Curse: A Kenyan Song of Sacrifice Morgan Calderon, New York Magazine , 1997-12-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Kings of Disaster** Simon Simonse, 2023-11-27 This study of the rainmakers of the Nilotic Sudan means a breakthrough in anthropological thinking on African political systems Taking his inspiration from Rene Girard s theory of consensual scapegoating the author shows that the long standing distinction of states and stateless societies as two fundamentally different political types does not hold Centralized and segmentary systems only differ in the relative emphasis put on the victimary role of the king as compared with that of enemy victims Kings of Disaster so proposes an uninvolved solution to the vexed problem of regicide Recent cases occurring during the great drought of the mid 1980 s are described and analyzed Making simultaneous use of first hand field data and archival sources the book offers the first presentation of five Nilotic communities on the East Bank of the Nile This study offers a new perspective on the role of violence in the structuring of society **The Professional** Subroto Bagchi, 2011-06-30 A

manifesto on what it takes to be a true professional in the modern world By common definition a professional is anyone who possesses the skills and knowledge necessary for a career whether as a surgeon a software engineer or a plumber But according to Subroto Bagchi our increasingly global marketplace demands more In a world where the foolish selfish and unethical decisions of a few have affected the lives of millions The Professional urges readers to act responsibly and reexamine business as usual By exploring a variety of professional dilemmas across many industries Bagchi defines the qualities of true professionals and the attributes that separate them from the merely competent These include Suffer no false attractions It s always tempting to take the path of least resistance but true professionals can separate the genuine from the phony Know when to say no True professionals are not afraid to say no to things that are not worth their time their energy or

their creativity Take the long view True professionals understand that every action decision and relationship no matter how small can have a lasting impact **Reel Justice** Paul Bergman, Michael Asimow, 2006-04 Publisher Description Patricia Ann Lynch, 2004-01-01 Designed specifically for young readers the Mythology A to Z series explores the world's most important myths and legends in an accessible and entertaining manner Each volume includes vividly written entries on the major figures places stories objects and themes of a given mythology A vast continent Africa is the home of the first humans and the birthplace of many cultures ranging from nomadic bands to farmers to sophisticated civilizations With four major language families and myriad peoples Africa is also the source of a diverse and engaging body of myth African Mythology A to Z is a clearly written reference guide to this lore Containing 42 illustrations two maps a time line a bibliography an index and extensive cross references African Mythology A to Z is a comprehensive and accessible reference guide for anyone interested in learning more about various African myths traditions and beliefs **The Ego's Echo** Willem de Liefde, 2014-03 This book represents a breakthrough in the quest for individual and collective fulfillment It is a breakthrough in leadership and management systems an eye opener for managers directors and every person how wants to dig deeper to become a fuller person Willem de Liefde constructed an ingenious matrix he calls the Universal Life Cycle ULC to help you understand yourself your team and your company This process leads to the realization that our success lies in working together in harmony to become a WE driven organization thus moving to an African ubuntu approach Professor van der Merwe executive Dean Faculty of Economic Sciences and Information Technology Vanderbijlpark South Africa William James the father of American psychology said that the power to move the world is in your subconscious mind If we are able to understand and align the interaction between our conscious and subconscious mind the power released is unimaginable it's like an erupting volcano of positive energy creative energy logic and feelings of joy and harmony If we can break these mental barriers we create a better life for all of us The App or Android tablet tool EgosEcho is the Universal Life Cycle's profiling provides you with this knowledge and insights You awaken the universe within Who am I May I invite you to the NOT EXPECTED *New York Magazine* , 1997-12-01 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Jungian Reflections on September 11 Luigi Zoja, Donald Williams, Seldom has an event in the world had such a pervasive and all encompassing effect as the brutal terrorist attacks on New York and Washington in September 2001 Has our world become a different place as a result If so in what ways Along with the tragic aspects what might this global nightmare have to give us the human inhabitants of this world What is there for us to acknowledge and what old and new wounds have been opened Beyond the obvious scars what sort of a legacy has it left behind These big questions and many

more face us now in the aftermath In this book the highly complex incident of 911 is circled and examined from many angles by a variety of writers who all share a training in depth psychology What might a psychotherapist or depth psychologist perceive in this eruption of shocking contents Contents September 11 Transatlantic Reflections by Luigi Zoja Islamic Terrorism by Wolfgang Giegerich The Motivation of Terrorists by Adolf Guggenbühl Craig The Terror and The Temple by Victor Pierre Stirnimann September 11 The Need for a Safe Place by Verena Kast From Wahhabism to Talibanism by Hechmi Dhaoui Ground Zero A Reading by James Hillman Religion's Role in the Psychology of Terrorism by Ann Belford Ulanov Stories About Stories by Donald Williams With a Preface by Robert Hinshaw

