaceability paradigm at work throughout the culture of modernity from the European Renaissance through Freudian psychoanalysis Chinese science fiction and postcolonial theory all the way to neural network programs such as Google's DeepDream This collection will be of interest to anybody engaged with the conceptual architecture of contemporary culture whether through film literature or new digital media **Twentieth-Century and Contemporary American Literature in Context** Linda De Roche,2021-06-04 This four volume reference work surveys American literature from the early 20th century to the present day featuring a diverse range of American works and authors and an expansive selection of primary source materials Bringing useful and engaging material into the classroom this four volume set covers more than a century of American literary history from 1900 to the present Twentieth Century and Contemporary American Literature in Context profiles authors and their works and provides overviews of literary movements and genres through which readers will understand the historical cultural and political contexts that have shaped American writing Twentieth Century and Contemporary American Literature in Context provides wide coverage of authors works genres and movements that are emblematic of the diversity of modern America Not only are major literary movements represented such as the Beats but this work also highlights the emergence and development of modern Native American literature African American literature and other representative groups that showcase the diversity of American letters A rich selection of primary documents and background material provides indispensable information for student research Atlantic Brief Lives ,1971 **Rilke: The Last Inward Man**

Lesley Chamberlain,2022-08-30 An incisive and intimate account of the life and work of the great poet Rilke exploring the rich interior world he created in his poetry When Rilke died in 1926 his reputation as a great poet seemed secure But as the tide of the critical avant garde turned he was increasingly dismissed as apolitical as too inward In Rilke The Last Inward Man acclaimed critic Lesley Chamberlain uses this charge as the starting point from which to explore the expansiveness of the inner world Rilke created in his poetry Weaving together searching insights on Rilke s life work and reception Chamberlain casts Rilke s inwardness as a profound response to a world that seemed ever more lacking in spirituality In works of dazzling imagination and rich imagery Rilke sought to restore spirit to Western materialism encouraging not narrow introversion but a heightened awareness of how to live with the world as it is of how to retain a sense of transcendence within a world of collapsed spiritual certainty

Consensuality Naomi Segal,2009 The body is an emissary We know little of our own feelings or the feelings of others but that ignorance is mediated through our organ of touch the skin The term consensuality stands for the co presence of perceptions on the skin which is the backcloth to sensation and thought If the intelligence of the body is the basis of both sense and consent consensuality also has to do with human relations based on the sense of touch particularly the mother child couple and the relation of desire love and loss This book touches on a range of cultural figures including Gide Princess Diana Kafka Gautier and Rilke and such films as Gattaca The Talented Mr Ripley Being John Malkovich The Piano and The Truman Show together with theories of the caress phantom limbs and replacement children Connecting all these is the work of psychoanalyst Didier Anzieu who wrote on group psychology psychodrama psychic envelopes creativity and thought he also published a study of May 68 written from the heart of Nanterre He was analysed by Lacan not knowing at the time that the latter had treated Anzieu s mother His Le Moi peau The Skin ego shows how the psychic skin holds protects and communicates but can also constrict or tear If love enwraps and loss flays how do we mourn

**The Concise New Makers of Modern Culture** Justin Wintle,2008-11-28 A Who s Who of Western culture from Woody Allen to Emile Zola Containing four hundred essay style entries and covering the period from 1850 to the present The Concise New Makers of Modern Culture includes artists writers dramatists architects philosophers anthropologists scientists sociologists major political figures composers film makers and many other culturally significant individuals and is thoroughly international in its purview Next to Karl Marx is Bob Marley with John Ruskin is Salman Rushdie alongside Darwin is Luigi Dallapiccola Deng Xiaoping rubs shoulders with Jacques Derrida as do Julia Kristeva and Kropotkin With its global reach The Concise New Makers of Modern Culture provides a multi voiced witness of the contemporary thinking world The entries carry short bibliographies and there is thorough cross referencing as well as an index of names and key terms **Paul de**

**Man Notebooks** de Man Paul de Man,2016-02-22 This anthology collects texts and papers from the Paul de Man archive including essays on art translations critical fragments research plans interviews and reports on the state of comparative literature These texts offer a fascinating insight into the work of one of the twentieth century s most important literary

theorists The volume engages with Paul de Man's institutional life gathering together pedagogical and critical material to investigate his profound influence on the American academy and theory today It also contains a number of substantial previously unpublished and untranslated texts by de Man from the span of his writing career As a new collection of primary sources this volume further stimulates the growing reappraisal of de Man's work     *The City as Catalyst* Diana Festa-McCormick, 1979 A series of ten chapters on cities as pictured and explored by as many novelists In these ten separate yet connected chapters the city is not merely a setting for the events but a moving force and the catalyst for action

Reading Rilke's Orphic Identity Erika M. Nelson, 2005 Studies in Modern German and Austrian Literature publishes research and scholarship devoted to German and Austrian literature of all forms and genres from the eighteenth century to the present day The series promotes the analysis of intersections of literature with thought society and other art forms such as film theatre autobiography music painting sculpture and performance art     **Books for Secondary School Libraries** National Association of Independent Schools. Library Committee, 1971