The Boundless Sea Gary Y. Okihiro, 2019-09-24 The last book in a trilogy of explorations on space and time from a preeminent scholar The Boundless Sea is Gary Y Okihiro's most innovative yet Whereas Okihiro's previous books *Island World* and *Pineapple Culture* sought to deconstruct islands and continents tropical and temperate zones this book interrogates the assumed divides between space and time memoir and history and the historian and the writing of history Okihiro uses himself from Okinawan roots growing up on a sugar plantation in Hawai'i researching in Botswana and teaching in California to reveal the historian's craft involving diverse methodologies and subject matters Okihiro's imaginative narrative weaves back and forth through decades and across vast spatial and societal differences theorized as historical formations to critique history's conventions Taking its title from a translation of the author's surname The Boundless Sea is a deeply personal and reflective volume that challenges how we think about time and space notions of history

Nation, power and dissidence in third generation Nigerian poetry in English E. Egya, 2019-04-12 *Nation Power and Dissidence in Third Generation Nigerian Poetry in English* is a theoretical and analytical survey of the poetry that emerged in Nigeria in the 1980s Hurt into poetry the poets collectively raise aesthetics of resistance that dramatises the nationalist imagination bridging the gap between poetry and politics in Nigeria The emerging generation of poetic voices raises an outcry against the repressive military regimes of the 1980s and 1990s Ingrained in the tradition of protest literature in Africa the third generation poetry is presented here as part of the cultural struggles that unseat military despotism and envisage a democratic society

The Rainmaker John Grisham, 2005-09-27 1 NEW YORK TIMES BESTSELLER A taut and terrific page turner Entertainment Weekly from the master of the courtroom thriller Great fun to read The complex plotting is Grisham's major accomplishment Los Angeles Times In development as a USA Network series starring John Slattery It's summer in Memphis The sweat is sticking to Rudy Baylor's shirt and creditors are nipping at

his heels Once he had aspirations of breezing through law school and punching his ticket to the good life Now he doesn't have a job or a prayer except for one an insurance dispute that leaves a family devastated and opens the door for a lawsuit if Rudy can find a way to file it By the time Rudy gets to court a heavyweight corporate defense team is there to meet him And suddenly he's in over his head plunged into a nightmare of lies and legal maneuverings A case that started small is exploding into a thunderous million dollar war of nerves skill and outright violence a fight that could cost one young lawyer his life or turn him into the biggest rainmaker in the land

Path to the Soul Ashok Bedi, 2000-09-15 A Jungian psychoanalyst offers a Hindu spin on therapy challenging readers to rethink childhood conflict and marital strife in terms of karma and dharma Publishers Weekly *Path to the Soul* provides an important evolutionary leap in the rapidly evolving understanding of our psychological and spiritual essence Drawing from Hindu and Christian spiritual wisdom biological medicine psychiatric technique and over twenty five years of clinical experience Dr Bedi has created a highly effective and integrated treatment approach to problems associated with both medical and psychiatric illness He explains the Hindu concepts of maya karma and dharma and builds a bridge between psychological disease and our intrinsic hunger for spiritual union Each symptom is seen as a crucial whisper from our soul and if we understand its message it can lead us to psychological balance Dr Bedi guides us through the process of Kundalini diagnosis showing how the use of life events medical or psychiatric symptoms relationship strengths and problems and life goals and aspirations can help us determine our dominant and auxiliary chakras Since our chakras are focal points where physical emotional developmental and spiritual forces intersect they provide a paradigm that usefully links physical psychological developmental and spiritual dimensions He explains how he has successfully helped many patients correct imbalances by learning to access and strengthen this energy Throughout this book there are numerous examples of how Dr Bedi's patients have discovered what each individual eventually has to recognize that our fulfillment satisfaction wholeness and harmony can be reawakened when we touch the spark of divine light glowing within

Adopting the Track of Phrase: An Mental Symphony within **Rainmaker The**

In some sort of eaten by screens and the ceaseless chatter of quick transmission, the melodic elegance and psychological symphony created by the written word usually disappear in to the backdrop, eclipsed by the constant sound and interruptions that permeate our lives. Nevertheless, set within the pages of **Rainmaker The** a charming literary value overflowing with organic emotions, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, that charming masterpiece conducts readers on an emotional journey, skillfully unraveling the concealed songs and profound impact resonating within each carefully constructed phrase. Within the depths with this touching evaluation, we shall examine the book is key harmonies, analyze their enthralling writing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
